BUTTS and FACES

ASSHOLE OF THE MONTH

No asshole is an island. Human shit rings are defined by how they behave with other people. Scientific inquiry has determined that the *ordinary* asshole has a negative impact upon the lives of between five and 15 people, usually coworkers, family members and the loved ones who are closest to the raging crap chute. Laboratory findings have determined, predictably enough, that the sphincter-souls of this world do the greatest damage to the ones who love and care about them.

Further studies have discovered a "supernova" asshole, a type of psychic and spiritual turd-hole entity whose field of feculent influence is so charged with malignant magnetism that it draws other, lesser, more typical assholes to circle around it like poop-planets orbiting a sewer-sun. This powerful central shit-star casts its outlying ordure-orbs in ever more elliptical and widening circumferences of diarrhea influence. Colliding and interfering with neighboring solar-shit systems, the log star's entourage of dysenteric spinners create a continuously expanding range of disruption, until an entire universe has been polluted, besmeared and knocked off-kilter by the projectile crud of one little crinkled stinker at the center of a toilet-stew galaxy.

A classic example of an otherwise insignificant loaf-pincher who's been magnified beyond human proportion because the chain of flatulence triggered by her BM patterns has set colons around the world into spastic motion is, of course, failed figure skater Tonya Harding, HUSTLER's Asshole of the Month for July 1994.

Nobody needs to hear more from the whining, alibi-rich, all-excuses, wheezing, felonious, sobbing, lying loser that is Tonya Harding. She gives white trash a bad name. She's a disgrace to the competitive spirit. She's got the figure of a fireplug, the face of an ugly baby yowling in an agony of constipation, hair that could scour a frying pan and the voice of a tomcat with his balls caught in a mousetrap. Tough-shit Tonya's one positive attribute is that as an ambassador from the United States to the 1994 Winter Olympics in Lillehammer, Norway, she represented America in such a horrific light that unwanted foreigners will stay in their own countries rather than risk coming here to a nation populated by cigarette-smoking, asthmatic, crybaby criminals.

The inhaler-huffing Harding has pleaded guilty to one count of hindering prosecution, bargaining her way out of a trial that probably would have disclosed the extent of her participation in the bungled attack on rival Nancy Kerrigan. As part of the deal, Harding should be enjoined to fade from the public eye.

Unfortunately, the universe is not an equitable place. TV movies and books based on terrible Tonya's life—fictionalizations for which some sources estimate she has received up to $1 million—will soon clutter the mass consciousness.

Tonya says, "Believe in me." She's sorry, she apologizes, she's really sorry. All she wants is a hug, but not everybody is ready to embrace America's most notorious trailer-park debutante. Perhaps the Canadian skater whose Olympic routine was thrown off by Tonya's "broken lace" tantrum will find a place in her heart to pardon problem child Harding. The dipshit husband and Neanderthal bodyguard, both in prison as a result of their misguided devotion to Tonya, might eventually forgive and forget, or at least forget. The rest of us will have our faces rubbed in Harding's sin every time we see Nancy Kerrigan's simpering horse mouth on TV.

Product endorsements are a bane to Harding. She whimpers that she has been overlooked as a marketable celebrity. In fact, the endorsement contracts she once held lapsed when her rank in skating standings and personal deportment slipped below salable levels.

Whatever the case, Harding's needy mug won't be defiling the airwaves with its mouth full of half-chewed Wheaties. That mulch-rich job, along with dozens more, will go to Nancy Kerrigan, whose pinched-bitch nostrils have already become sickeningly familiar, as have her many other condescending, snotty, insincere, self-impressed attributes.

The U.S. Figure Skating Association may strip Harding of her national title, but Tonya need never relinquish her Asshole of the Month, not when her shit universe did so much to create the painful rectal itch that is Nancy Kerrigan.

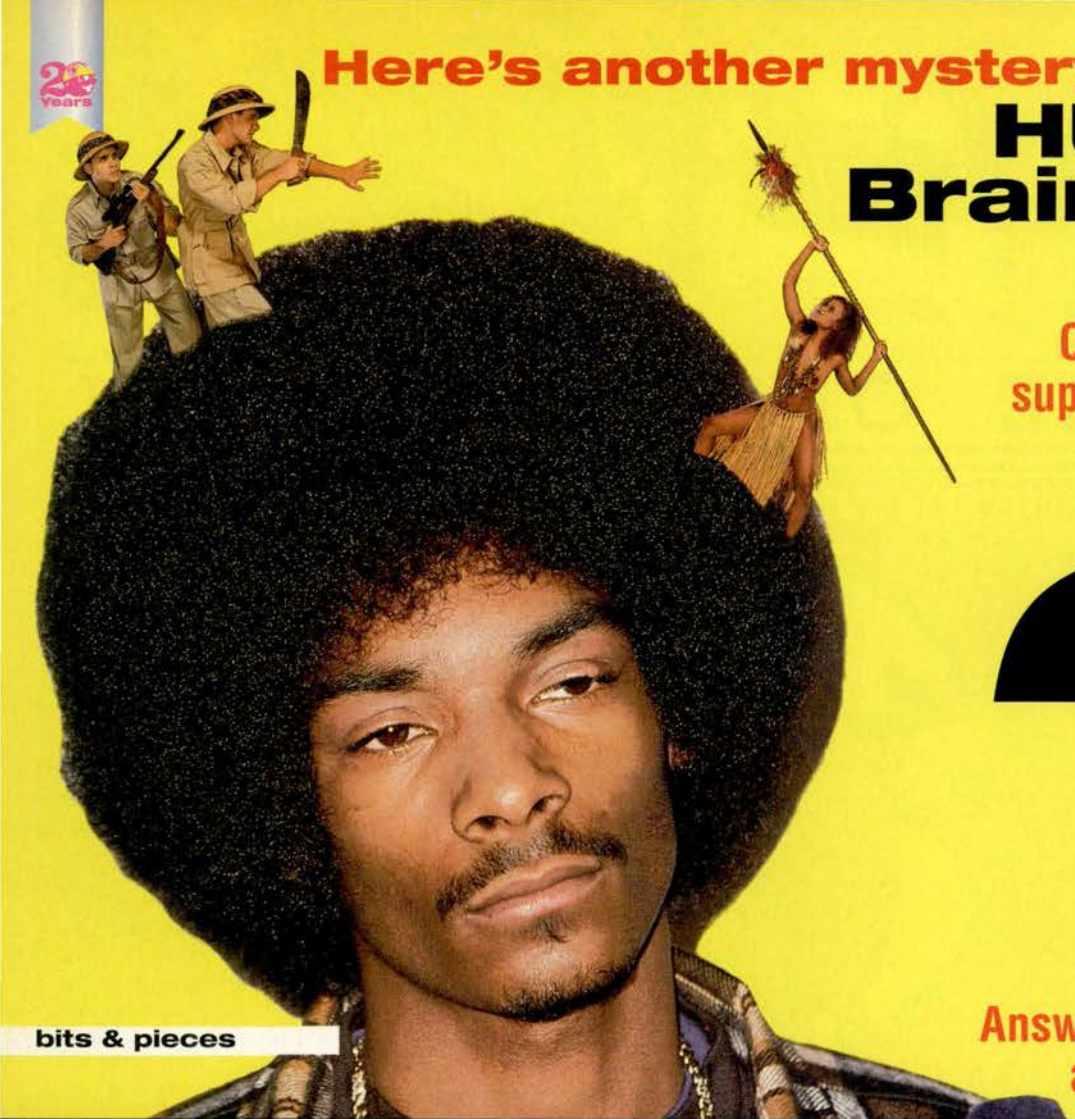

Farts in the Wind

Dr. Baruch Goldstein: **This 38-year-old Israeli settler from Brooklyn, New York, studied for years and became a physician—a trained, professional healer. Rather than use his skills to relieve pain and suffering, however, Goldstein bullied his way with a military-issue Galil assault rifle into an Arab mosque in Israeli-occupied Hebron and barbarically fired into the wall-to-wall crowd of kneeling Palestinian worshipers. Goldstein killed at least 30 unarmed people; dozens more died in the chaos of terror that followed the fanatic's godless assault. The good doctor all but murdered the chances for peace in the Middle East. *Asshole* is too kind a word.**

Kim Basinger and Alec Baldwin: **Celebrity douchebag couples don't come any more hypocritical than these two. Highly visible and vocal supporters of President Clinton's call for reduced violence in TV and movie entertainment, this pair starred in *The Getaway*, a film notable only for its extreme violence and double Assholes.**

ANY QUESTIONS?

HUSTLER Magazine—The nation's most open-minded publication for 20 years.

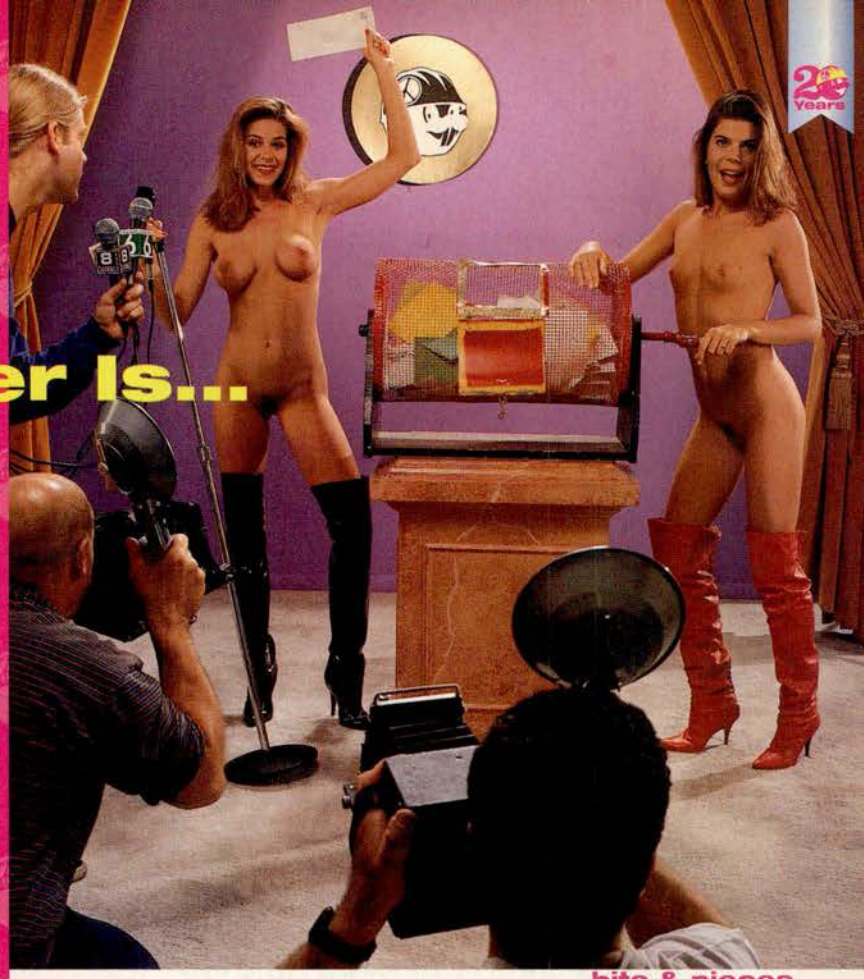

In the January '94 issue of HUSTLER, readers were asked to complete a survey to help determine the makeup of our audience. To show our appreciation, we promised to fulfill one lucky fan's fantasy of going behind the scenes at a HUSTLER photo shoot. After receiving hundreds of mailbags full of submissions, HUSTLER finally closed the contest and held a private news conference to pick the victorious reader.

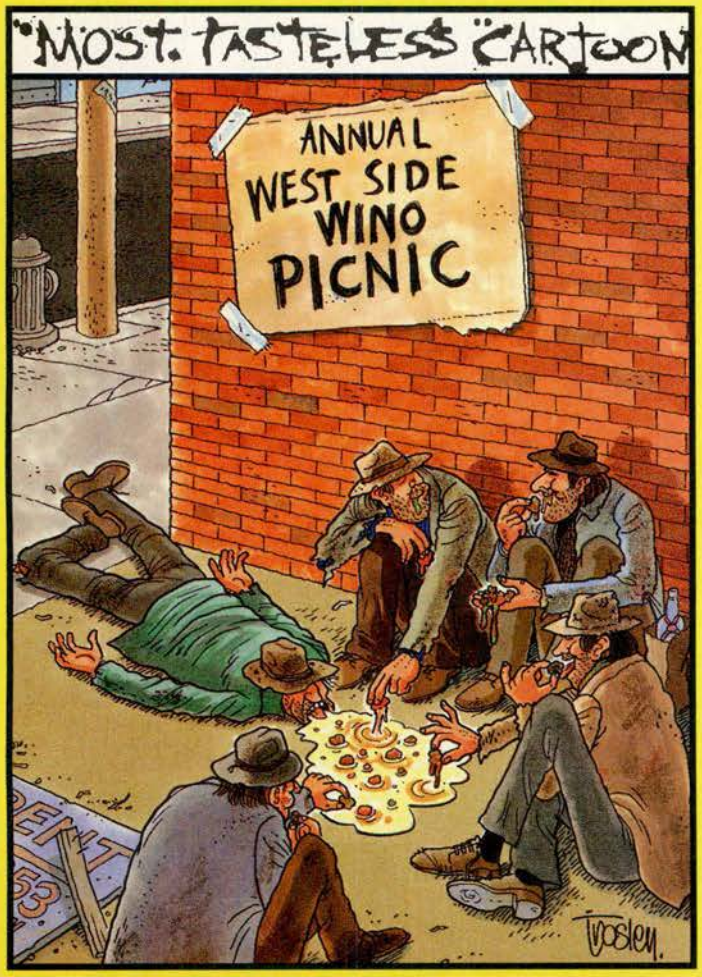

And the Winner Is...

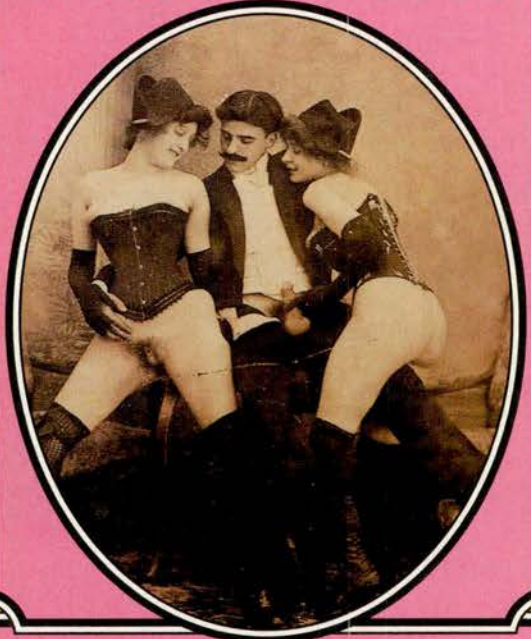

Chad Smith
of Yankton, South Dakota!

Chad wins an all-expenses-paid trip to Beverly Hills to watch women pose before the lenses of our famous photographers. A loyal HUSTLER reader, this 22-year-old skilled laborer will earn $300 a day, travel by limousine and spend two luxurious nights in a posh Beverly Hills hotel. Chad, who's never traveled west of Boise, Idaho, was so excited about winning, he called our offices the day after notification to make sure he wasn't dreaming. Stay tuned for a photo-chronicle of this reader's entrance into the world of HUSTLER—coming soon in America's most generous magazine.

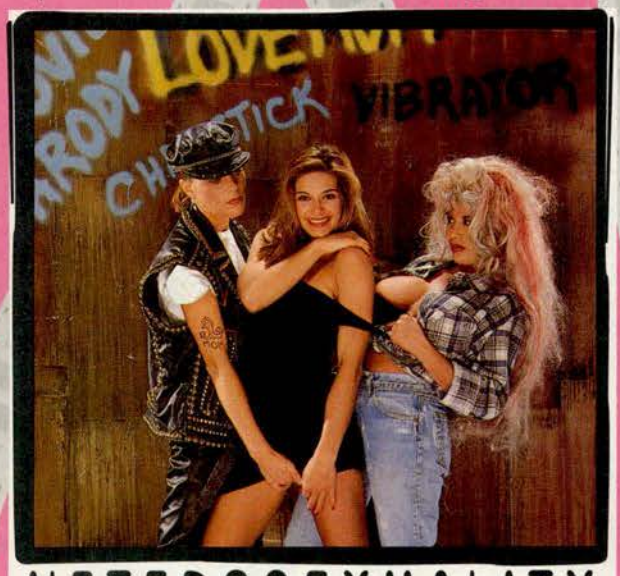

Porn from the Past

Our values may have changed over the years, but a dick in the hand is still worth two with a bush. J. F. Ramalho wins this month's $150 prize for waxing nostalgic about a time when men's mustachios outgrew girls' pubes. Anyone can earn cold, hard cash by sending old, hard flashes of sexuality to HUSTLER's Porn From the Past, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Include a self-addressed, stamped envelope if you want the material returned.

There's No Business Like 'Mo Business

With the success of *Philadelphia*, Hollywood is now milking gay lifestyles for more stories. In fact, HUSTLER previewed two movie remakes coming later this year that will surely shake up the homophobic masses.

THE HUSTLER ANTI-INTERVIEW WITH MÖTLEY CRÜE

MÖTLEY CRÜE HAS ALWAYS FUCKED WITH GOOD TASTE. THROUGHOUT A DEFIANTLY SUCCESSFUL 13-YEAR CAREER, THE BAND'S TITILLATING VIDEOS HAVE BEEN CENSORED BY MTV AND ITS PARTY-TIME LYRICS CITED BY TIPPER GORE'S BLOODHOUNDS AS OBSCENE. CRÜE'S FOUNDER AND BASSIST NIKKI SIXX, A LONGTIME FAN OF HUSTLER, TOOK A BREAK FROM MUSIC INTERVIEWS TO DISCUSS SHIT THAT REALLY MATTERS.

HUSTLER: HOW DO YOU FEEL ABOUT THE CURRENT STATE OF ADULT ENTERTAINMENT?

NIKKI SIXX: I CAN'T SERIOUSLY WHACK OFF TO PORN BECAUSE IT ISN'T SHOCKING ANYMORE. PEOPLE THINK IF SOME GIRL SHOWS HER SPLEEN, THAT'S SHOCKING—AND MAYBE TO MA AND PA KETTLE IN PEORIA, IT IS—BUT TO ME, IT'S DULL. FOR ME TO GET ANYTHING OUT OF PORN, I HAVE TO FIND THE HUMOR IN IT.

HUSTLER: HOW DO YOU THINK HUSTLER HAS HELD UP THROUGH ITS 20 YEARS?

SIXX: IT'S THE BIBLE. CLASSIC. HUSTLER'S VERY TAPPED INTO THE HUMOR ASPECT OF LIFE. WE ALL NEED TO LIGHTEN UP AND LAUGH AT OURSELVES SOMETIMES. TOO MUCH "ADULT ENTERTAINMENT" TAKES ITSELF TOO SERIOUSLY. BUT I GUESS IT'S EASIER FOR DR. BILL OR WHOEVER TO ADMIT HE'S GOT A SUBSCRIPTION TO *PLAYBOY* THAN ADMIT HE LOOKS FORWARD TO THE NEXT *ASSHOLE OF THE MONTH*. BUT IT'S THAT KIND OF SHIT THAT HELPS HUSTLER MAINTAIN ITS UNDERGROUND EDGE; IT'S STILL DANGEROUS AFTER ALL THESE YEARS AND IS ONE OF THE FEW MAGAZINES THAT HAS RESISTED THE TEMPTATION TO BE SANITIZED. WHICH IS WHY I LOVE IT.

HUSTLER: DO YOU THINK HILLARY CLINTON WOULD BE A GOOD FUCK?

SIXX (LAUGHING): I THINK SHE'D BE FUCKING HORRID. I BET SHE HAS A STINKY CRACK, AND I ALSO HAVE THE FEELING SHE'S A DYKE.

HUSTLER: WHEN THE GOVERNMENT FUCKED WITH HUSTLER, LARRY FLYNT WENT BEFORE THE SUPREME COURT AND CALLED THEM "EIGHT ASSHOLES AND A TOKEN CUNT." HOW DID YOU REACT WHEN THE GOVERNMENT, PARTICULARLY TIPPER GORE, OBJECTED TO MÖTLEY CRÜE'S MATERIAL?

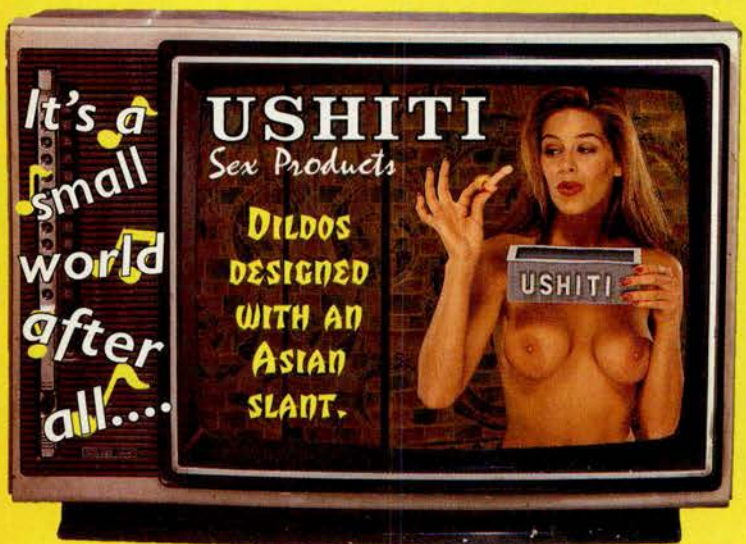

SIXX: I TRIED TO IGNORE THEM. IF YOU GIVE THOSE POLITICALLY CORRECT ASSHOLES A SOAPBOX, THEY'RE GONNA STAND ON IT. I SAID TO TIPPER GORE'S COMMITTEE AT THE TIME THAT I WASN'T INTERESTED IN ENTERING A DISCUSSION WITH HER. I TOLD THEM, "WE DO WHAT WE DO; NOW FUCK OFF!" THE MÖTLEY CRÜES AND HUSTLERS HAVE TO STAND THEIR GROUND. YOU'RE NOT GONNA APPEASE AND PLEASE ALL OF THE PEOPLE ALL THE TIME; SO FUCK THEM. YOU CAN'T LIVE IN FEAR OF A FEW FUCKING PEOPLE WHO ARE INSECURE.

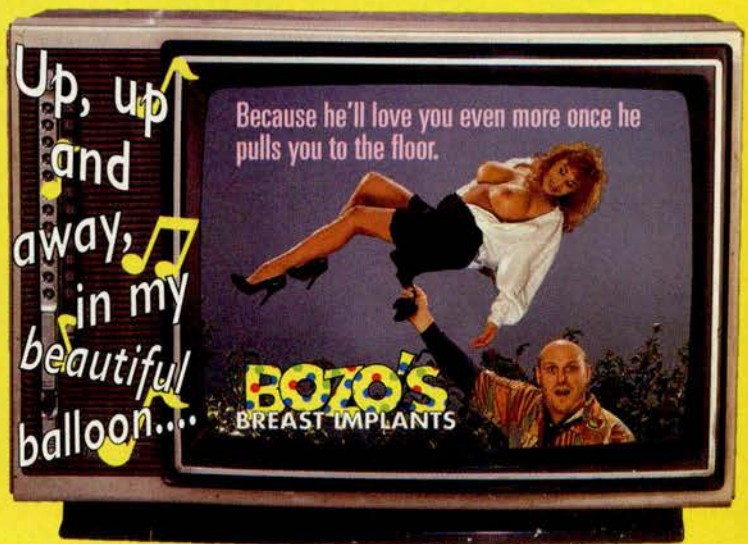

MÖTLEY CRÜE'S NEW ALBUM, ITS FIRST WITH NEW SINGER JOHN CORABI, IS CALLED *MÖTLEY CRÜE*.

If there's one thing worse than obsolete, old-fart musicians still shitting out their stale hits, it's obsolete, old-fart musicians who sell those shits for big advertising bucks. The Rolling Stones pitch Snickers with "Satisfaction," the Beatles began a "Revolution" in Nike shoes, and Bob Dylan proved "The Times They Are a-Changin'" by singing his support for the Coopers & Lybrand accounting firm. In the future, every new industry will plug its products with an appropriate song, as TV ads jingle to a feverish...

Great Moments in HUSTLER History

Before Fred and Barney, there was this modern Bone Age family. The year was 69 B.C. In the little town of Bedcock, the original Flynt patriarch and his saber-toothed beaver, Woolly-Bucky, discovered a primitive version of today's *Beaver Hunt* contest.

FEEDBACK

Reason to Believe

HUSTLER's March 1994 issue was the first issue I've ever seen. I'm 25 years old, and I receive *Playboy* by mail. *Playboy* has more class, but I look through each issue thoroughly only once, and then it goes in a box. My issue of HUSTLER I keep at my nightstand and read again and again. I laugh so hard I just about shit my pants! HUSTLER is more hilarious than *National Lampoon* by far. Here's some of the highlights, in my opinion. Page 8: The HUSTLER "Penis Cam" ("Penis Cam," *Bits & Pieces*, March '94). "A cat's ass can be an inviting option"—that picture of that cat's ass is hysterically funny! Although I would never imagine fucking a cat, dog, horse, cow, buffalo, etc., I just about died from laughing trying to picture it.

The *Hot Letters* were so funny I thought I'd never stop laughing. They probably weren't meant to be funny, but to me they were. The "Duncan's Hind" ad parody ("Duncan's Hind Cake Mix," *Ad Parody*, March '94) on page 45 was just too much. And the photos displayed were tasteful—very. Made my tongue wag and made my dick harder than a flag post in winter. HUSTLER reveals more than *Playboy*; that goes without saying.

I'm looking forward to HUSTLER's April issue. If you wanna know if I would choose HUSTLER over *Playboy*, I'd have to say yes. Sorry, Hugh Hefner, but Larry Flynt has something over you! —J. L.

Flint, Michigan

Joke Test

I am writing in response to a *Feedback* letter written by T. W. from Vallejo, California, in HUSTLER's March 1994 issue ("Straight Out of Vallejo," *Feedback*, March '94). Let me start off by saying that I thoroughly enjoy reading HUSTLER's informative articles and pictorials, although I don't care for some of the cartoons. T. W. wrote in regard to his distaste for "cum-gargling faggots" and how these "mutant pieces of shit should be disposed of at birth." HUSTLER's response has prompted me to write. HUSTLER replied, "HUSTLER's completely behind you in your quest to stop homosexuality in its tracks...." Would you not say that statement is a contradiction when over 50 percent of HUSTLER's layouts and ads are of a lesbian nature? Why does HUSTLER keep gay/bisexual advertisements in the magazine if it backs T. W.'s quest? Placing those unconventional ads gives the illusion that HUSTLER is tolerant toward male homosexuals and bisexuals.

As a flaming heterosexual, I can relate to T. W.'s homophobia. But only a faggot would write such an ill-constructed letter! —J. T.

Torrance, California

Letter-construction as an indicator of faggotry has long been a bone of contention at HUSTLER. Some say a reader's failure to get a joke is a more precise measure of a bent personality. Until the facts are in, HUSTLER will keep track of who does and who doesn't laugh along.

Felecia: In the Pink

Passing Grade

I recently purchased HUSTLER's April 1994 issue and was thoroughly amazed. April (*April: Fool Bloom*, April '94) surely must have an excellent plastic surgeon. I was amazed at his mind-blowing work, as were most others here at Fort Bragg. Bravo, HUSTLER, for printing the pictorial! —C. P.

Fort Bragg, North Carolina

Two of a Kind

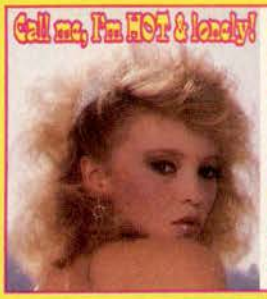

I just finished thumbing through the April 1994 issue of HUSTLER from back to front. I have to admit, Bridgett and Scott's pictorial (*Bridgett and Scott: Riding Shotgun*, April '94) made my pockets very tight. When I got to Felecia (*Felecia: In*

the Pink, April '94), *Beaver Hunt*'s 1993 Grand Prize Winner, I almost blew the zipper right out of my Levi's. I loved the rearview shot of her ass hiked up. She has a luscious slab between her legs. What a sweet piece! Then I came to the pictorial of the transtesticle (*April: Fool Bloom*, April '94) and recoiled in horror. Jesus Christ Almighty, where the fuck did you find that thing? It repulsed me to the point where I wanted to vomit!

During my work in emergency medical treatment over four years, I've seen some pretty nasty shit, but nothing's turned my stomach more than *April: Fool Bloom*. The asshole on that thing was the size of a soup can. The fake vagina looked like a woman's privates that had been mutilated in some sort of ritual. Someone must have been fucking that thing with a dick the size of a fire extinguisher. There must have been miles and miles of dick up that thing's ass. A gerbil would look at that asshole and think it would make a nice den to raise a big family in. That would have made a better photo, to have five or six gerbils with their heads sticking out of the thing's asshole. Christ, he could fit a small dog up there!

Did the photographer get sick afterward? I mean, you shoot a freak like that with a 12-gauge, not a camera! I know HUSTLER can publish what it damn well pleases, and I don't have to look at it if I don't like what I see. But I like HUSTLER a lot. My question is, HUSTLER is a men's mag—why run ads for fag films that make me sick personally, as I'm sure they make a lot of other guys too? I doubt fags read HUSTLER. Why would guys who like looking at girls be interested in fag ads or freaks like April? —E. P.
Collingswood, New Jersey

I am an avid reader of HUSTLER Magazine, and I never miss an issue. I especially enjoy the boy/girl layouts. The only problem in HUSTLER's March 1994 issue is Sasha and Sal (*Sasha and Sal: Busjackers*, March '94). You didn't show enough shots of Sal's cock. I am an inmate at Raiford Correctional Institution, and a lot of us "girls" here really enjoy seeing a big, stiff cock like Sal's. It makes my mouth water! I have had some of my "husbands" in here place HUSTLER centerfolds on my back while we are getting down and nasty. But I would like to see more shots like those of Sal's big salami so we "women" can enjoy ourselves also.

Sal was so hot I almost creamed my little panties. I hope you print this letter, because I'm sure I'm not the only one who feels these "womanly" needs for something big and hard. —Name Withheld
Raiford, Florida

Difficult as it is to imagine, E. P. from New Jersey and Name Withheld from Florida have something in common—they both enjoy HUSTLER Magazine. Could it be the start of a beautiful friendship?

Real Woman

To all HUSTLER readers, I am offering a free lesson in what women want, which is romance, romance, romance! Women do not just want their pussies exercised by dragging stiff dicks in and out! We want our men to start out lovemaking with kisses coming gently on the lips, cheeks and earlobes, then moving down to the collarbone, breasts and stomach. We want to feel our men caressing us as they gently, sensually, lightly move their fingertips over our backs and buttocks, seeking the moist crevices between our legs! Women need foreplay. We want men to jump-start our sexual motors. Search inside, in and out of the pussy, with a firm finger-fuck. We love this! You can feel inside our slits as you continue kissing, caressing and finger-fucking us. Stick with smooth, firm strokes when you're inside, no rough or flopping motions. Kiss our inner thighs, search for our most sensitive spots.

I'm writing this letter for all the girls in my sorority house who have experienced lousy lays this past year. Fuck that wham-bam-thank-you-ma'am attitude. Too many men rate as failures when it comes to being good lovers! —Sisters in Love

'Toonful Reminiscence

Twenty years of HUSTLER high points, as depicted by our cartoonists.

The cartoonists who sketch the humor between the Honeys are often accused of being outrageous, insensitive, irreverent and flat-out irrational. They accept such compliments with gratitude.

Dwaine Tinsley, George Trosley, Dan Collins and John Billette—HUSTLER's original "Gang of Four"—look back on two decades of milestones and mayhem in the history of America's Magazine.

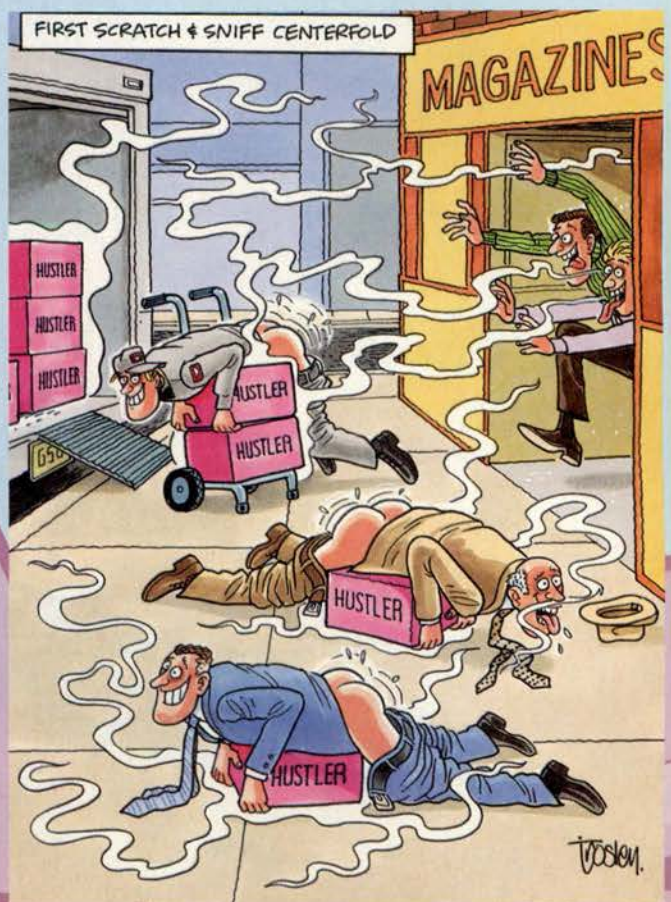

"Groovy! That's really Jackie O. naked?! No wonder the President fucked around."

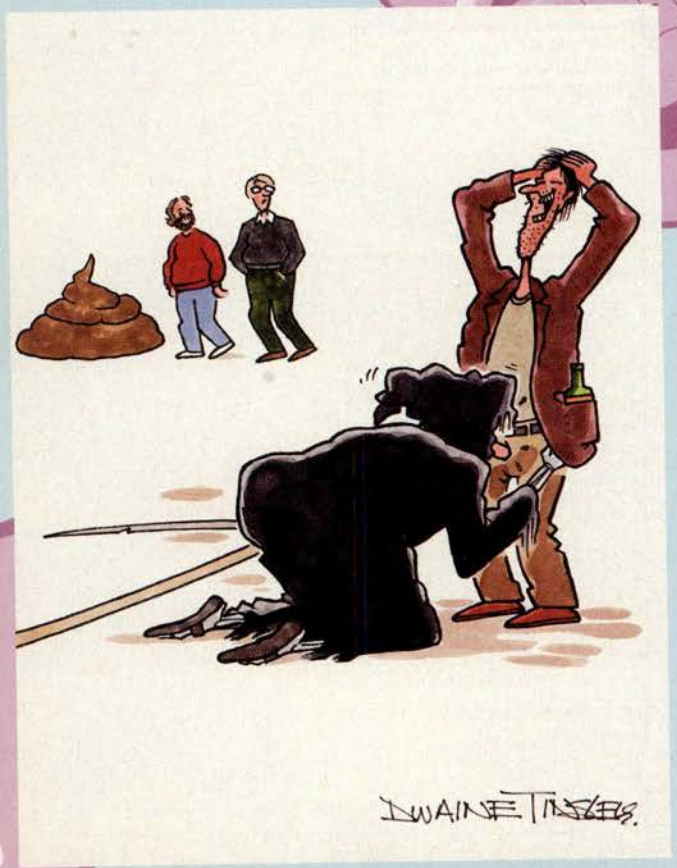

"Great! Now shave her pussy, put the soiled panties on my head, and send it to HUSTLER."

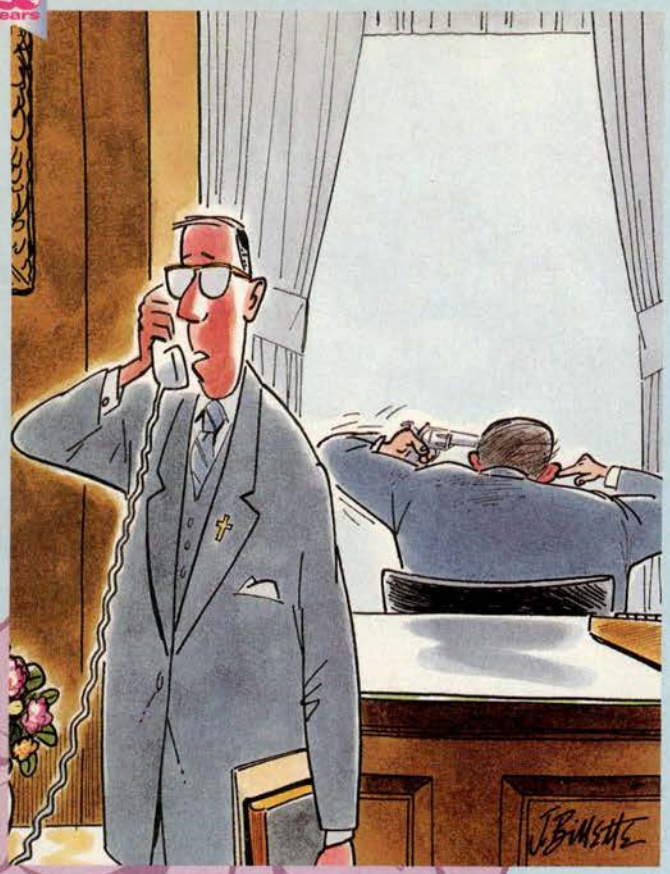

"Well, get better soon—and don't drag your feet."

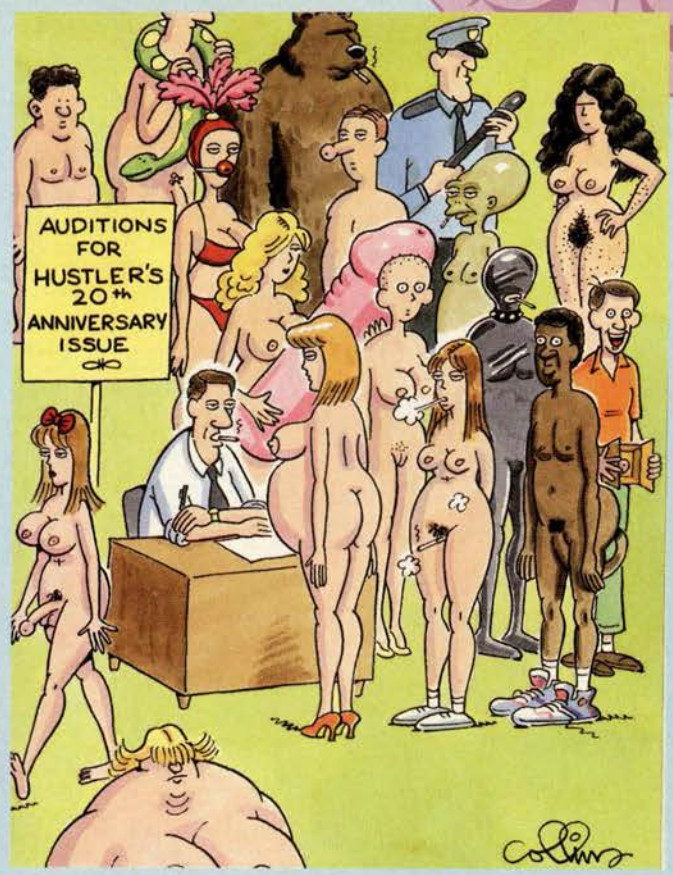

"Sorry. Shit doesn't give me many cartoon ideas—but <u>that</u> does!"

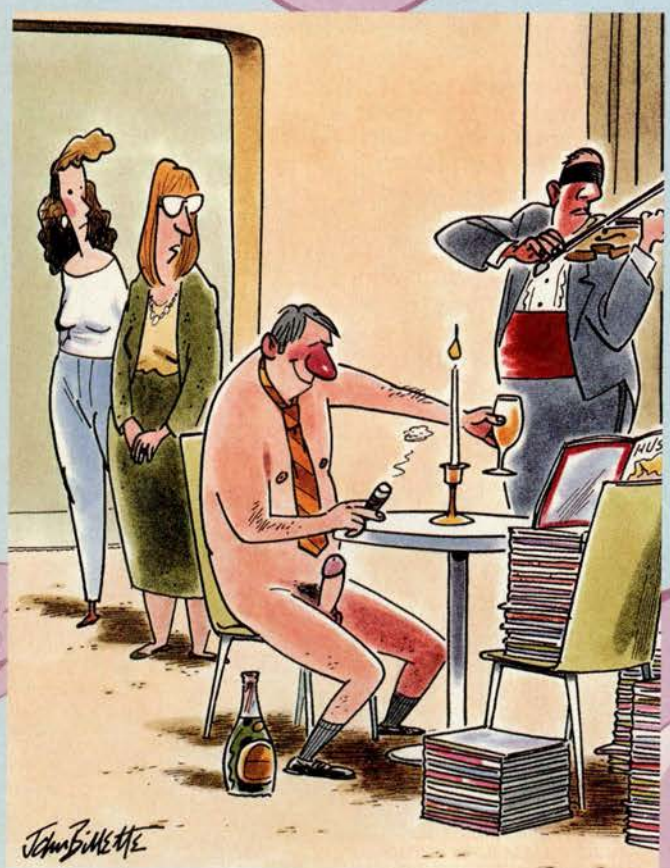

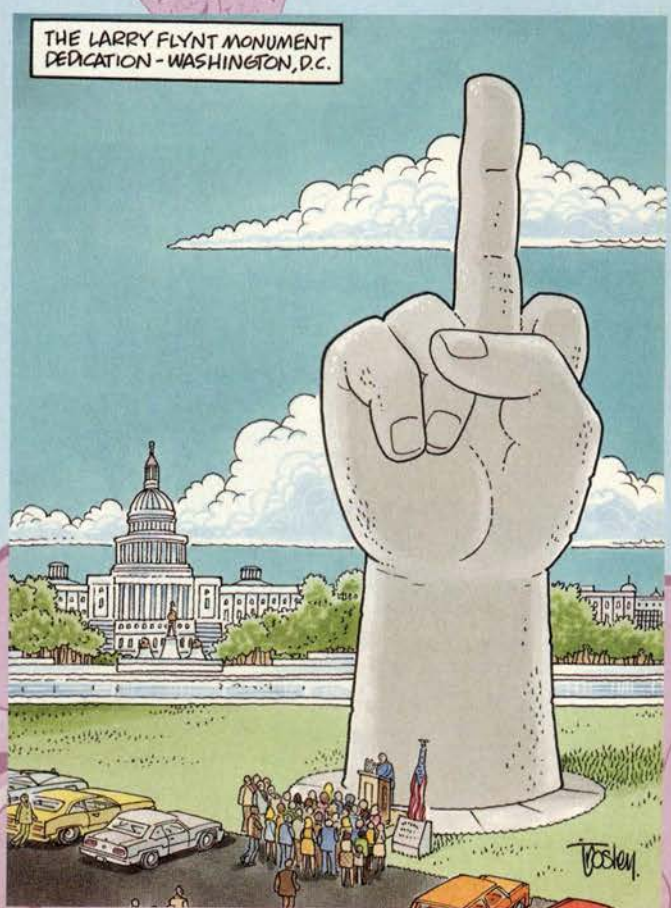

"I'm sorry. The Reverend Falwell has no comment concerning his legal dealings with Mr. Flynt."

"Sorry, done it.... Sorry, done it.... Sorry, done it...."

"Mike's having a HUSTLER anniversary celebration. They grew up together."

FEEDBACK

(continued from page 15)

true. When I saw she was wearing a hearing aid, I went ballistic. What a turn-on! The way Geri's hair is casually blown back just enough to reveal the aid makes me think she knows how sexy this is.

Please bring Geri back, especially since she is the first HUSTLER model to pose wearing a hearing aid. I look forward to more of this aural excitement. —S. J.

New York, New York

X Offender

I feel that HUSTLER, as a publication, could be enriched with a broader variety of subject matter. HUSTLER, in my opinion, doesn't have enough reading literature and is an overall "trashy" publication.

First of all, HUSTLER Magazine is degrading to women because they are treated as sex objects rather than objects of beauty. The photographs of these women are tasteless and unnecessary. I think the same women could be photographed a little differently, in a more respectful manner, and have the same effect. Another reason I feel the way I do is because the magazine does not contain enough literature about nonsexual topics such as world problems that we as humans face today. HUSTLER has a few interesting articles, but most of them are sex-related. Not everyone purchases this sort of magazine for the sex-related topics. In what few articles that HUSTLER does contain, its word choice is tasteless.

Do not mistake what I have stated. Some of HUSTLER's issues have had very interesting articles and photographs. I personally like the nudity and sexual contents, but they should be limited. Also keep in mind that I am not putting down your magazine or trying to corrupt others by getting them to think the same as I do. I just want to let you know how I feel. I write to you and state my opinions about your magazine so it can become a better overall publication. —K. W.

Nutshell Nugget

I find enlightenment from reading your most great magazine! HUSTLER's pictures are beyond words. The cartoons are gnarly side-splitters. The ladies and girls are fantastic, and the dudes are not ugly. Keep up the great work! —B. B.

SODOMANIA 7: DEEP DOWN INSIDE

Fully Erect. *Directed by Various; starring Wednesday, Tammi Ann, Tianna, Beverly Glenn, Sierra, Jonathan Morgan, Alex Sanders, Joey Silvera, Gerry Pike and Roscoe Bowltree. Videocassette: Elegant Angel.*

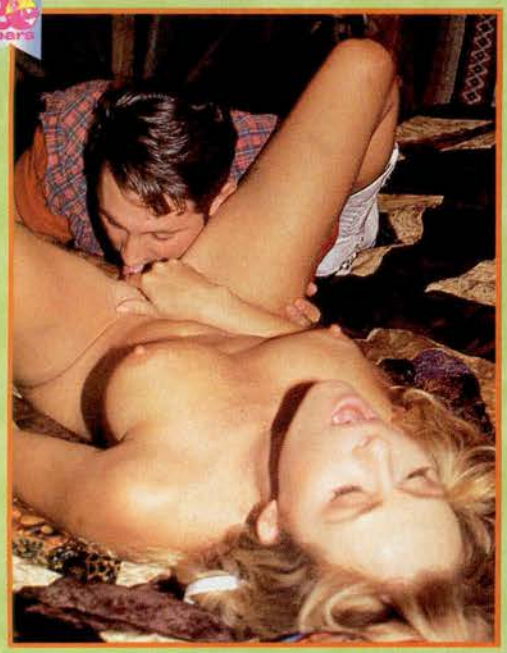

Anyone whose car sports an "I ❤ Stalkers" bumper sticker should drive immediately to the video store and purchase this tape. One rental viewing of this full-tilt explosion into the darker side of sex would be only a warm-up. *Sodomania 7* features five separate vignettes, each packed with more energy and character development than 1,000 full-length adult features. "Bang the Bum Slowly" begins by following homeless creep Jonathan Morgan to the house of hump-girl Wednesday. After peeping on her bathing practices from outside, he enters the house demanding a fuck. She obliges, but only after she takes control, slapping Morgan across the face and slamming his head into her freshly powdered cunt. Their fragging is fantastically full of life and ends with a torrent of cum covering the pierced fork of Wednesday's tongue. The tape's various directors—Patrick Collins in particular—combine spirited sex, lively editing and unique camera angles to shove the viewer's face directly into the line of fire. Tiny Tammi Ann, a slinky spoonful of sugar, peacefully sunbathes poolside until a grunting intruder (Alex Sanders) hops over the fence for a surprise assault. Sanders then bodyslams the petite blonde belly-down and fucks her ass amid screams of discomfort and joy. The scene's climactic revelation—that Sanders is actually her role-playing husband—does little to spoil the violent charge of the proceedings. Next, Joey Silvera warms the cockles of Tianna's twat and every footman who's every jerked into a set of pumps. The movie's final clip, which presents a puckish Sierra seduced on videotape by her best friend's father, offers more taboo overtones than a month's worth of Michael Jackson sleepovers. *Sodomania 7* presents psycho-energized sex the way the Good Lord never intended it to be. —*Seth Roberts*

Sodomania 7*: Tammi's tits sheath Sanders's sword.*

THE BEVERLY THRILLBILLIES

One-Quarter Erect. *Directed by Frank Marino; starring Dyanna Lauren, Beatrice Valle, Nikki Shane, Sunny Ray, Lynn LeMay, Terry Thomas, T. T. Boy, Jonathan Morgan and Brad Armstrong. Videocassette: Zane.*

With Ellie May's big hickster tits threatening to explode from her halter top, the old *Beverly Hillbillies* show usually earned as many meat whacks as it did belly laughs. This porn knockoff, like most pubic-hair-brained X spoofs that shoot their creative wad with their giggly titles, offers less bone-thumping possibilities than its '60s sitcom inspiration. Ellie May (the stunningly stiff Dyanna Lauren) opens the barn door to find Jethro (T. T. Boy) unzipping his overalls for a fuck on demand. Ever the obliging cousin, Lauren sucks the ruffian's cock with the energy of corn slowly sprouting and only comes to life when Boy's dick dogs her from behind. The rest of the cast doesn't share Lauren's good looks, but they do employ the same lifeless fuck tactics. Brad Armstrong dives face-first into Nikki Shane's knobby nook and plugs away as if his main concern were the condition of her plastic boobs; Boy bores the shit out of Beatrice Valle, then spares her face for the wasted pubic cum-shot; and Lauren's only return finds her licking Valle's vertical gash like Tom Sawyer painting a goddamn fence. These hillbillies may strike black gold, but they rarely mine white choad.

*Bikini-free in **Bikini Beach 3**.*

BIKINI BEACH PART 3: TROPIC HEAT

Three-Quarters Erect. *Directed by Jim Enright; starring Tiffany Mynx, Sierra, Rebecca Bardoux, Lacey Rose, Crystal Wilder, Summer Knight and Alicia Rio. Videocassette: Coast to Coast.*

The seven silicone-beset lovelies in *Bikini Beach 3* don't spend much of the video's duration on the beach; better still, they spend even less time in their bikinis. A yacht-full of snizz slurping and sliming each other on the high seas is what *Beach 3* promises, and following a bubbly poolside pussy-bobble with Summer Knight and Alicia Rio, the tape delivers just that. Once afloat, Knight appropriately places a fishing pole in the part of her most reminiscent of fish. Rio and Lacey Rose interrupt her rod-riding for an oily rubdown that escalates as Knight doles out an impressive double toe-fuck to her crouching cronies. When the trio smash gashes simultaneously in the leg-locking scissors position, the home stroker's TV screen may require as much swabbing as the deck these seafaring slit-lickers are writhing about on. Rose tackles Tiffany Mynx next for some gymnastic vaginal antics, followed by Sierra and Crystal Wilder deliciously devouring each other, tits-first. *Beach 3* bungles only at its end, when it forgoes the anticipated seven-snatch orgy in favor of a solo Lacey Rose finger-finale. Until its cop-out conclusion, *Beach 3* hits all the high-water marks.

—Selwyn Harris

FOOLPROOF

Three-Quarters Erect. *Directed by Stuart Canterbury; starring Brittany O'Connell, Leena, Deborah Wells, Tony Tedeschi, Randy West, Sahara, Kitty Yung, Sierra, Peter North and Steve Drake. Videocassette: VCA. Shot on Film.*

The pecker-led private eye has been portrayed in countless spurt videos, but seldom with the panache and credibility achieved by *Foolproof*. Tony Tedeschi stars as a sleuthing dick whose bone pops up to inhibit his brain while he's tailing scrumptious crumpet Brittany O'Connell. The camerawork is imaginative and professional, the film is edited to maintain interest as the plot deftly advances, staged sets are mixed in with live locations, the actors actually act, and people get naked and screw. Steve Drake licks a cheapish blonde through her panties and leaves globs of jizz right on her butthole. Oriental ornament Kitty Yung works out on Peter North's pull-up bar and showers off with a spray of spuzz. Tedeschi knifes his flesh sword through live-twat Leena's heaving tits and leaves his milky mark on her nips. Randy West sweats out a cum driblet between the lips of two chicks, and O'Connell gargles a mouthful of chowder after Tedeschi unloads on her teeth. More sex would have been more better, but it would be hard for a jerkoff to fuck up with *Foolproof*.

—Christian Shapiro

*No cock is drool-proof to O'Connell in **Foolproof**.*

LET'S PARTY

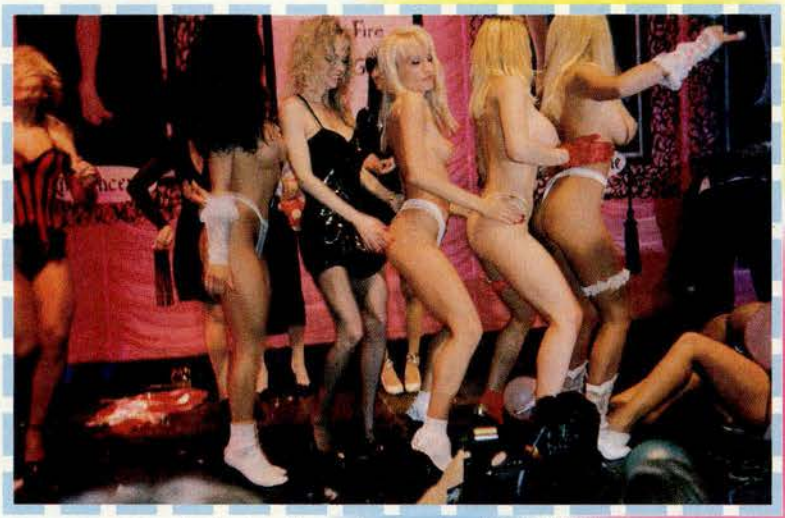

Three-Quarters Erect. *Directed by Jim Travis; starring Deidre Holland, Jeanna Fine, Rebecca Bardoux, Christina Tyler, Alicia Rio, Sierra, Tony Tedeschi, Sikki Nixx, Jonathan Morgan and Jon Dough. Videocassette: VCA.*

Let's Party: *Bring your own Odor Eaters.*

Ringing in the New Year with a ream and a bang is the excuse for *Let's Party*, a collection of good-looking, natural bonings thrown by revelers at a holiday celebration. Party pooper Deidre Holland wants to blow off the festivities to stay home and fuck, and Jon Dough—succumbing to such wiles as her pixie face on his prong—doesn't argue any more than anyone else would. A sucker for a suck, Dough gives in, kissing and cramming Holland and blowing wad on her pretty bush. Elfin brunette Christina Tyler waylays Tony Tedeschi by stripping to red lingerie and kneeling to tongue-tease his winking peehole. Tedeschi fingers Tyler's sphincters and snatch, then releases on her happy face. Snaky Sierra and slinky Alicia Rio sneak off to kiss, rub tits, probe pussy and strap on a dong. Sikki Nixx invades Jeanna Fine from behind through torn fishnets; she quaffs his wad from a champagne glass. Hosts Jonathan Morgan and Rebecca Bardoux unwind après soiree by twisting into a pretzel-necked ass-fuck that switches to pitch cum into Bardoux's mouth. *Let's Party* proves that keeping things simple is one secret to a successful sex film. —*C. S.*

F.O.X.E. It's a Fan's World

Bodacious bunny hoppers at F.O.X.E. '94.

Lacey Rose blooms while Rebecca goes Wild.

The Fans of X-rated Entertainment (F.O.X.E.) organization held its fourth annual awards show this past February 20, perverting the Presidents' Day weekend in patriotic fashion. Downtown L.A.'s Mayan theater offered an elegant setting as perennial hostess Nina Hartley ushered forth one porn star after another, many of whom performed song-and-dance numbers while de-pantsed for the estimated crowd of 800. Hartley herself garnered the first-ever Lady Liberty Award, a lucite tribute to her tireless efforts in the pursuit of hassle-free hedonism. F.O.X.E. figurehead Bill Margold was surprised later with an honorary Founder's Award. As for the fan-electees, Favorite Females were three-time winner Ashlyn Gere, Nikki Dial and Tiffany Mynx, and Favorite Males were Rocco Siffredi and Randy West. Fan of the Year honors went to James Sullivan. For information on F.O.X.E., write 8033 Sunset Boulevard, Los Angeles, California 90046.

SHANE

FRESH FACE IN THE FAST LANE

With her turned-up nose, sparkling eyes and sexy little scratch of a voice, newcomer Shane seems a living doll at first glance. Upon closer inspection of her deep-tanned, drum-tight body in wild fuck action, Shane is no mere plaything, but an absolute sexual firestorm.

Shane's rookie vehicle, *Seymore Butts in Paradise*, collected Best Gonzo Video honors at last January's Consumer Electronics Show, prompting its creator, Mr. Butts himself, to declare a lifelong partnership with his new starlet. So far the couple has produced three more *Seymore Butts* adventures, and Shane starred solo in a Bruce Seven bondage production, *Shane's Mistake*.

"I love doing the videos, because I really get to be myself," the neophyte nymphette states. "My favorite scene so far was in *Seymore Butts Goes Nuts*. Rosie Lee and I try to convince this 21-year-old waiter in Las Vegas to come up to our room for a blowjob. He was so nervous, it was absolutely adorable. He did finally give in though."

Shane's dream role would involve more than just one petrified penis. "I want to do a scene with a lot of guys at once, but I'm not quite ready yet," she says. "My fantasy is to eventually star in a video called *Anal Shane's Sphincter Hunt* and set a record for the amount of cocks taken up the ass in one movie."

30 DAYS IN THE HOLE

Half Erect. *Directed by Max Steiner; starring Vixxen, Adriana, C. J. Bennett, Destini Lane, Sahara, Tim Lake, Dick Nasty and Max Steiner. Videocassette: Zane.*

To spend 30 days inside the hallowed hole of vivacious newcomer Vixxen would be the ultimate in penile punishment. This spirited, salacious jizz junkie has mastered all the greatest fuck tricks learned by young girls in the backseats of compact cars and has perfected her craft into a torrent of ass-fucking, dick-biting, cum-chewing bliss. Too bad this standard porn affair blows the promise of Vixxen as an *Ilsa*-like bitch-guard who has her way with the inmates. Vixxen bounces on Tim Lake's dick in an interrogation scene like a puppy hopping for a snack, then lies back with mouth agape, waiting for Lake's frothy runoff like a puffy, man-made trough. Later, she straps on and teaches an important behavioral lesson inside the stout cunt of blond prisoner Destini Lane. Without Vixxen, however, the action blows, with C. J. Bennett enduring an awkward double-pen, and manly muff Sahara allowing some dude free rein inside her ass while she lies half-asleep waiting for the idiot to shoot his load. During the four minutes it takes the dickhead to finally whack onto Sahara's chapped lips, one can either reminisce or rewind back to the meat of the movie, located between Vixxen's limber legs. —*S. R.*

Tobianna and tush: ***Bun Busters 14.***

BUN BUSTERS VOLUME 14

Half Erect. *Directed by Someone Who Didn't Admit It; starring Tobianna, Tony Montana, Sally Layd, Sam Smythe, Kat Mandu, Cloe and Zen. Videocassette: L.B.O. Entertainment.*

Earning special mention for atrocities against erotica, *Bun Busters Volume 14* shows things that only a gynecologist should ever have to see, which should guarantee it a long and profitable shelf life. The most stunning visual of *Busters 14* is Sally Layd's cunt, which could probably be designated as a drive-through national monument should Ms. Layd ever tire of her employment in adult cinema. Layd, who looks like she could be a blood relation of Tonya Harding, has her pussy pulled open with two hands by someone going by the name of Sam Smythe. Layd's carnal crater stays open, seemingly of its own volition, as Smythe sticks a few fingers up the Layd anal canal. Pushing forward on the butt womb, Smythe turns Layd's pussy inside out; the vaginal walls actually protrude beyond the cunt lips for an effect that's similar to the process of childbirth, but without the kid. Smythe then porks Layd's shitter while stuffing what looks like four fingers up her twat. The other two fucks of *Bun* are a simple rear entry and a threeway made up of anal-fixated nymphette dykes. *Volume 14* is either a nut-buster or a gut-buster. —*C. S.*

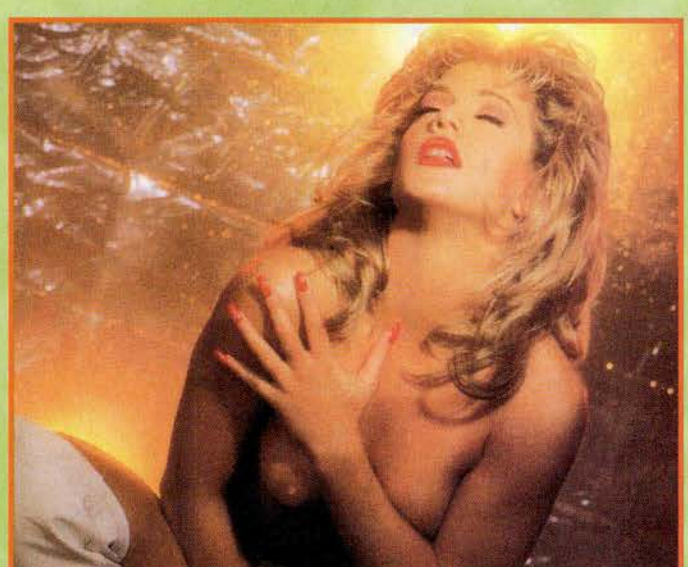

Margarita *is flavorless.*

MARGARITA ON THE ROCKS

Totally Limp. *Directed by Carl Danser; starring Traci Prince, Chelsea Ann, Scott Long, Jack Mann, Sabrina Blisse, Lana Sands, Brittany Stone, Nicki Design and Rick O'Shea. Videocassette: Silver Foxx Productions.*

The actresses in *Margarita on the Rocks* may want to consider bringing a class-action suit against director Carl Danser and Silver Foxx Productions for presenting them in a poor light. Though none of the femmes in *Margarita* looks much worse than passable bar-bait, prepare for shouts of "Dogfight!" and "Dogpile!" if this tape is viewed in the company of critical, insensitive louts. Traci Prince stars as a horny broad whose husband has lost interest in fucking her. "And no wonder!" heckles a smartass creep from the cheap seats, though he'd be hard and throbbing if pressed to meet Ms. Prince in the flesh. *Margarita* takes too long to get to the *Rocks* parts; the fucking is gimmicked with intentionally poor lighting; the camera shows *the back of a guy's head* while he eats pussy. Steer clear of *Margarita*-ville. —*C. S.*

X-citement: *saintly St. James.*

X-CITEMENT: THE MOVIE

Half Erect. *Directed by Arthur Ben; starring Sydney St. James, Chris Collins, Tricia Yen, Pamela Dee, Tanya Foxx, Carmel St. Claire, Kyle Stone, Alex Sanders, Shawn Ricks and Rick O'Shea. Videocassette: X-citement Video.*

Here's another porn flick about making a porn flick. Two supposedly straight actors, a male and a female, are brought onto an X-rated-movie set to do voice-overs while the fucking takes place, which is not quite how the dubbing process is done in real sleaze life. Neither of these actors, according to the storyline, has ever been on a scum shoot before. They are seduced by the passion and end up in a sweaty, hard-grappling, frenetic genital pump that ends the tape and is among its hotter scenes. Along the way, a longhaired guy licks a blond babe's butt ring, fills it with dick and shoots on her tits; nose and lips burrow through open pussy lips; Tanya Foxx straps on a fake dong and ramrods her girlfriend; and two petite pieces of poontang relieve a stud of his testicle load. Unfortunately, the camera insists on cutting away from plunging points of interest and focusing on behind-the-scenes boredom. The only thing missing from *X-citement: The Movie* is enough excitement. —*C. S.*

BREASTMAN'S ULTIMATE ORGY

Three-Quarters Erect. *Directed by Mitchell Spinelli; starring Celeste, Flame, Laurie Cameron, Valeria, Traci Prince, Arianna, Stephanie DuValle, Gabriella, Micky Lynn, Jonathan Morgan, Woody Long, Jon Dough, Joey Silvera, Jake Williams, Luc Wilder and Raymond. Videocassette: EVN.*

Jonathan Morgan is Breastman: a fitting title, since for much of this tape's non-sexual, "comedic" content, he struts around like a boob. Breastman's passion is videotaping big tits in action. Celeste offers him more than a lens-full as she smothers Woody Long in her sumptuous suckables, ultimately proffering her cleavage as a place for Long's penis to produce a pearl necklace. Breastman's hard-up cousin Dexter (Jon Dough) enters the proceedings next, stumbling into the scene that earns *Ultimate Orgy* its Three-Quarters Erect rating: Freckled firecracker Flame and adorably voluptuous Valeria bounce in bed together and then on Dough's bone. The two women exude a sexiness that is both endearing and ball-searing; their matchup is a classic. Dough dips into Irish-looking Micky Lynn next; then Morgan and Jake Williams pop loads on Laurie Cameron's luscious casabas. Ultimately, the tape delivers a titular tag-team pileup: Traci Prince, Arianna, Stephanie DuValle and Gabriella go wild and seem to have a good time taking on the movie's male cast, including latecomer Joey Silvera. The orgy is okay, but Flame and Valeria offer *Breastman's* best, man. —*S. H.*

Backsides aside, ***Black Fire*** *fizzles.*

BLACK FIRE

One-Quarter Erect. *Directed by Spike Leigh; starring Stormy Shores, Janet Jacme, Lady Antoinette, Marisol, Tesla, Julian St. Jox, Lil' Mama Jama, Jimmy Zee, Davy Scarbrough, Hank Rose and Toby Dammit. Videocassette: Visual Images.*

Commonly accepted standards of physical attraction are disregarded in *Black Fire*. The first woman to take off her clothes—she's big and black with hanging, double-gallon chocolate-milk sacs—has the girth of a pork barrel, but her Jheri-curled mack man has no trouble licking her thigh-squeezed snatch and drilling her into a shimmering ebony blob of roly-poly dark lard. Some of the males, such as the two white dudes, are less appetizing, particularly since they pretend to be sleazier than they really are in a lame depiction of pizza-scarfing gangsters. Though everything is pretty bad in *Black Fire*, the acting and dialogue are remarkably so. Some of the picture's tits, sagging floppies with inert, pancake-size nipples, would also benefit from not being seen. One of these actresses is rumored to have once been a man; others look as though they may have once been women. *Black Fire* sputters out like a cigarette butt in a scum-running gutter. —*C. S.*

HOT LETTERS

FOR SHE'S A JOLLY GOOD FELLOW

Congratulations to HUSTLER for 20 fantastic years of publishing. You've opened my mind and the minds of others. In fact, I saw your latest issue at a friend's house last week during a birthday bash that looked like it had been created in the pages of your magazine.

Ron, a friend of mine from the construction crew, had organized a surprise 22nd birthday party for his wife, Karen. To ensure the surprise, he'd scheduled the event a week before her actual birthday. About 25 of us—guys and girls—waited in the living room until Karen came home from work. When we heard her GEO Storm pull up the drive, we killed the lights, hid behind the furniture and waited for the moment to spring. The car stopped. We heard the *clickety-clack* of Karen's heels coming up the narrow walk. The back screen door squeaked open. She was now in the kitchen, separated from us by only the swinging kitchen door. We waited. And waited. And waited some more. A good five minutes passed, but Karen still did not enter the living room.

We looked at Ron, who shrugged and moved to the door. We waited as he mouthed a silent *1-2-3*. On *3* we all burst through the door and yelled, "Sur—"

Our mouths dropped open.

"—prise!!"

The rest of the word spilled out of our mouths like dripping spit as we saw Karen sprawled on the linoleum floor with legs spread and skirt pulled up to her waist. The refrigerator door was wide open, the little light illuminating her furry twat. We looked at her, she at us. The only sound was the swinging of the kitchen door behind us. In her right hand she held a green zucchini lubed by soft yellow margarine that clung to the veggie like bubble gum sticks to a little girl's lips.

Her face turned redder than a well-fucked pussy; she jumped to her feet, laughing. "I didn't know I'd have an audience tonight," she squealed, chagrined at being caught. The dress she wore was just sheer enough to reveal the outline of a black bra underneath. Her skin was pale, which made her red lips glow like a freshly polished apple. She looked a lot like that cute white-bitch actress Bridget Fonda.

We were already pretty high on champagne and pot; so we weren't about to leave the kitchen until we saw how this scene played out. We handed Karen a glass of bubbly and toasted her taste in whipped butter. One by one we kissed the birthday girl's cheek and, as she got drunker, she started opening a lot more than her gifts. One of the gag gifts was a strap-on dildo. When she saw the eight-inch hunk of veined rubber, Karen said, "I always wondered what it'd be like to have a cock."

Any mouth that hadn't dropped after the margarine incident was now scraping the floor. Karen slid out of her red dress and, one leg at a time, stepped into the strap-on harness. There's nothing more confusing and exciting for the dick than the sight of firm, round tits and a hard cock on the same bod. Karen scanned the group. "Volunteers?" she asked.

Mitzi, a lean little slice of Jewish brisket, stood and started an impromptu striptease. My friend's suburban living room suddenly had the sight, sound and musky smell of a downtown peep show. Mitzi pulled her sweater over her head. She wore no bra, and her hefty boobs bounced as they flopped free. Her pussy even looked ready for love, with thick tufts of dark pubic hair shaved into a nifty heart pattern.

She dropped to the floor and walked on her knees to where Karen stood. With tongue extended, she tickled the tip of the fake prick with her licker and continued down the base of the shaft. My own dick tingled at the sight.

Mitzi stood and turned her back to Karen. The Jappy babe wiggled her crescent-shaped butt at the birthday girl. Some of the other honeys in the room were rubbing their boyfriends' crotches as the show began. Mitzi grabbed both ankles and bent over, her butt cheeks parting like the Pearly Gates awaiting Satan's fall. Karen bent her knees and tried to stick her dick inside the waiting cunt, but missed the bright-pink target, like most men do during their first dry run. When the dildo finally slithered through Mitzi's labes, Karen pumped like a man. Eight inches of rubber slid in and out of Mitzi, her cunt lips making the cutest sloshing sound every time Karen accidentally pulled all the way out. Someone was making a joke about vacuum-packed peanuts when I decided to join the fray.

"Do you mind?" I asked Karen's husband, pointing to his wife. After all, this was his party.

"Not at all," he winked, and whispered, "she likes it in the ass."

'Nuff said! I dropped trou and walked to the point of entry. The crowd applauded as my Lincoln Log popped into the fresh air; it was like the Super Bowl, only this game was exciting. I poised my stiffy near Mitzi's mouth. "Suck him, honey," Karen guffawed. I realized then how stupid guys sound when we fuck; that didn't stop me, however, from saying, "Yeah, eat my cock!" Mitzi's mouth consumed all five inches of me, all the way down to my balls. Every time Karen banged that dildo, Mitzi's tonsils scraped the head of my schlong. I wrapped my fingers

Jerry Falwell talks about his first time.*

FALWELL: My first time was in an outhouse outside Lynchburg, Virginia.

INTERVIEWER: Wasn't it a little cramped?

FALWELL: Not after I kicked the goat out.

INTERVIEWER: I see. You must tell me all about it.

FALWELL: I never *really* expected to make it with Mom, but then after she showed all the other guys in town such a good time, I figured, "What the hell!"

INTERVIEWER: But your mom? Isn't that a bit odd?

FALWELL: I don't think so. Looks don't mean that much to me in a woman.

INTERVIEWER: Go on.

FALWELL: Well, we were drunk off our God-fearing asses on Campari, ginger ale and soda—that's called a Fire and Brimstone—at the time. And Mom looked better than a Baptist whore with a $100 donation.

INTERVIEWER: Campari in the crapper with Mom . . . how interesting. Well, how was it?

FALWELL: The Campari was great, but Mom passed out before I could come.

INTERVIEWER: Did you ever try it again?

FALWELL: Sure . . .

lots of times. But not in the outhouse. Between Mom and the shit, the flies were too much to bear.

INTERVIEWER: We meant the Campari.

FALWELL: Oh, yeah. I always get sloshed before I go out to the pulpit. You don't think I could lay down all that bullshit *sober*, do you?

(continued from page 37)

When the dildo finally slithered through Mitzi's labes, Karen pumped like a man. Eight inches of rubber slid in and out of Mitzi, her cunt lips making the cutest sloshing sound.

around her heavy hooters, kneading them like pizza dough.

I pulled my peen from her oral portal and walked around to Karen's backside. What an ass! Round as a wheel and firmer than hard rubber. I knelt and peeled apart her cheeks to run my tongue along the cool, clenched goodness of her anus. She tasted sweet, like fresh cantaloupe, and I plunged my tongue deeper into her clean bung. With the crowd egging me on and the new Meatloaf album blaring, I stood and eased my cock between her cheeks, piercing the tight target, which closed around me like Scotch tape.

Her ass clenched my cock tighter as she pumped Mitzi's muff with greater vigor. We almost toppled over a couple of times until the three of us found our rhythm. Finally, we were in sync, locked in one glorious penis chain. My butt pumps forced Karen's fake cock deeper into Mitzi's poon. The crowd was cheering; I felt like I was back in high school leading our team to a touchdown.

I pulled out of Karen's ass, and her hole shrank to normal size. I swung my legs over Mitzi's bent back, straddling her slender hips. I was facing Karen, watching her tiny tits bopping. I blew across her chest, my sperm clinging like icicles to her sharp, red nipples. My knees buckled from the tickling sensations in my crotch, and the three of us collapsed to the floor. Mitzi licked the jizz from my donger and sucked her own juices from Karen's strapper. I promptly passed out and woke up an hour later with my asshole aching. What happened while I was out, I'd rather save for HUSTLER's 40th anniversary. I hope we both last that long. —M. R.

THE REVENGE OF THE 'NADS

Dealing with girls is not easy for most people. For me, it's impossible. My dad was killed in a freak snowplow accident when I was five; so it was just me and my mother. The accident made her overprotective and afraid to tell me about sex. I guess she didn't want to lose me. In fact, she never left me alone, even when I had to go to the bathroom. You know how embarrassing it was to be ten years old and forced to go pee in the ladies' room with your mom? Pretty rough, let me tell you. One day we were at this amusement park when I had to piss. Mom refused to let me out of her sight; so she dragged me into the women's restroom and pushed me into a stall. I remember hearing a woman peeing in the stall next to me. The trickle was so different; you know, so unmanly. I popped wood for the first time that day. I never forgot the feeling.

Today, I'm 24 and too shy to get close to women, and the only place I can get off is inside a women's bathroom. In fact, my life revolves around the toilet. I even got this job as night janitor at a department store so I could hang out in the girls' bathroom without anyone thinking I'm a freak. Because I'm not.

One night, I got this idea. I drilled a tiny hole in the wall separating two of the stalls, then set up camp in one of them. I had a liverwurst sandwich and a couple of beers and went to sleep. When the store opened the next morning, I woke up and crouched in position with my eye fixed to the hole, waiting for a babe to come into the other stall to relieve herself.

Lucky fucking me. The first chick who had to pee was a big-boned white gal with thighs the size of two new rolls of paper towels—and they looked just as soft. She unzipped her blue polyester skirt and slid it down to her ankles. Digging her fingernails under her panty waistband, she peeled the sheer hose down, exposing an ass rounder and whiter than a full moon. Deep, red marks dented her skin where the tight fabric had been positioned. She rubbed those indentations with her pudgy little fingers and scratched her ass once before she sat on the toilet seat. I peeped the top of her black pubic hairs and scoped her big white milk sacs, which jutted out from under a bright-red top. She looked like a '50s fashion model.

I clenched my dick, holding that sucker like it was my last thought. The first droplets of pee echoed refreshingly in the bowl. Then came the stream. The force of her urine was splish-splashing the water between her legs like a pretty postcard of a waterfall, only with sound. Finally, the stream ended. She stood to dab the final few drops clinging to her quim. Her hanging pussy lips wattled as the toilet paper soaked up the yellow dew. I had a boner strong enough to flush that toilet for her.

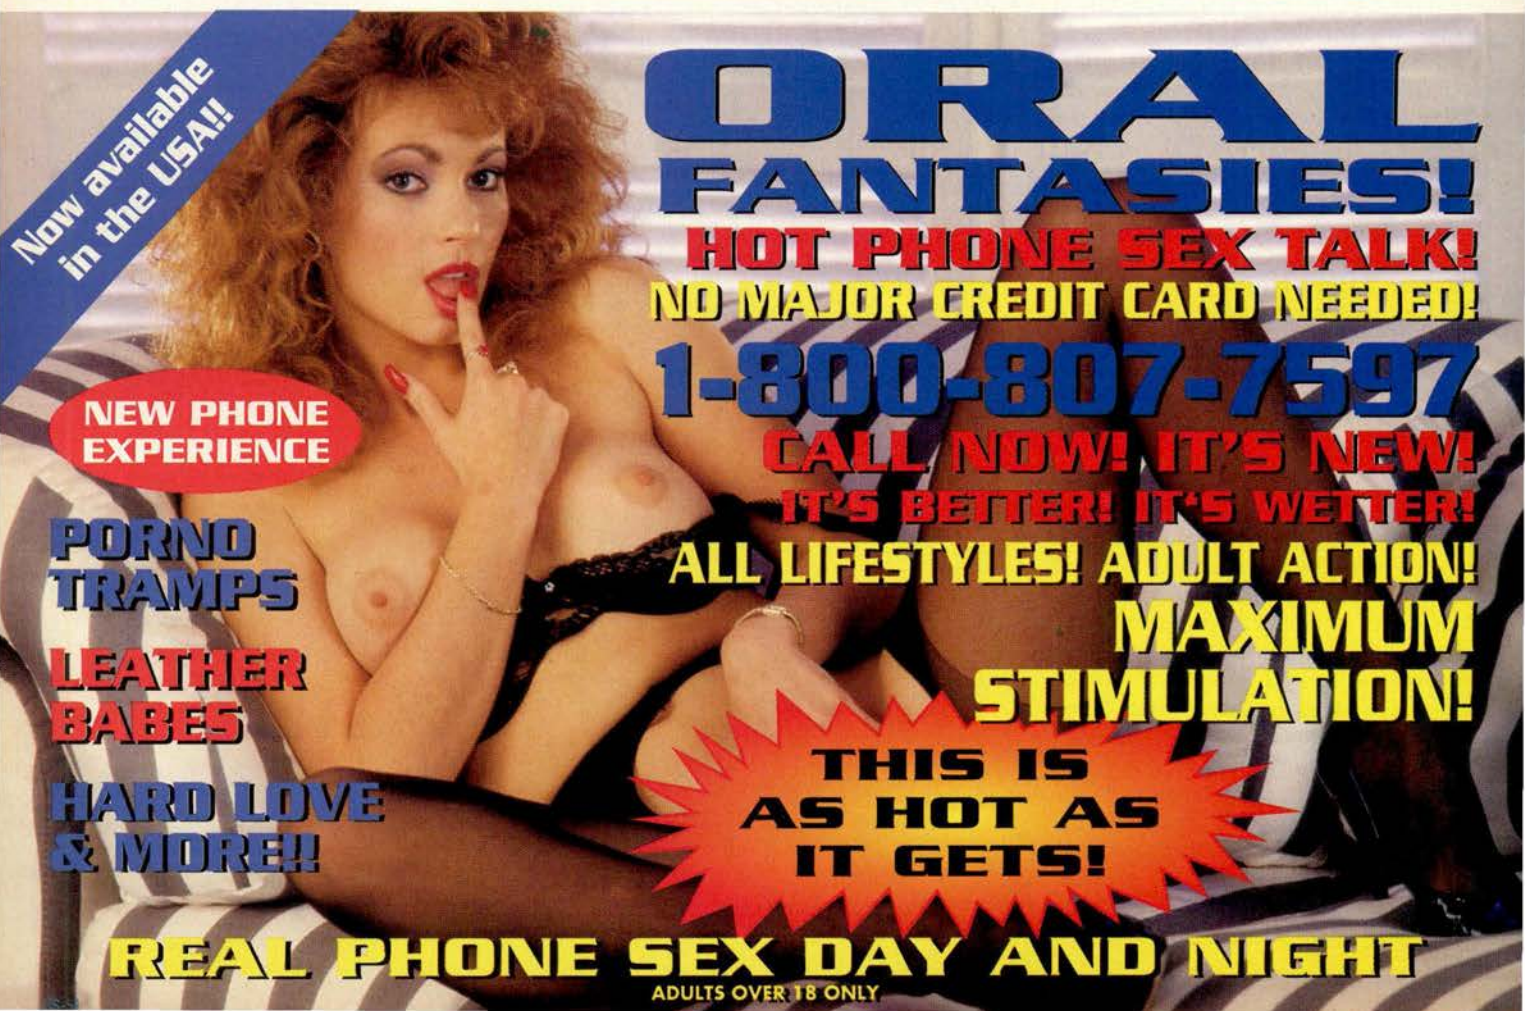

She dropped the paper in the bowl and bent forward to pull her hose back in place. The dark crack between her puffy butt cheeks opened and permitted enough light to reveal her pink pussy. Her slit

Larry Flynt defined obscenity in a "Publisher's Statement" in the January 1976 issue of HUSTLER by printing a ghastly photo from *Soldier of Fortune* magazine showing a murdered man whose head literally had been blown apart. "Not a move is made to suppress this gruesome type of material, because it doesn't go against the ultimate taboo of depicting sexual pleasure," Larry wrote. "Instead, magazines like HUSTLER must quibble with the authorities over the degree to which we can show people using and enjoying their God-given bodies. Could anything be more absurd?"

The fight persists. Despite protests from many government-aligned groups over the years, HUSTLER month after month presents an open forum of thought and twat, continually posing the question...

WHAT'S REALLY OBSCENE?

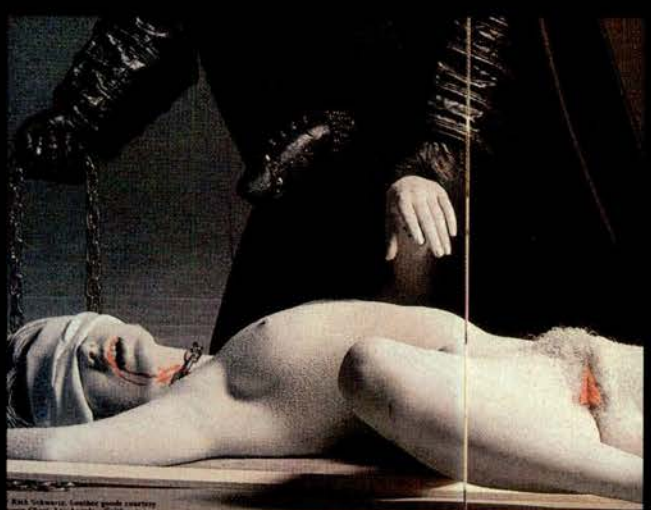

The full-bloom beauty of Marlene, our second pregnant centerfold, who shared her shapeliness in our December '82 issue...

OR

...the harrowing ordeal of battered kids, as first detailed by a men's magazine in HUSTLER's October '77 exposé *Child Abuse in America*?

The evocative *Rape of Justice* pictorial that appeared in our October 1978 issue...

OR

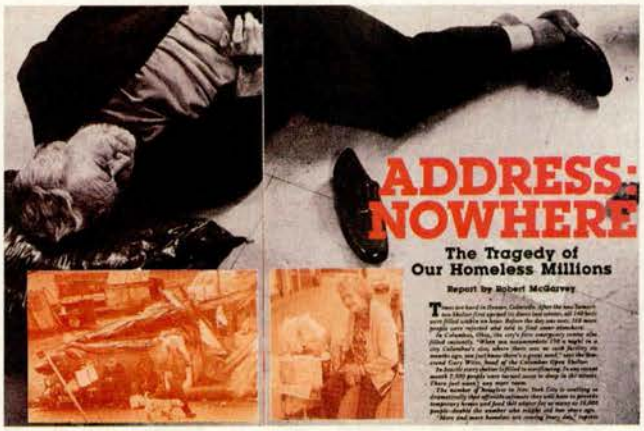

...government collusion in the assassinations of President John F. Kennedy and Malcolm X, reported by HUSTLER in October and December 1978, a decade-and-a-half before Oliver Stone, Spike Lee or any other Hollywood maverick reopened the conspiracy files?

WHAT'S REALLY OBSCENE?

The apocalyptic rutting of Mystiqua and Rob, captured among the ruins in November 1993...

OR

...the gruesome plight of America's homeless, revealed in *Feral People: Hell Beneath the Streets* (September 1981) and *Address: Nowhere* (February 1984)?

The golden-age pictorial of Helga, our third 50-year-old centerfold, who flashed her globes in June '85...

OR

...the degradation of our senior citizens, as chronicled in *Nursing Homes Disgrace* (March 1980), *The Abuse of the Elderly by Their Children* (November 1981) and *Elderly Confinement* (July 1990)?

The sharp-focus look inside sleek Australian import Deidre Holland, who proved to be a *Good Lay, Mate* in a February 1990 gatefold...

OR

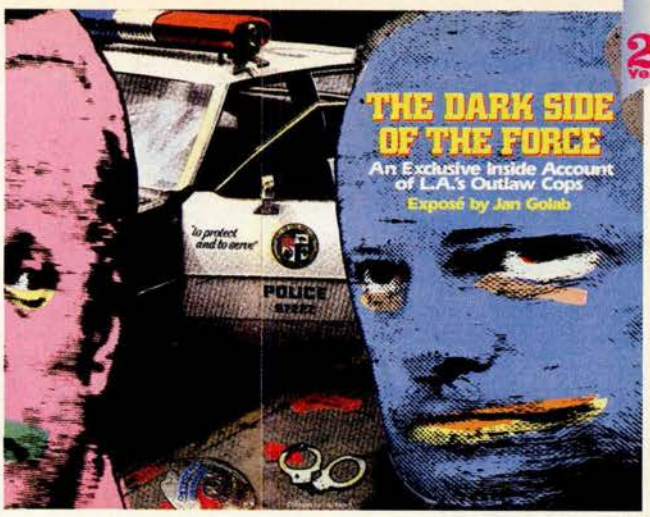

...the Haitian immigration crisis, depicted in the November 1982 article *America's Shame: The Haitian Boat People* a decade before the mainstream media lined up to cover this critical issue?

Susan, who showed the soft side of peacekeeping in *Police Sensuality* (September '81)...

OR

...renegade peace officers who take lawlessness into their own hands, as exposed in March 1985's *The Dark Side of the Force: An Exclusive Inside Account of L.A.'s Outlaw Cops*?

The exquisite behind captured by HUSTLER's Director of Photography James Baes for our February '85 cover...

OR

...doing hard time on a Death Row waiting list, as described in January 1991's *Dead Man Talks: A View From the Gas Chamber*?

HUSTLER's color-blind depiction of human sexuality, beginning in December '75 with the controversial *Georgia Peach* layout and continuing with Davina, Rob and Nichelle in September '93...

OR

...the cynical waste of a just-say-yes, taxpayer-financed drug policy, as disclosed in *Turning Junkies Into Junkies: America's Methadone Treatment Program* (May 1993)?

must've been three inches long, with lips moist and thick as taffy. I wanted to stroke free a load before this fish got away. I jerked my pipeline, but just before I blew, I accidentally cut a big, burly beer fart that probably registered on the Richter scale. I froze, hoping this would pass. But the gas was so manly, so out of place in this dainty, upscale women's powder room, I feared I'd blown my cover.

I sighed with relief when her toilet flushed. The sink ran, and the main door swung open, then shut. She was gone. I zipped up and opened my stall, ready to bolt, when I saw her. *Fuck!* My pissing Betty was standing against the wall with arms folded. "What the fuck are you doing, asshole?" she barked. She was bigger than I'd thought, sturdy in a sexy female-figure-skater way. She didn't give me time to explain before she pushed me backward into the stall. My head crashed against the side of the porcelain bowl. "You're gonna fry for this, fucker!" she sneered. Betty Boop pounced on me and slapped my face like a butthead Marine sergeant. Her arms flailed as I tried to block her punches. Then I heard her blouse rip open. Instinctively, I reached for her tit, grabbed the giant orb and gave that sucker a nasty, counterclockwise titty-twister. "*Yeoooouch!*" she screamed, and stood over me huffing and puffing with a look that reminded me of my mother.

The bitch closed the stall door and tore at my crotch. I swear to God, this perverted chick was raping me, mumbling shit like, "See how you like it!" under her breath. Her giant, flopping titties hung almost to the floor as she knelt beside me and pulled my peen into the open air. She dry-stroked my plunger and pressed her breast into my mouth. I was suffocating on a pound of tit when she pulled away, leaving a slimy line of spit connecting her nip to my lip. She turned her back toward me and pulled her skirt to the floor. That gamy butt stared me in the face. She stepped backward and drove her spiked heels into my palms like I was Jesus on the cross. I couldn't move. She opened her crack with one hand and spread the pink beneath her brunet fur before pouncing on my prong. Each gritty inch of her gash felt like a million needles pricking my prick. I never thought cunt would be such tickling torture.

She bounced hard, like my dick was a trampoline spring. All the while she was whapping her clit until she hopped off my cock and moved to my face. Her open trench hovered an inch from my mouth. She continued rubbing her clit like a caveman grinding sticks for fire, and with a major cry of relief, she shot clear liquid from her pussy. I knew the flow wasn't pee, because it tasted like that Cactus Cooler drink, only without the carbonation. It was like this chick was shooting jizz from a set of hidden balls. I was drowning in this cunt's juices, which overflowed my mouth. Finally, I worked my hands free and pushed her backward. She was eye-to-fucking-eye with my vision thing, and I stroked my slab until a squishy load of chowder squirted across her freckled face and up her cute little pug nose. The goo slowly dribbled down her lips and settled in the cleft under her chin. I didn't know whether to kiss her or run.

She rolled the goober with her tongue, mixing the milky Molotov with her own spit before hawking the slimy lugey back into my face. She smiled and gracefully kneed me in the ribs. "Fuck you," she whispered defiantly before zipping up and leaving. I guess I had it coming. I guess we all do.

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

TROUBLE IN THE GLAND

THE PLEASURE AND PAIN OF THE PROSTATE

by John V. Moran

• *November 21, 1993: Actor Bill Bixby, famous for his pivotal roles in TV's My Favorite Martian and The Courtship of Eddie's Father, succumbs to prostate cancer. First diagnosed in April 1991, Bixby's disease spread in spite of surgery, chemotherapy and the use of experimental drugs. At one point, Bixby was in such agony that, he admitted, "My prayer was that I would die in my sleep."*

• *December 4, 1993: Visionary and sharp-tongued rock-music icon Frank Zappa, who had continued composing despite the pain and exhaustion caused by his untreatable prostate cancer, is finally felled by the illness.*

• *January 22, 1994: Telly Savalas, the gruff, bald-headed actor who became a television favorite as the lollipop-loving New York detective in the 1970s series Kojak, dies in Los Angeles, California. Cause of death: prostate cancer.*

* * *

According to Armando DeMoya, M.D., and Dorothy DeMoya, R.N., M.S.N., coauthors of *Sex and Health: A Practical Guide to Sexual Medicine*, cancer of the prostate kills more men than any other cancer except that of the lung. It accounts for 15% of cancers among white males and 21% among black.

No male over 35 years of age is safe from prostate-gland disorders. The *New York Times* reports that Americans spend more than $3 billion annually on surgical and other treatment of prostate cancer and related problems. Cautions Dr. Benjamin Friedrich, a geriatric specialist from the University of Medicine and Pharmacy in Bucharest, Romania, "[Every man] between the ages of 25 and 45 faces a 90% chance of suffering from some kind of prostate inflammation."

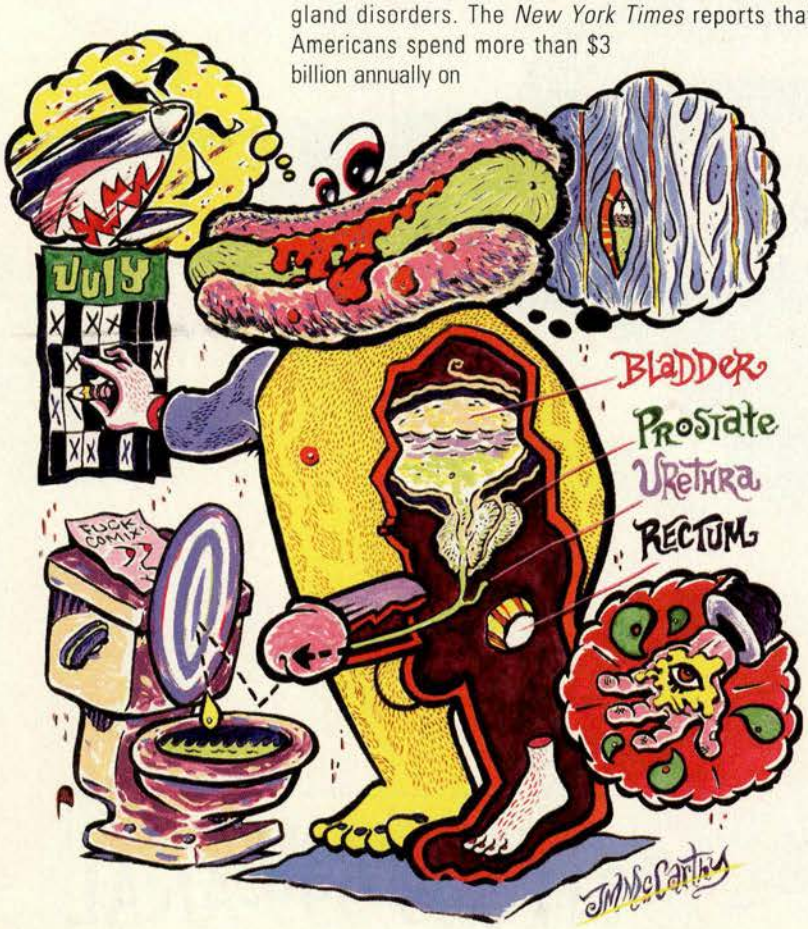

Illustration by J. M. McCarthy

The prostate gland, which is unique to males, is located below the bladder and surrounds the urethra, the tube through which urine flows. The ducts that carry sperm pass through the prostate. At ejaculation, the muscles in the prostate squeeze the embedded vessels, causing a fluid to be discharged that helps to transport and nourish the sperm. The prostate is dormant until the onset of puberty, during which the gland begins to enlarge and continues to grow until it approximately doubles in size, in preparation for its role in sexual reproduction. At about the same time the testicles are able to produce sperm, the prostate is mature enough to contribute to the seminal fluid that supplies the spermatozoa with nourishment.

Popularly considered the male equivalent of the feminine G spot—a point of special sexual pleasure—the prostate is highly sensitive to stimulation, especially when there is already excitement with erection. Many women find that a man's sexual arousal can be increased by simply massaging his prostate with a finger inserted into the rectum. The prostate can be stimulated less directly—but more easily and comfortably—by applying pressure behind the scrotum to the area between the back of the scrotum and the anus, in the valley of skin known as the *perineum*. The closer a man is to orgasm, the more likely he is to find prostate stimulation pleasurable.

Counterbalancing the prostate's capacity to provide pleasure, however, is its tendency to develop problems that are either simply irritating or deadly. Nearly half of all men over the age of 35 have an enlarged prostate condition, or benign prostatic hyperplasia (BPH). The exact cause of this disorder is unknown, but is thought to be hormone fluctuations.

A prostate enlarged by BPH can squeeze the urethra, which it surrounds, in a manner similar to pinching a straw. The subsequent interference in normal urine flow can cause discomfort and, possibly, bladder infection. The enlargement can also produce a sensation of irritation and a need to empty the bladder frequently. Straining to urinate may cause pain and the appearance of blood in the urine.

In the early stages of BPH, the bladder muscles force urine through the pinched urethra by contracting more powerfully. After repeated forceful contractions, the bladder muscles become thicker and oversensitive. As the condition worsens, the bladder cannot overcome the problem of the pinched urethra and thus cannot empty completely. This causes the urgent need to urinate more frequently. In some cases, the inability to void the

bladder can cause repeated urinary infections, a sudden inability to urinate and gradual bladder or kidney damage.

Prostatitis, a separate condition, is inflammation of the prostate gland, often caused by a bacterial infection. In an acute attack, a man typically experiences fever, chills and painful, frequent urination. Chronic bacterial prostatitis, a more common disorder, plagues many men over 50. The infection seems to disappear, only to reappear weeks or months later—a pattern that may continue for many years. Treatment for this type of prostatitis includes hot baths to relieve pain and reduce swelling, and the avoidance of spicy foods and alcohol, which can lead to irritation of the prostate during urination. In many men, inflammation of the prostate occurs without any apparent infection. The cause may be bacterial or viral microorganisms that have not yet been identified.

Dr. Armando DeMoya believes that a marked decrease in sexual activity can cause congestion of the prostate, resulting in prostatitis. During sexual arousal, fluid in the prostate increases. If a man frequently becomes aroused without ejaculating, the prostate can become congested with fluid, which in turn may cause inflammation. Congestive prostatitis is thought to affect many older men, who may be less sexually active than younger men.

Suggested treatment for prostatitis is a regular pattern of ejaculation—whatever is usual and most comfortable for the man and his sexual partner. This may be once a day for some men and once a week for others. Whatever the pattern, the point is that the man should ejaculate at fairly regular intervals.

Prostatic cancer often does not display symptoms until it has spread to other parts of the body, but there are certain signs that give males in their 30s and 40s ample warning of possible danger:

1. A weak or interrupted urinary flow
2. A frequent need to urinate, especially at night
3. A feeling that the bladder cannot be completely emptied
4. A sensation of hesitation or delay immediately prior to urination
5. An urgent feeling that immediate urination is necessary

These symptoms result from the effect of the condition known as BPH on the urethra and bladder. In the case of prostatitis with a urinary tract infection, an additional symptom may be burning or pain during urination.

Earl Mindell, Ph.D., R.Ph., author of the *Vitamin Bible*, believes that the best preventive medicine is a diet not deficient in the most important nutrient used by the prostate gland: zinc picolinate. Explains Dr. Mindell, "Most of the zinc in food is lost in processing, or never exists in a substantial amount due to nutrient-poor soil."

Denham Harman, M.D., Ph.D., Professor Emeritus of the Nebraska School of Medicine, agrees, "Some 90% of the population consumes diets deficient in zinc."

Studies by Dr. Hossain A. Ronaghy, associate professor of medicine at Pahlavi University School of Medicine in Shiraz, Iran, determined that a common condition among 187 sexually immature 20-year-old males was low zinc concentration in plasma, hair and red-blood cells. Sexually, the men's development was that of prepubertal children. Within three months, virtually all the men given a zinc supplement matured sexually.

The implication, although not yet verified, is that zinc is in some way essential to the male's capacity to utilize the hormone testosterone. When the mineral is absent, the hormone is not used, and eventually the testes produce less of it. The prostate gland is by far the richest source of zinc in a man's body and requires ten times more zinc than any other organ. Apparently, as the production of testosterone declines after the age of 35, an enzyme stimulates the production of other hormones that cause BPH. Studies confirm that when sufficient zinc picolinate is consumed, this enzyme is inhibited from contributing to BPH. Claim Drs. A. Leake and G. D. Chisholm in *The Journal of Steroid Biochemistry*, "Zinc picolinate can prevent the hormonal action that causes prostate enlargement."

Every man age 35 or older, as part of his annual physical, should ask his doctor for a digital rectal exam, also known as a DRE. The procedure is simple and painless. Typically, the physician requests that the patient bend over and bear down as if moving his bowels. It is easy for the doctor to feel the prostate gland through the rectal wall. The procedure puts a man in a somewhat humbling posture, but it is an important way to prevent the serious consequences of prostatic cancer. When caught early, the disease can usually be completely eliminated through surgery. The aftereffects of prostate surgery, in most cases, do not in any way reduce the enjoyment of sexual activity.

Modern medicine has made many advances in the treatment of prostate enlargement and prostate disease. If you need treatment, your doctor will have several possible options to discuss with you.

If you are over 50 years of age and have not had a DRE within the past few years, a prostate-specific antigen-blood-screening test is recommended.

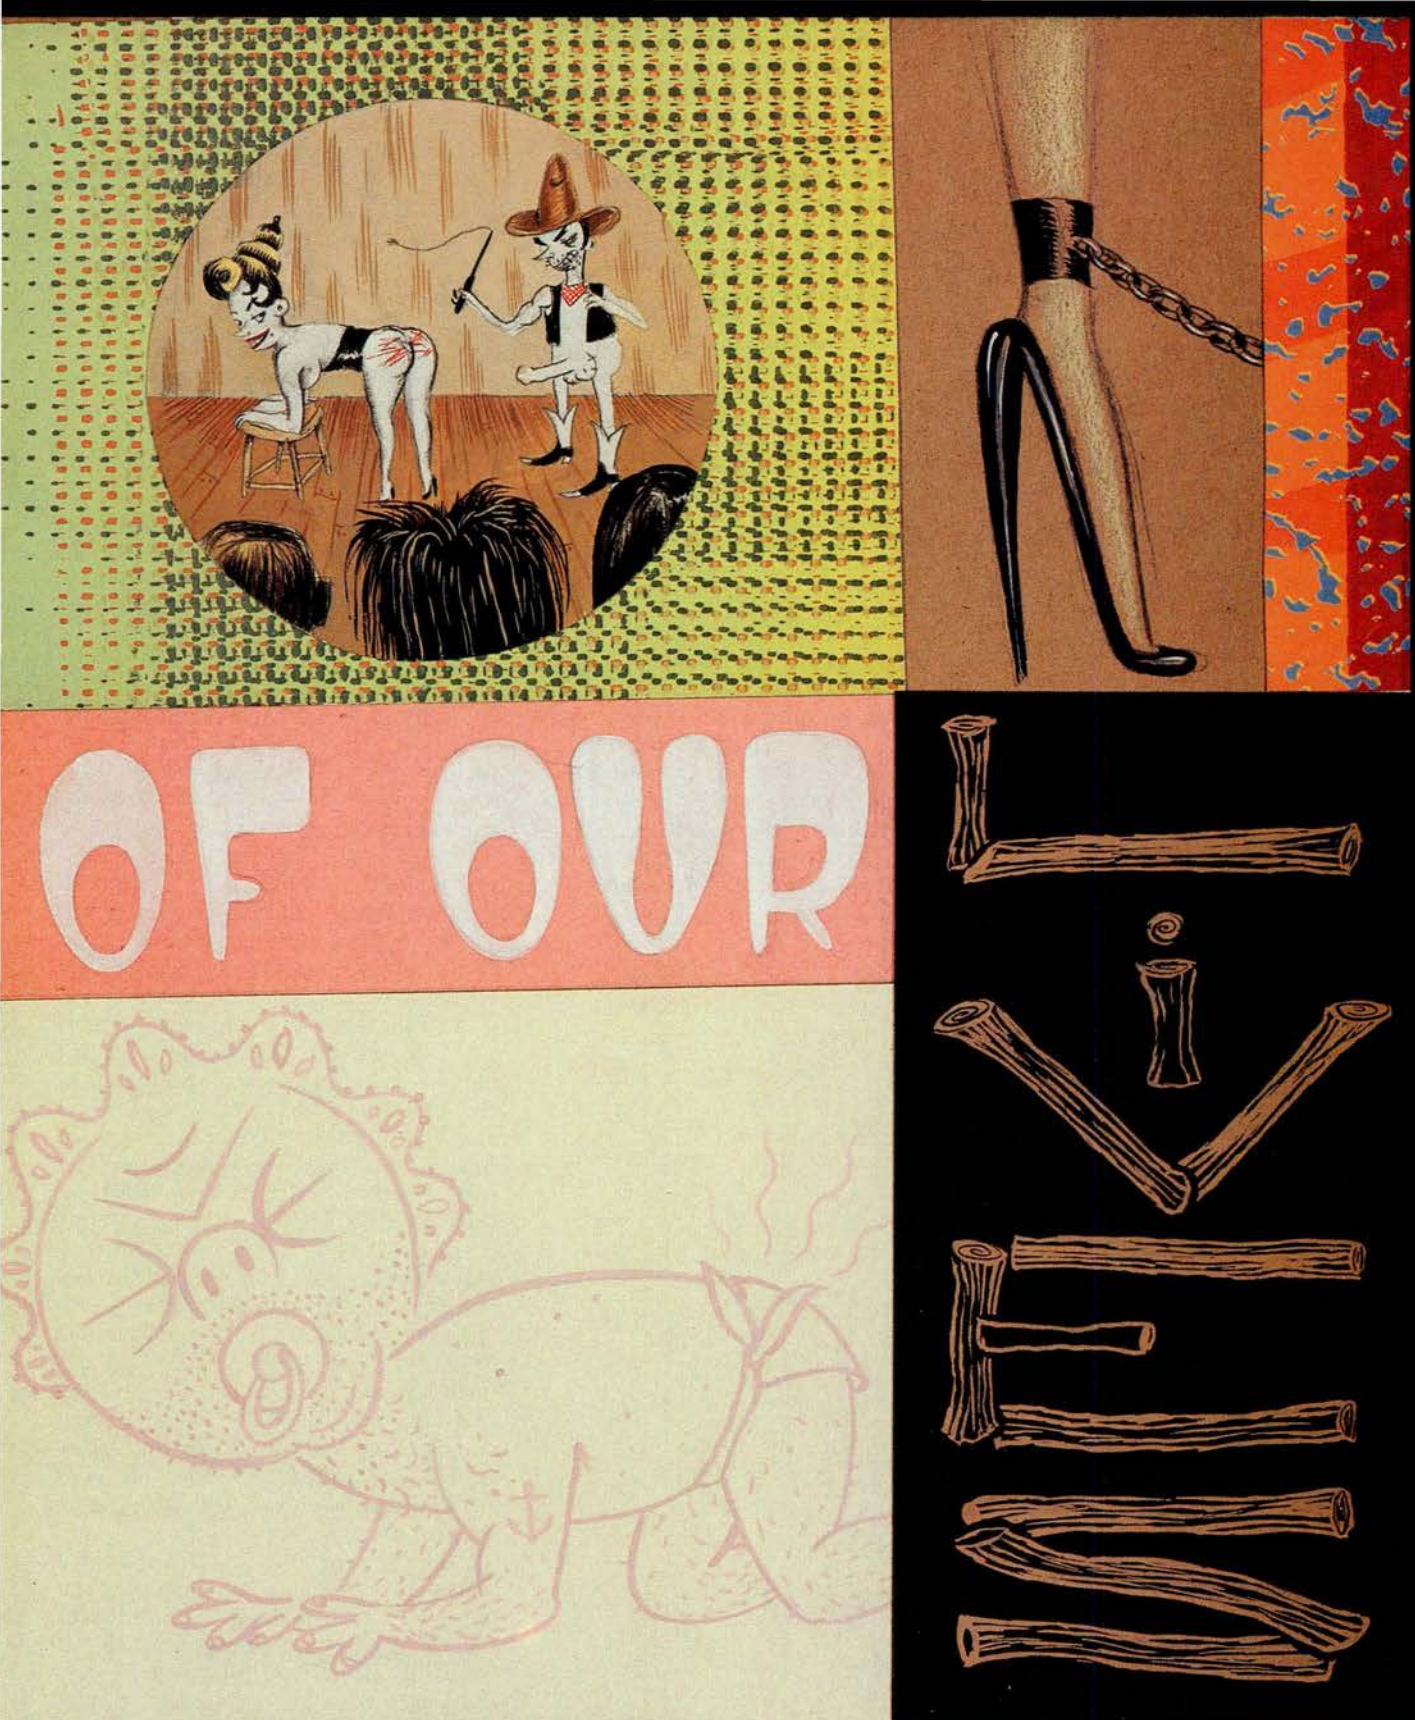

No one looks forward to a rectal exam, but we owe it to ourselves and our prostate glands and our loved ones to undergo one yearly.

The rest of the year? Take a multiple-vitamin supplement that contains the normal daily requirement of zinc.

20 Years of HUSTLER Probing the Sexual Frontiers

Kinks

"The one thing to remember about rimming is that both lovers should take a shower before engaging in it. A clean asshole and a questing tongue make for safe and happy anal antics."

Mr. X's pleasure may strike Mr. Y as perversion. How, Mr. Y demands, does Mr. X get off by having a female wrestler with steel-belt thighs mash her panty-wrapped quim into his face, sealing off air from nose and mouth, until Mr. X thrashes on the brink of both suffocation and ejaculation? ("Panty-Smothering Isn't Face-Sitting," HUSTLER Sex Play, September 1990.)

"That's fucking twisted!" exclaims Y as the pages of America's Magazine quiver in his outraged grasp. Aghast though he may be, Y cannot stop himself from reading more about the somewhat unusual sexual preferences of X.

* * *

Over the past 20 years, HUSTLER has explored kinks from anal fixations to boning barfers. *Normal*, as defined by excerpts from our coverage of outer-limits libido, can mean anything.

If HUSTLER's *Hot Letters* section is to be believed, a fondness for the female anus is the most common erotic aberration among males who write raunch for major men's magazines.

Although sodomy's allure has never needed to be spelled out for any regular guy, a common misconception, according to April 1979's *Sex Play*, "Anal Sex," is that women hate taking dick up the ass. Consequently, the thrust of most HUSTLER literature dealing with sphincter-probing is how to overcome a lady's unfounded fear of accepting prong in pooper.

July 1975's, "Anal Intercourse: Through the Back Door" suggests that a woman might be more receptive to "this difficult but forgiving form of sex play" if her man were to stretch out his own back door first, with the aid of some polymer implement or, "for the very adventuresome, your best friend's cock." This writer, who never worked for HUSTLER again, also contended that "some women like the odor and taste of fecal matter on their HUSTLER lover's cock—especially when she knows it came from her ass." The problem with such a woman is that she demands to be soul-kissed directly after she has tongued turd from her HUSTLER lover's rod.

For butt-fuckers whose sense of olfactory adventure is lacking, the nostril-hostile effects of shit-dick can be minimized: "If your cock comes out brown and stinking, don't worry. Wash the shit particles off with cold water (it's the best way to cut the stench) and then wash again with warm water and soap."

The magic solution of warm water and soap resurges in November 1976's "Enema Sex: Rising Tide." Though the enticing illustration for "Enema Sex" depicts a snaky nozzle wending its way toward the buttock trench of an idealized young lady, the copy insists that the male, due to the stimulation of his prostate gland, will receive greater sexual pleasure than the female through anal retention of a large measure of liquid during love play. The overview of lavage lust recommends the joys of blowjobs, handjobs or straight fucking undertaken while "the solution massages your prostate gland."

As for the lady of the hose: "Although she lacks a prostate, she will nonetheless experience a unique sensation." According to 23-year-old Kathy: "He fucked me slowly as the water gradually filled me up. I closed my eyes and imagined the nozzle was another cock, shooting an endless stream of jism into me. I remember vividly the feel of Chris's cock and the solution on either side of the thin wall that separated them. Chris could feel the water against his cock also."

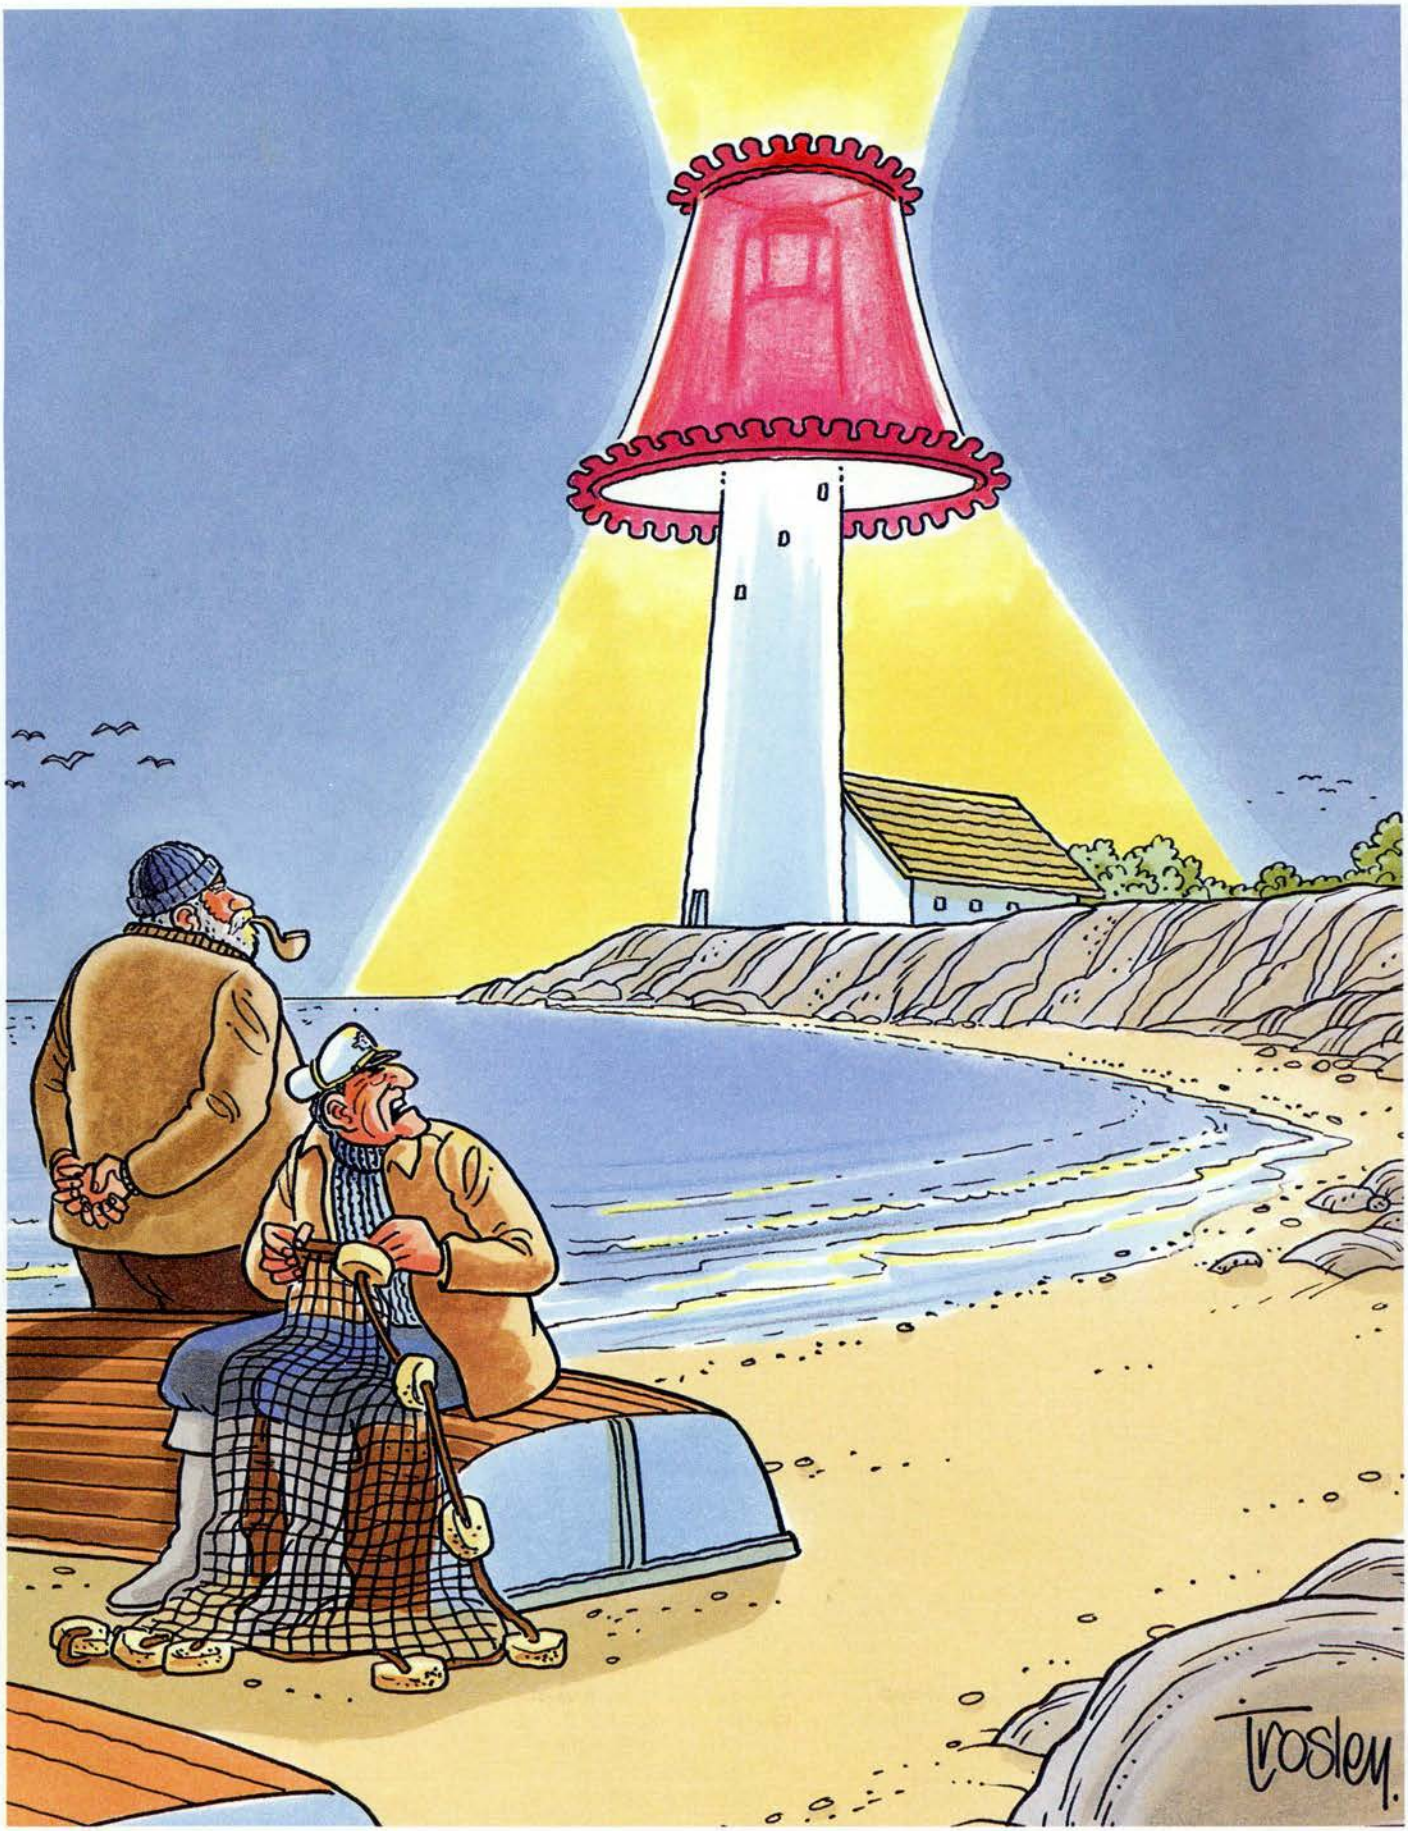

Enema sex makes for the cleanest asshole possible, which unnaturally leads to "Rimming: Licking a Taboo," the *Sex Play* from June '80. HUSTLER had defined *rimming* in July '75 as "licking the circumference of the asshole, sucking it and pulling the tiny hairs that grow around it with your teeth. The anus—just as the vagina—secretes a fluid as excitement increases."

The 1980 *Sex Play* acknowledges that "not every woman is going to beg her lover to lick her asshole." Still, this profound and nasty sexual experience is enjoyed by millions. "Initially," the *Sex Play* goes on to say, "[anilingus] may seem less than attractive, but as an understanding deepens, it often seems a perfect way to express the intoxication of love. Love is extreme. Love expresses itself in extreme ways and gives incalculable pleasures." A toilet-paper-flecked shit ring should not be part of the equa-

"A threesome with another man is a perfect opportunity to do everything for a woman she ever wanted. Nonstop fucking, one after the other, until she has come as many times as she wants."

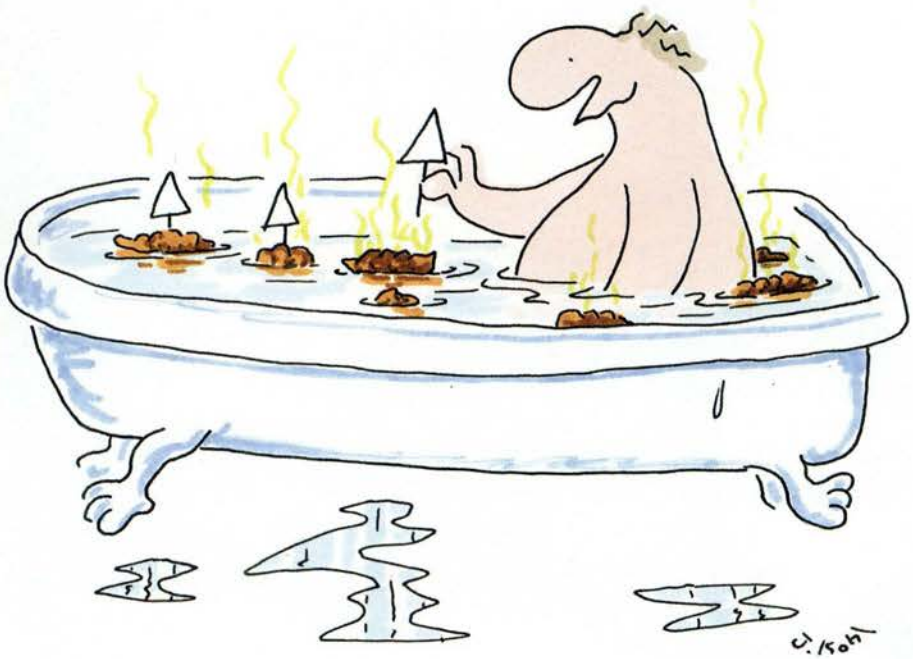

tion, however. "The one thing to remember about rimming is that both lovers should take a shower before engaging in it. A clean asshole and a questing tongue make for safe and happy anal antics. Honey, jams, jellies and even alcoholic beverages applied carefully to the hind slit can make for a truly appetizing asshole." As if artificially sweetened sphincters are not motivation enough, wedging a tongue into your soulmate's bunghole applies a certain leverage. "Under these circumstances, anal intercourse seems almost mandatory."

No less compelling is an obsession with "The Unique Thrills of Threesomes," as laid out in December '75: "If you haven't been to bed with two women—or with a woman and another man for that matter—you might think of yourself as a virgin, possessing an innocence that has yet to be overcome. Overcoming that innocence can be a delight to surpass the loss of your original virginity."

The curvy, downy, shifting, pussy-rich configurations that caress, suck and clasp any male lucky enough to be the filling in a two-broad sandwich are readily imagined by even the most inexperienced seeker of erotic delights. But what about sharing a chick—especially one who is a cherished girlfriend and not just some cum-drunk slut—with another dick?

"Most men," according to HUSTLER's scribe, "find it a bigger step to accept another man in bed with themselves and their wife or girlfriend. Not only do you have to deal with jealousy and possessiveness, but also with bisexuality." The key to taking the leap into double-prong assault is to keep in mind that much of a man's satisfaction in sex comes from enjoying the woman's pleasure. "A threesome with another man is a perfect opportunity to do everything for a woman she ever wanted. Nonstop fucking, one after the other, until she has come as many times as she wants. Two people massage every part of her body, one rests while the other continues, on and on. And when it's over, she can go to sleep between two men, comfortable and secure between loving bodies.... She will become more tolerant of your faults, more comfortable about your having sex with other women, and more willing to have threesomes with another woman."

Having gotten her in the mood, pick up the January '76 HUSTLER and consult its *Sex Play*, "Planning the Ultimate Orgy." Silvia, the Emily Post of orgy hostesses, insists: "There are a lot of important things [in arranging a successful bacchanal], but the guest list is the most important. You've got to have the right mix of people." Silvia suggests a group of about 35 gropers, evenly divided between men and women, half singles and half couples, with each guest knowing about ten of the participants, but being newly acquainted with the remaining partyers.

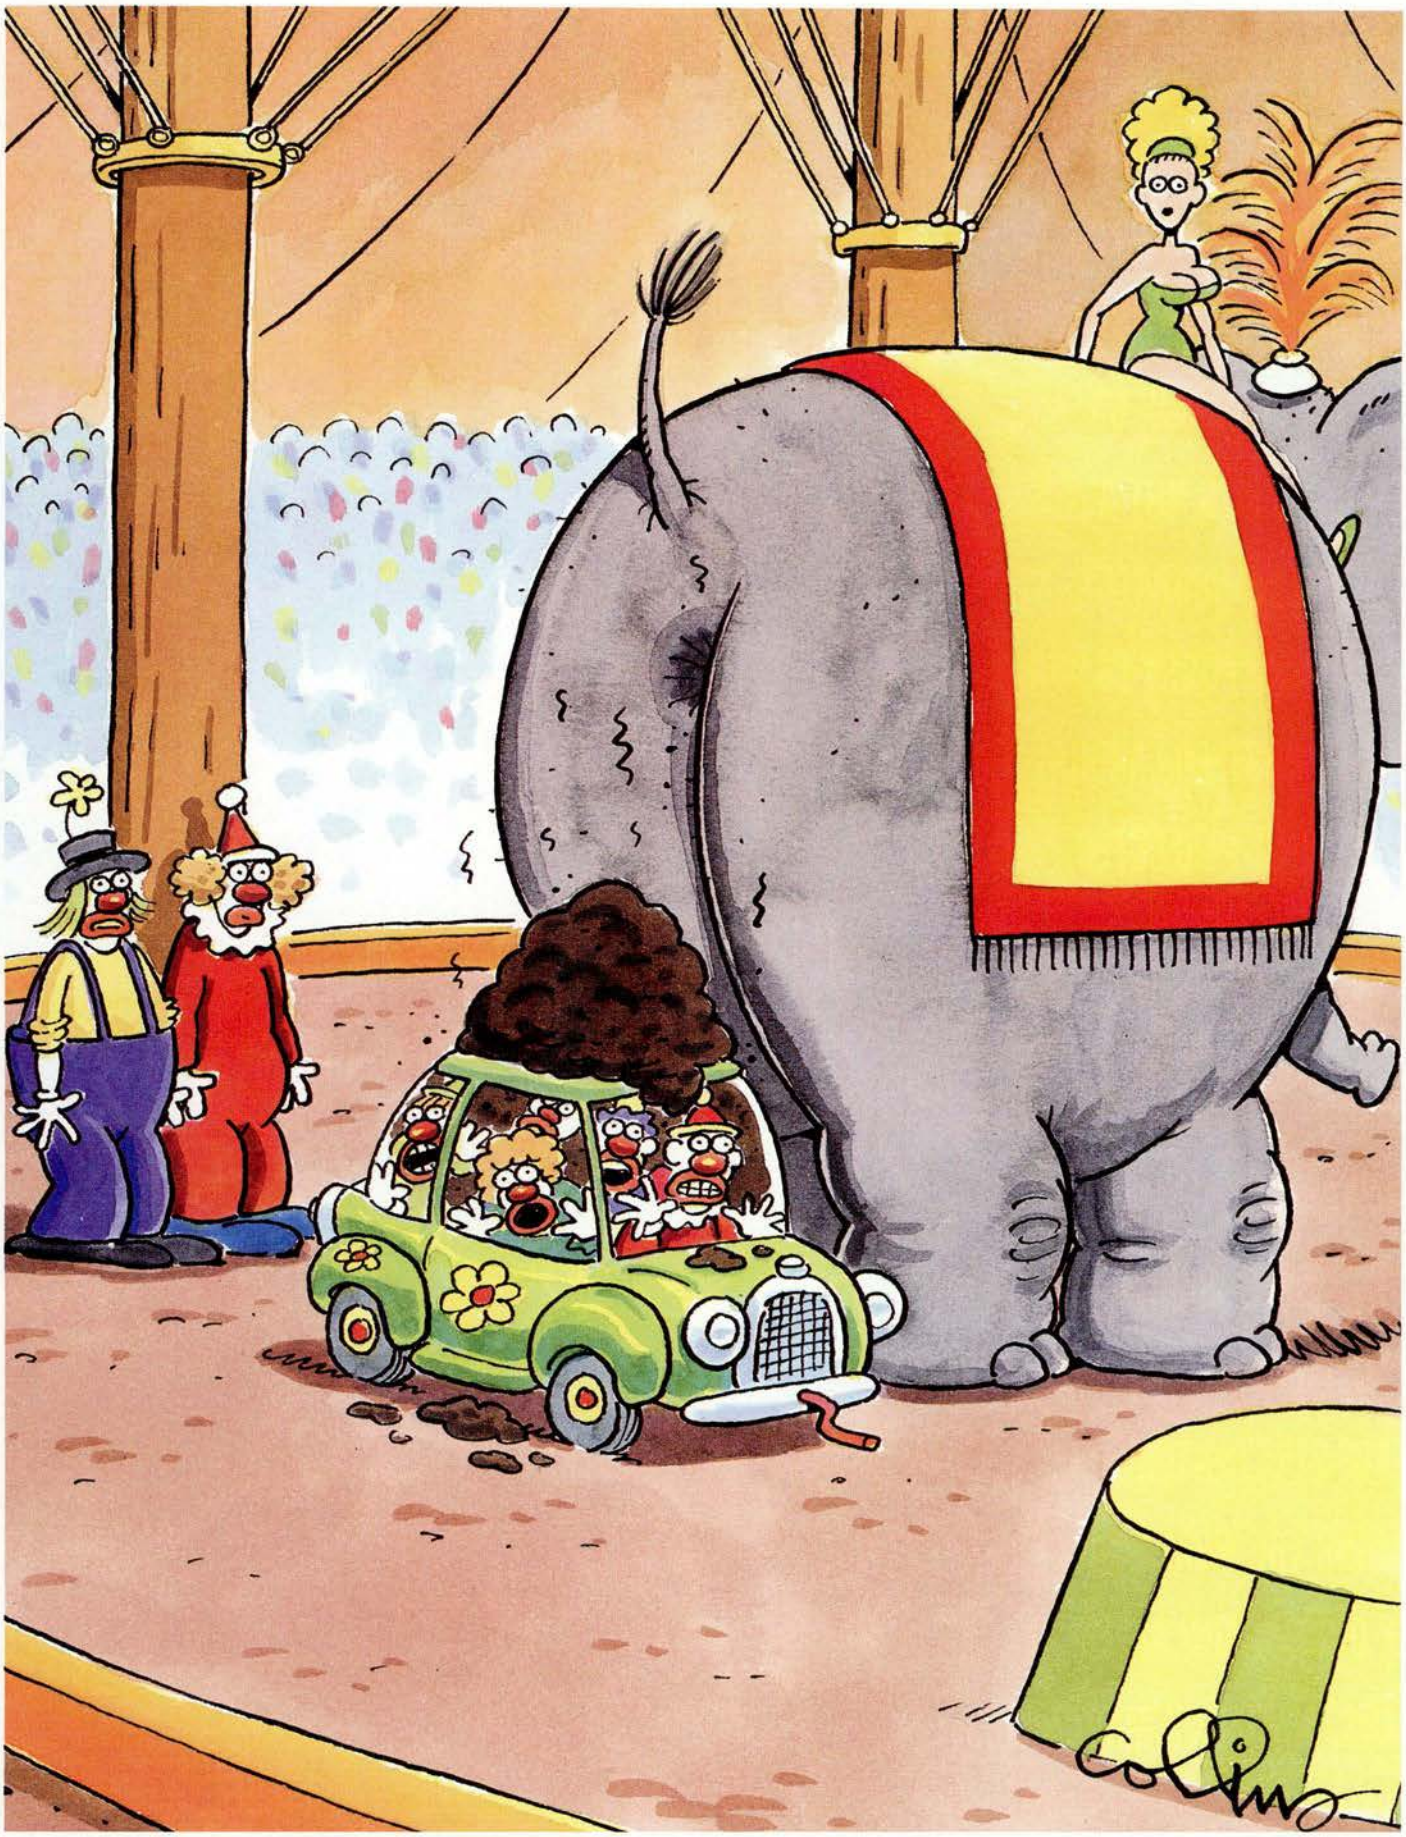

Invitations to Silvia's parties don't arrive nearly often enough to satisfy the typical erotic epicure's appetite. This social void in part accounts for the popularity and profusion of mate-swapping clubs and swinger-contact publications, as chronicled in such HUSTLER features as *The Swingers' Magazines: Mail-Order Sex* (September '76), *Perfect Strangers: America's Swinging Mate-Swappers* (August '84), *The Swap and the Pendulum: Swinging Comes Back Big* (September '88), *The World's Biggest Swing Party: 2,000 Liberated Adults Flaunt Their Freedom at Lifestyles '88* (February '89), *Sex Play*'s "Plug Into the Network: Inside the Swing Set" (December '91), *Thad's Sin Shack: Doin' That Sleazy Swing Thing* (January '92) and *Swing Low: Hung Up at the Ultimate Fuckfest* (May '93).

Swingers are as varied as any other group of enthusiastic fuckers; the extreme fringe is represented by an advertisement from a sex-exchange catalog called *Unreal People*: "This cocksucking, cum-drinking cunt is available to all good-looking, well-built studs. She also desires couples and bi females. She wants all of her holes filled, with others waiting their turn. Let's gang-bang her! Nothing is too kinky if you are good-looking. Will fuck and suck all. This slut swings alone or with hubby. She loves to party and dress the part; so don't be shy. Only the serious need write."

Though the average swinger is less debauched than "this cocksucking, cum-drinking cunt," most are every bit as serious about the benefits of their sexually open lifestyles. Many believe that their marriage bonds are strengthened through swinging. For a large segment of the swing population, the sex becomes almost secondary, with the experience as a whole promoting friendship, sharing and a deeper understanding of life. Newcomers to the scene commonly sense that "they've found it"—a realization akin to a religious experience.

To get a bang in front of other people without joining the swing congregation, consult HUSTLER *Sex Plays* "Making Love in Public Places" (June '76) and "Exhibitionism: The Flashing Fetish" (October '89). These cautionary tales warn the novice flasher that the law-enforcement establishment frowns upon private acts being conducted in plain sight, often charging drive-by jerkoffs and elevator lovers with inde-

cent exposure, lewd behavior and creating a disturbance.

It's much less criminal, and far more nutritious, to stay home with a milky mama, as described in October 1979's "Lactating Ladies." Several men, most of them fathers, have sucked their wives' leftover milk, direct from the udders, long after the children have been weaned. Nipple sipping "has at last come out of the closet and is being recognized more and more as a harmless and wholesome erotic practice."

Not any less wholesome or erotic, but a good deal more aromatic, are the ticklish activities covered by March 1977's "Foot and Shoe Fetishism: Sex Below the Ankles" and March 1988's "Feet-Nomenon." Foot worship is a multifaceted monomania: "While clean feet may be appealing to the masses, many slaves prefer to lick their mistresses' dirty, smelly feet. The pungent odor of sweat and the blackness of the soles is like manna to them. Then there are those who are partial to beat-up sneakers, possibly with toe holes gaping open. The subject of toenails stirs many strong opinions. Many demand 'virgin' toenails, unsullied by polish, while others think this is about as exciting as a scrubbed woman without perfume or makeup. Long, slender toes or short, webbed digits; frail fine feet or a stronger tread...."

The dizzying array of ped options is matched by the variations on the deceptively basic spanking. As evidenced by February 1977's "The Erotic Art of Spanking (loving by the seat of your pants)," September 1979's "The Affluent Spankers," October 1990's *Slap Happy: Spanking Builds Better Boners* and April 1992's *Hit Me! It's Halloween!: Trick or Treat With the Spanking Elite*, the spanking cognoscenti breaks down into several subsets. Paddles, whips and hairbrushes, or bare hand only? Does the guy swat exclusively, or does he offer his buns for toasting? In bondage? Over the knee? Skirt up? Skirt down? Panties? Naked ass? Wet cheeks? Dry loaves? Foreplay or the main act itself? There's a lot to think about with spanking.

Only S&M (sadomasochism) and B&D (bondage and discipline) have had a greater hold on the HUSTLER thought processes. "Glory Bound" (September '77), *Dr. Gini Graham Scott: The Weird and Wild World of Erotic Dominance and Submission* (March '85), *Confessions of a Feminist Sex Slave* (March '87), *The Slave Game* (December '88), *A Walking Tour of S&M Clubs* (May '88), *I Was a Slave for a Day in a B&D Inferno* (June '90), *Mistress Lilith: A Lady of the Lashes* (April '92) and *School for Scandal: Mistress Ava Spares No Rod* (November '92) show what's been on our shackle-happy minds. In our defense, a running theme in our litany of sexual power-playing is that all participants are voluntary, and everybody is getting off, whether on top, on bottom or tied up and watching from over in a corner.

Also heard lisping and whining, "We're not hurting anybody," are the subjects of the HUSTLER Interviews *Confessions of Men Who Dress Like Women* (November '83) and *Big Babies: The Fetish of Infantilism* (December '83). Both the big babies, who loll about in man-size diapers crying for Mommy, and the dragsters insist that they are not perverts; in fact, they are not even fags. These dress-up fetishists merely get off on the feel of fabrics and I-just-shit-my-Huggies regression.

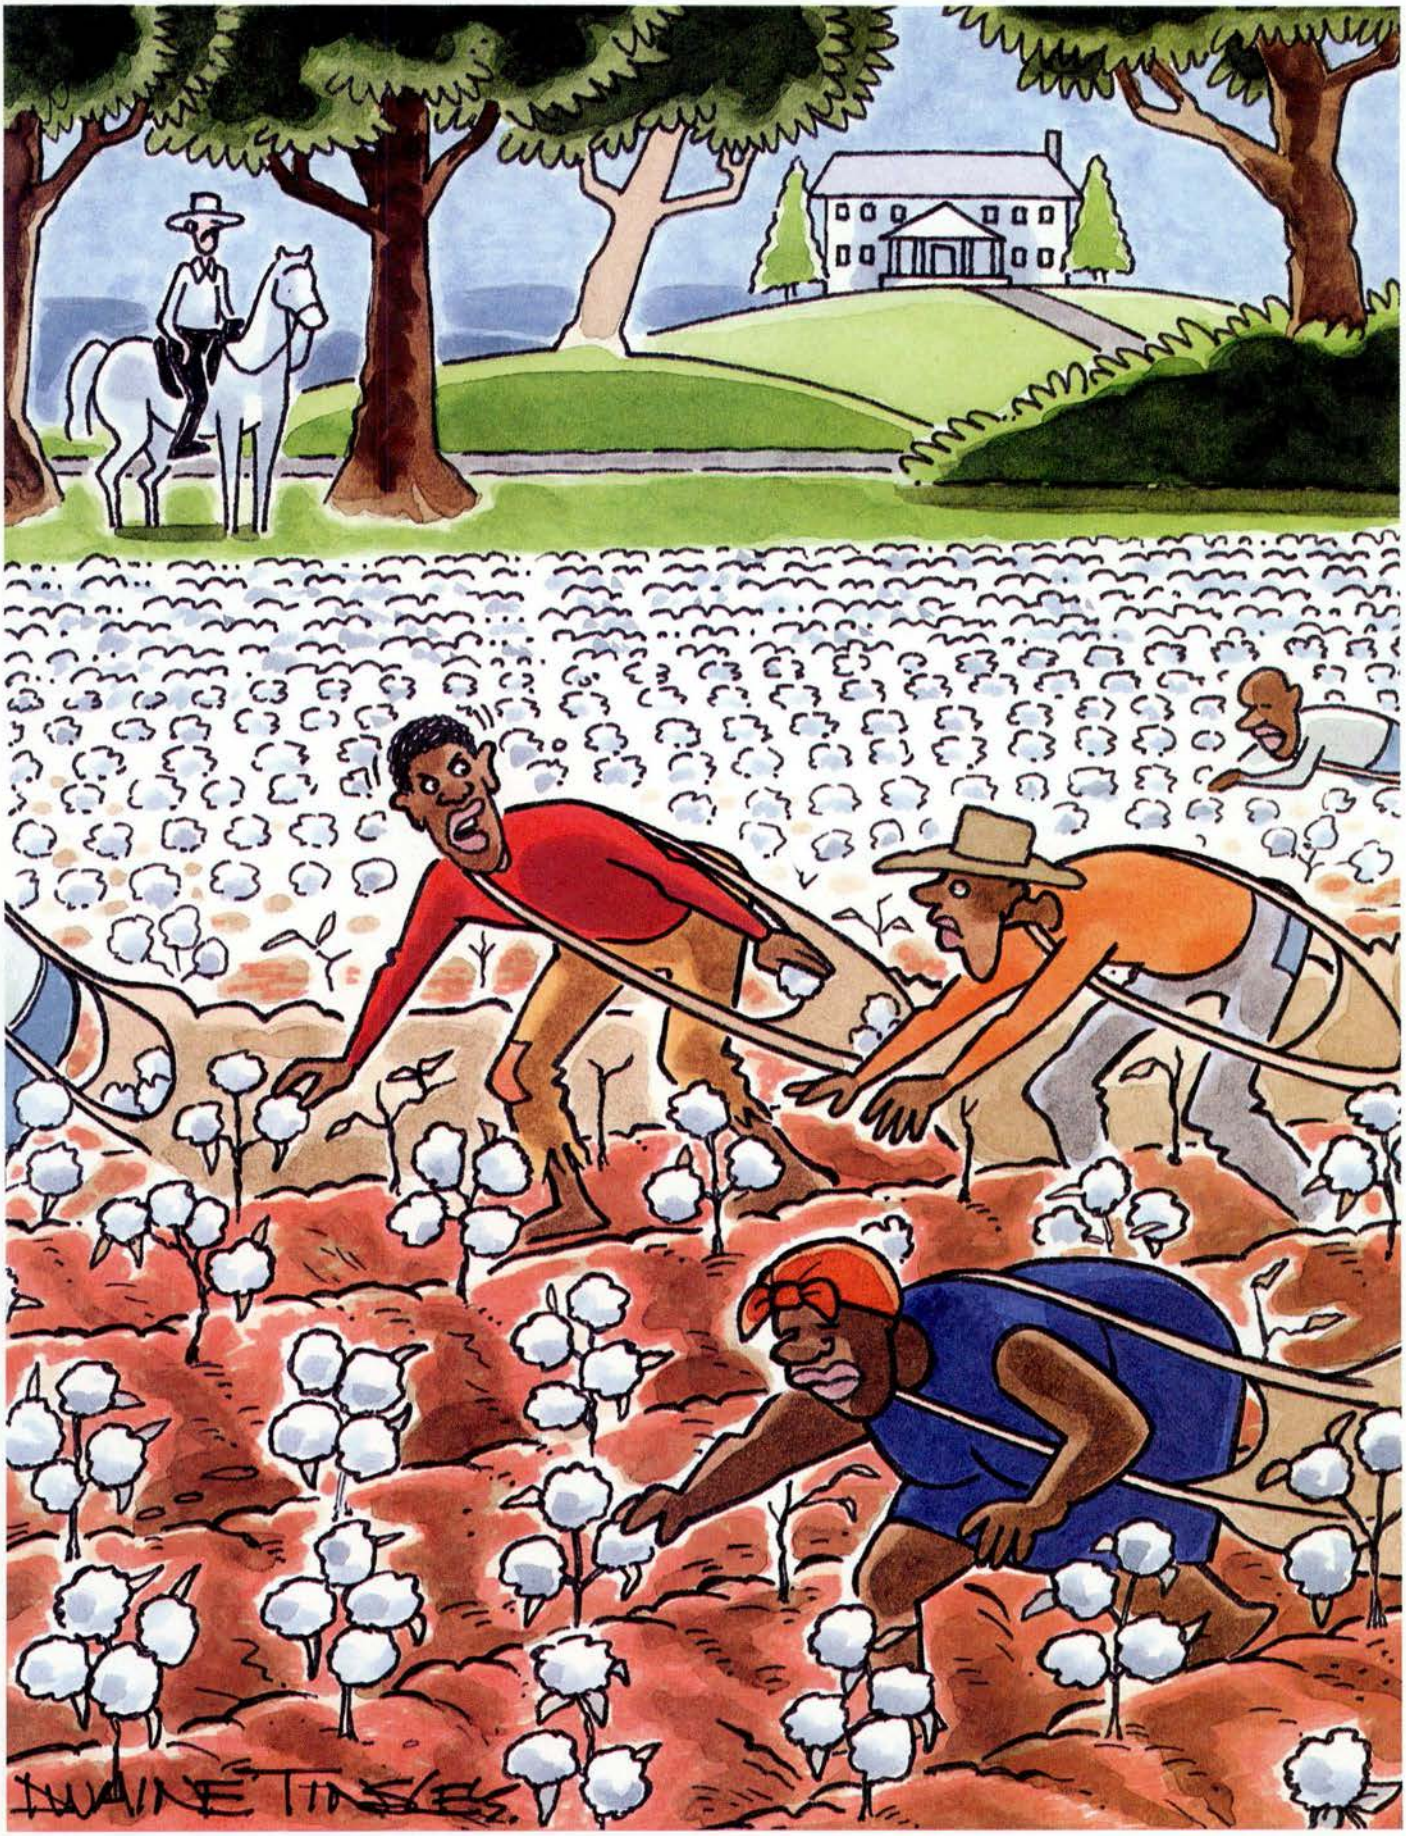

For truly appalling sexual antics, consult *Perverts Unanimous: Weird Sex Cults* (April '90) or *Fucking Sick: Casing the Psycho-Sexual Case Study* (July '90). Shit-eaters, pederasts, autoerotic asphixiators, mattress-stabbers, pus-suckers, chicken-fuckers, corpse-rapers and a lawyer who squashes live flies on his penis while he masturbates—all are presented under First Amendment protection. Gushes Karen Greenlee, an admitted and convicted necrophiliac (and the subject of *The Girl Who Had Sex With the Dead*, April '83): "I find the odor of death very erotic. When you lie on some bodies, blood comes out of the mouth. Sometimes you can get blood out of the incisions if they haven't put incision sealer into the body."

Not to be outdone by Ms. Greenlee, an anonymous and lonely member of turd-gobbler fraternity Jack's Number Two enlists the crap club's newsletter, *The Shit List*, to advertise: "Crud-hungry gourmet: I'm anxious for organic feedback from other hot turd factories. Fantasies, fetishes, tubs of bladder brew, hot shit chutes pumping out hard dark chewy ass candy or warm piles of dark brown slimy cream. Let's lap it up. My favorite music is a slow sloppy rank fart. For snacks there's always a gooey green wad of snot, or the scrapings off your cheesy cock on a cracker. Life's a banquet, right?"

Feel like puking? Well, that brings up the *Sex Play* from August '93: "Boning Barfers: The Joys of Chicks Who Blow Chunks." *Bon appétit.*

"Our married life has improved considerably since Marge passed away."

"Payback's a-comin'. 200 years from now we'll sell 'em drugs and make their daughters ho's. Then they'll be <u>our</u> slaves!"

Examinations of the Family of Love youngsters uncovered boys with rectal excoriations and nine-year-old girls with torn hymens and flayed vulvae.

The fatal drug-induced seizure of *Stand by Me* film star River Phoenix on Halloween morning, 1993, in Los Angeles, California, appeared in the national news alongside reports of raging fires in Malibu and the death of movie director Federico Fellini in Rome. Since early September, newspapers in London, England and Buenos Aires, Argentina had been headlining a story that directly concerned the young actor, but was missing in the American press: a police raid on the Argentina compound of a radical religious cult called the Family of Love, formerly the Children of God. Phoenix's father, John, was a one-time leader of the cult, and River had spent much of his youth as a member.

The search of the cult's headquarters uncovered videos and magazines featuring children engaged in sex acts with adults. Also seized was a Family of Love-sponsored book for children titled *The Life of Little David*, a tale of sexual initiation written in the form of a Bible parody. Approximately 137 children were taken into protective custody, and 98 adults were detained for interrogation.

With little fanfare, the American TV news show *Prime Time Live* broadcast portions of sexually explicit videos produced by the Family of Love.

"We had to edit the [Family of Love videos] very carefully," states *Prime Time Live* correspondent Fred Francis. Allegedly, the tapes show minors repeatedly engaging in intercourse and adult members of the Family of God participating in sex orgies.

* * *

David "Moses" Berg, founder of the Children of God, introduced widespread sexual promiscuity as a keystone of religious expression among members of his cult in the 1970s. According to Family of Love bibliographer W. Douglas Pritchett, Berg described God as a pimp in a memorandum to his disciples. Pritchett claims that Berg professed to have had sexual encounters with goddesses and to have personally visited hell.

In a typical rant in 1968, prior to founding the Children of God, Berg declared war on what he called the "hypocritical old bottles of the religious system who were lined up on the backseat," whereupon he swore to cast in his lot with "outlaws, drug addicts and maniacs."

In 1978, the Children of God changed its name to the Family of Love, enabling the cult to continue to operate in Argentina after the Children of God was banned from the country. By that time the organization boasted approximately 250,000 converts in 60 countries.

As the movement grew, Berg's teachings—detailed in memorandums to his followers—turned increasingly bizarre. Berg believed that the Comet Kohoutek would destroy America, claimed that a pyramid-shaped city lay inside the moon and professed to be guided by the spirits of Rasputin, Martin Luther, Douglas MacArthur and the Pied Piper.

Berg's eldest daughter, Debra Davis, quit her father's cult in disgust.

"My father was involved in incest with his own daughters, myself and my sister," claims Davis. "It was child abuse—sex, sex, sex. There is nothing sexual [the cult] hasn't practiced."

* * *

The news-service syndicate Reuters reported on September 5, 1993, that following the police raid of the Family of Love headquarters in Argentina, physical examinations carried out on the allegedly sexually mistreated children turned up no signs of abuse.

According to a September 11, 1993, story in England's *Manchester Guardian*, however, examinations of the Family of Love youngsters did in fact uncover boys with rectal excoriations and nine-year-old girls with torn hymens and flayed vulvae. Those physical examinations, plus documents seized in the raids and psychological tests of the children, became the basis for legal charges against the sect, according to Carlos Villafuerte, a prosecutor in the case.

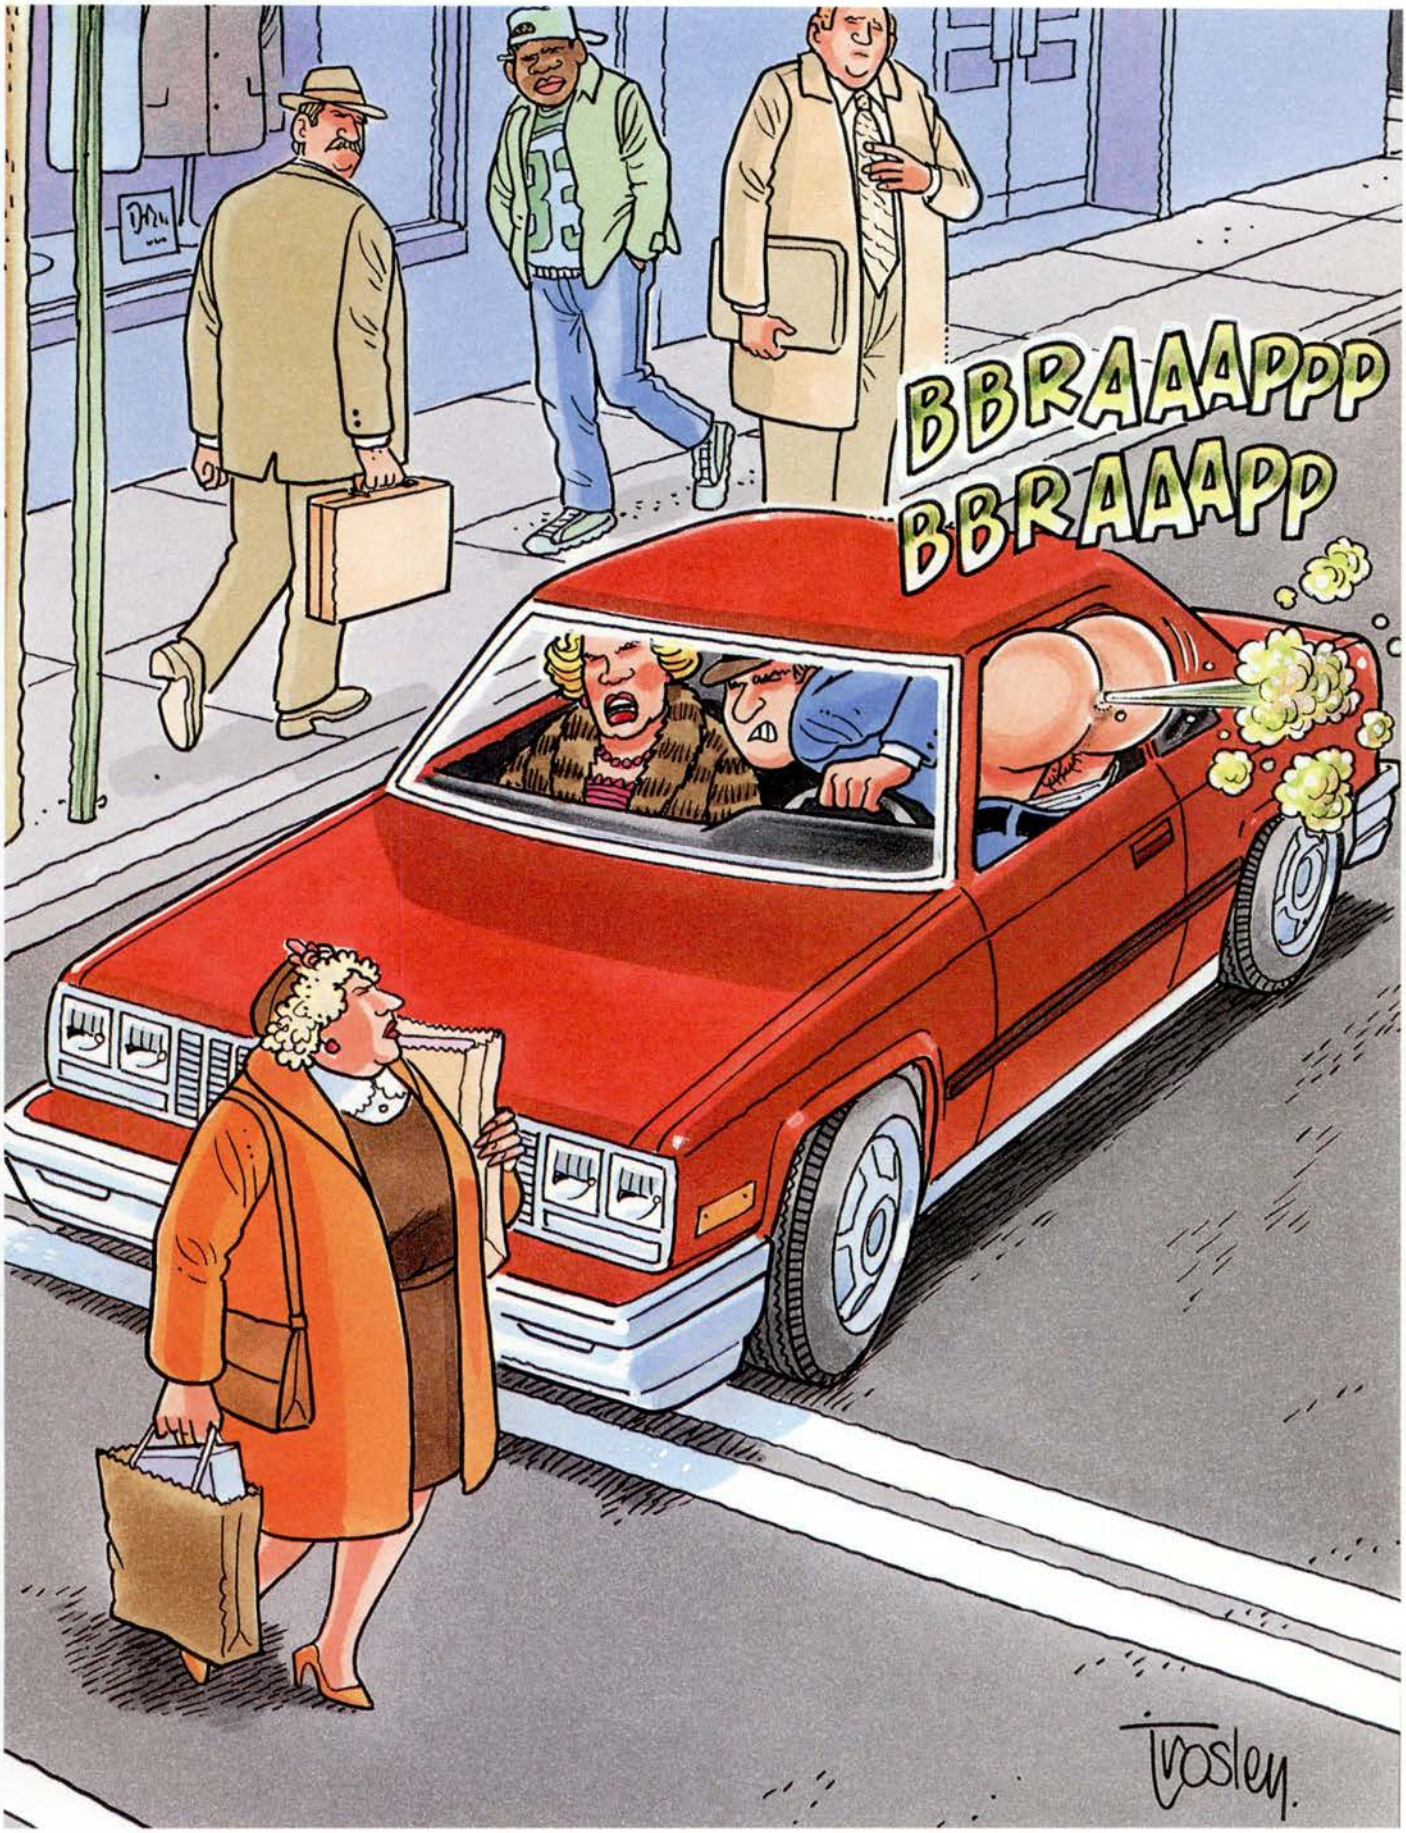

Former members of the cult describe frequent Family-ordained sex practices involving children and adults. Joyanne Treadwell Berg, 29, granddaughter of Moses Berg, claims her cousin Mene was sexually abused by Berg and fellow leaders of the cult.

"When my grandfather [Moses Berg] initiated [Mene into the Children of God]," recounts Joyanne Berg, "he abused her sexually. She rebelled. [Cult members] hit her, tied her up in bed and wrapped barbed wire around her body. They hit her so much—then they spread the news that she was mentally ill."

Spokespeople for the Family of Love deny that any children have been harmed. Leaders of the cult accuse police of religious persecution and stealing and torturing their children with physical examinations. Nevertheless, investigators in

"Jewelry's my weakness," murmurs soft-spoken Allesondra, a part-time wardrobe assistant for the University of Nevada at Las Vegas theater department. "I've got diamonds, rubies, emeralds," she says, cozying up to her box of valuables. "But of course, they're all fake. I can't afford the real stuff."

What would she choose if she could have her pick of all precious things?

Allesondra ponders the question as she curls up in her boudoir, twisting a gold chain 'round her finger.

A pamphlet titled *My Little Fish*, written by Berg for his adherents 20 years ago, featured a photo of an unidentified adult stroking the penis of a boy approximately three years of age.

Paraguay, Peru, Colombia and Venezuela claim to have confiscated a library of photographs of children in sexual situations printed by the Children of God/Family of Love organization.

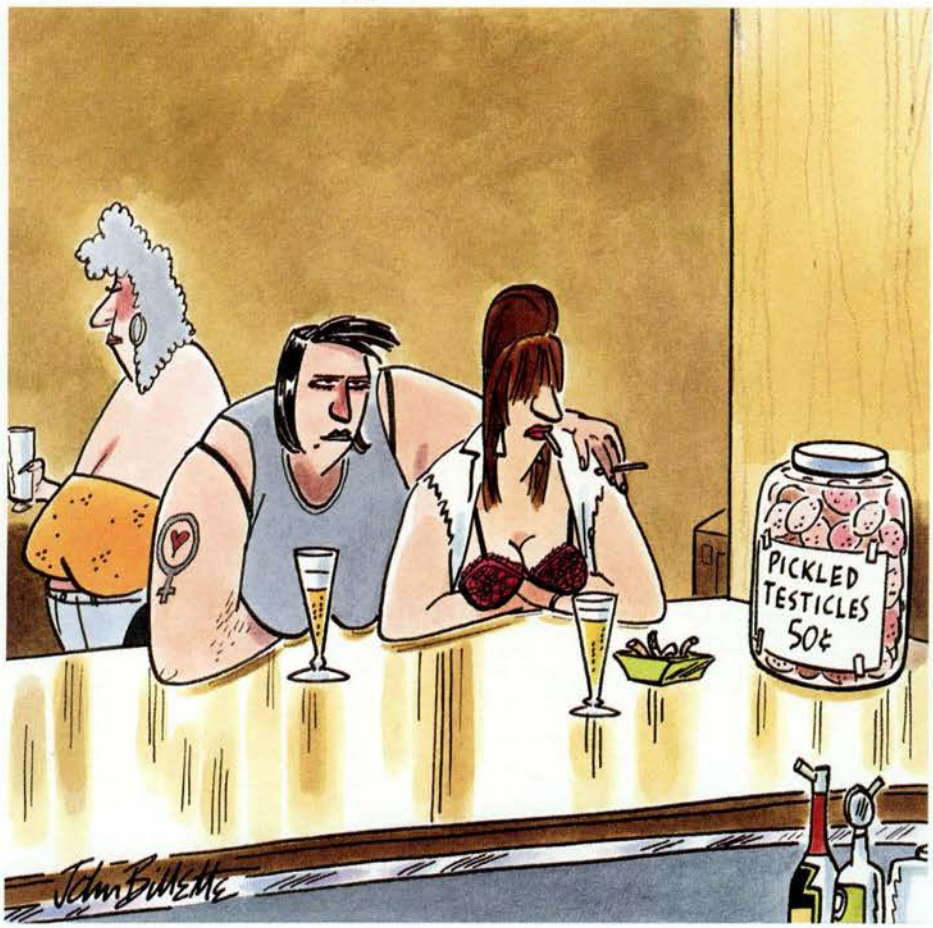

Allegedly, the Family of Love's most shocking child-porn efforts were destroyed at Berg's orders in 1987, including what is called the "Davidito Letter," a pedophiliac pamphlet written by Sara Davidito, a nurse in charge of child-care instruction for the Children of God. On October 10, 1993, the *Houston Chronicle* reported that Davidito described and was pictured having oral sex with a young boy in the pamphlet. Included in the booklet were pictures of the child masturbating and posing in a copulatory position with a small girl. In the text, Davidito described the boy as sitting by while three couples, including his mother, had group sex. She also wrote about giving the child swigs of wine so he would "get happy," then climbing into bed with him and asking if he was "in the mood."

The cult's historical roots indicate that sex with children was a founding practice of the Family of Love. A pamphlet titled *My Little Fish*, written by cult leader Berg for his adherents 20 years ago, featured a photo of an unidentified adult stroking the penis of a boy approximately three years of age. *Heaven's Girl*, an illustrated primer for teenage girls, told the adventure of a young heroine who was brutally gang-raped but persevered to convert her attackers to Christianity.

Twenty-six-year-old interior decorator and former disciple Silvina Cangaro accuses Berg's cult in Argentina of the sexual abuse of children.

"I was a victim of the sect," says Cangaro. "I saw a woman with the husband of one of my friends in bed in the presence of children."

State Chief Inspector Juan Carlos Rebollo, who led the September 1993 raids against the Family of Love camp in Argentina, asserts "We found evidence suggesting that the Family is funded by influential businessmen worldwide, and that children were kidnapped in one place and taken to another so that they would be difficult to trace. We have information that this group has followers worldwide, and children are exchanged between different countries."

Former Children of God member Abigail Berry, who was born within the cult, claims to have been molested at age seven and coerced into a sexual relationship with a pastor in her community at age 13. She ran away from the sect in 1991. Berry, who can quote the Davidito Letter from memory, characterizes the obscene tract as "the child-care manual for the Children of God."

According to Berry, who served as a witness in the 1993 Argentina trial, women in the cult, including pregnant girls, are expected to perform what cult leaders call "flirty-fishing" as a means of attracting new members. Flirty-fishing, explains Berry, means luring men for anonymous sex (from Christ's invitation to the fishermen of Galilee in Matthew's gospel: "Follow me, and I will make you fishers of men").

In a 1980 letter to the Family, Berg declared, "There's nothing in the world at all wrong with sex as long as it's practiced in love...no matter who [it's with] or what age or what relative or what manner."

Berg also suggested that parents masturbate their young boys at bedtime and instructed female followers in the art of flirty-fishing: "Tease [the man], flirt with him, then screw him until he drops over."

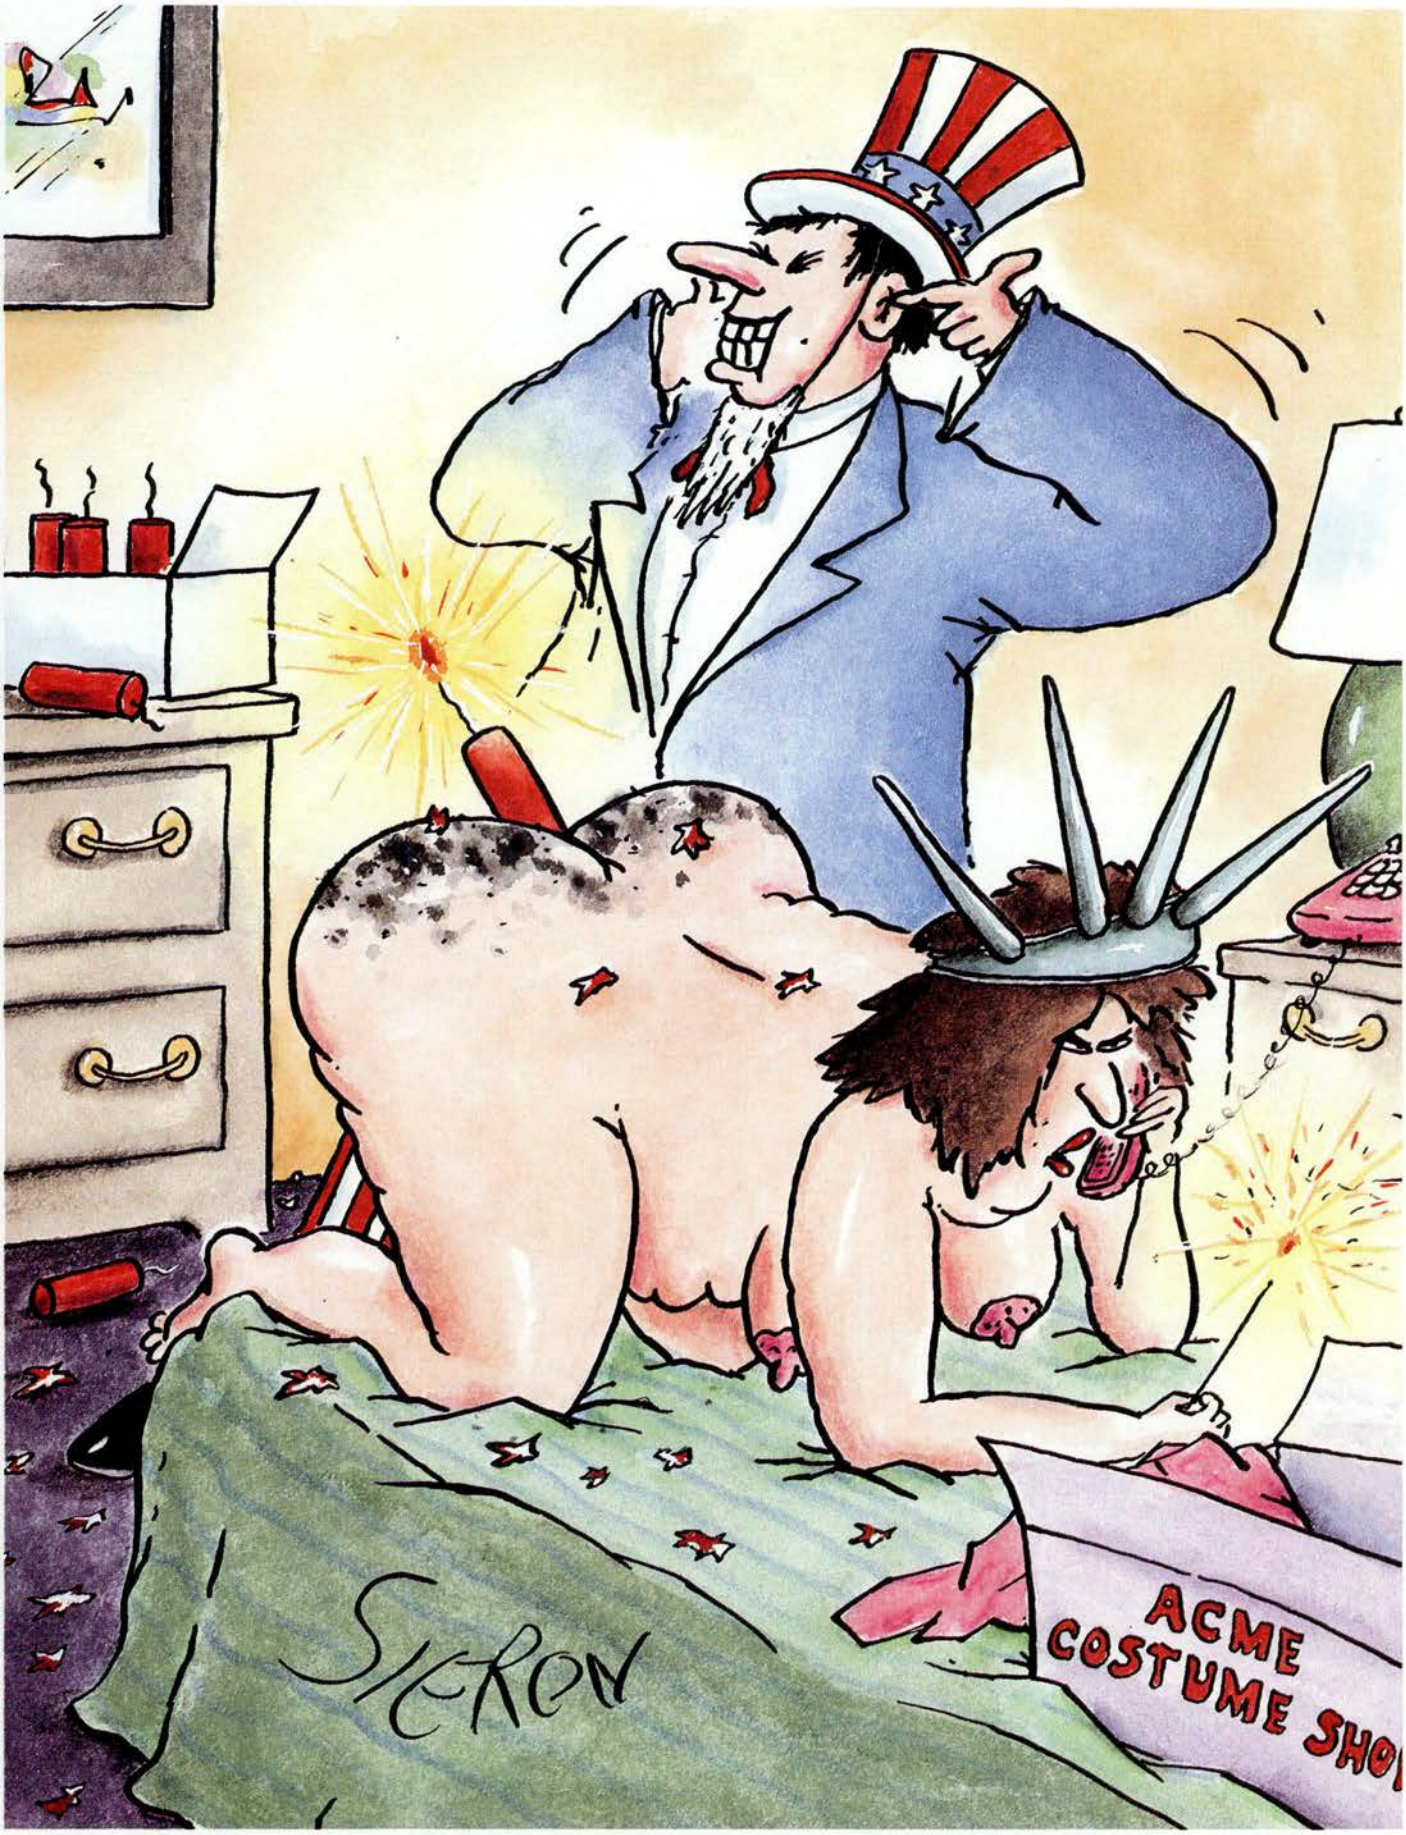

Flirty-fishing worked so well as a means of increasing Family membership, Berg boasted, that when he compared the number of hours it took to save a soul through sex versus the number of man-hours per convert at a Billy Graham crusade: "We spent one-sixth the time per soul!"

Family of Love officials maintain that flirty-fishing was halted in 1987, when Moses Berg instituted what he termed "Reformation and Revolution." The cult points to the advent of acquired immunodeficiency syndrome (AIDS) as a factor in the decision to discard its sexual doctrine. Christie Richards, leader of the Cleveland, Ohio, chapter of the Family of Love, insists that the cult has unconditionally ended flirty-fishing.

However, a January 1990 letter from cult authorities instructed female disciples in the Family of Love to require their "fish" to wear condoms. In addition, the letter advised members on methods of choosing proper outsiders with whom to have sex, and encouraged female Family members to restrict their outside sexual activities to men in the well-known category.

At about this time, to inhibit further scrutiny of the cult, Moses Berg advised his followers that sexual activities within the Family must never be performed in the presence of visitors, strangers or uninitiated relatives or friends.

HUSTLER HUMOR

Dave rushed to his urologist in great pain.

"Doctor," he explained, "my entire genital area is red, itchy and inflamed."

Examining him, the medic asked, "Do you have sex with your wife often?"

"Twice a day," Dave answered, "and three times on weekends."

"What about girlfriends?" the doc inquired.

"I have two," Dave confessed, "and I have sex with them all the time."

"Well, I think your problems are connected to all that intensive sexual contact."

"Oh, splendid! I thought it was because I masturbated too much!"

Question: How do you use a condom twice?

Answer: You turn it inside out and shake the fuck out of it.

Two young boys tore all over town in a go-cart that was being pulled by a dog. A policeman eventually stopped them and ruined their fun.

"Boys, this is very cruel," he said, cutting the rope that was tied around the dog's neck. He then noticed a second cord wrapped around the mutt's testicles. "My goodness!" the officer exclaimed. "It's worse than I thought!"

"Shit!" the boy in front said to his pal. "There goes our overdrive!"

Jordy and Jean-Luc, a pair of homosexual lovers, went hiking.

Jordy ducked behind a bush when he felt nature calling. Suddenly, he cried out, "How terrible! I miscarried! I miscarried! Here is a little arm! There is a little leg! This is so awful!"

"Shut up, you idiot!" Jean-Luc scolded. "You just shit on a frog!"

Question: Why do black men's eyes turn red when they come?

Answer: Mace.

A Russian, a Jamaican, an American and a Mexican found themselves on a rafting expedition. As they paddled downriver, the Russian opened a bottle of vodka, took one gulp and tossed the rest overboard.

"What did you do that for?" the stunned American asked.

"In my country," the Russian explained, "vodka is so plentiful, we can afford to waste it."

A bit later, the Jamaican lit up a huge joint, took a few puffs on the marijuana and then tossed it over the side.

"Hey!" the American exclaimed. "That stuff is expensive."

"Ganja grows so abundantly in my country," the Jamaican told him, "we can afford to waste it."

The American sat back and thought hard for a moment. Then he stood up and threw the Mexican into the river.

The HUSTLER dictionary defines *protein* as: a hooker under the age of 20.

Sam was feeling horny one night; so he reached over to his wife Doris.

"Not tonight," Doris said. "I have a gynecologist's appointment in the morning. I'm not supposed to have sex for 24 hours before I get there."

Thinking fast, Sam patted Doris on the back of the head and said, "Ah, but you don't have a dentist's appointment tomorrow, do you?"

Question: What did the brown gerbil say to the white gerbil in San Francisco?

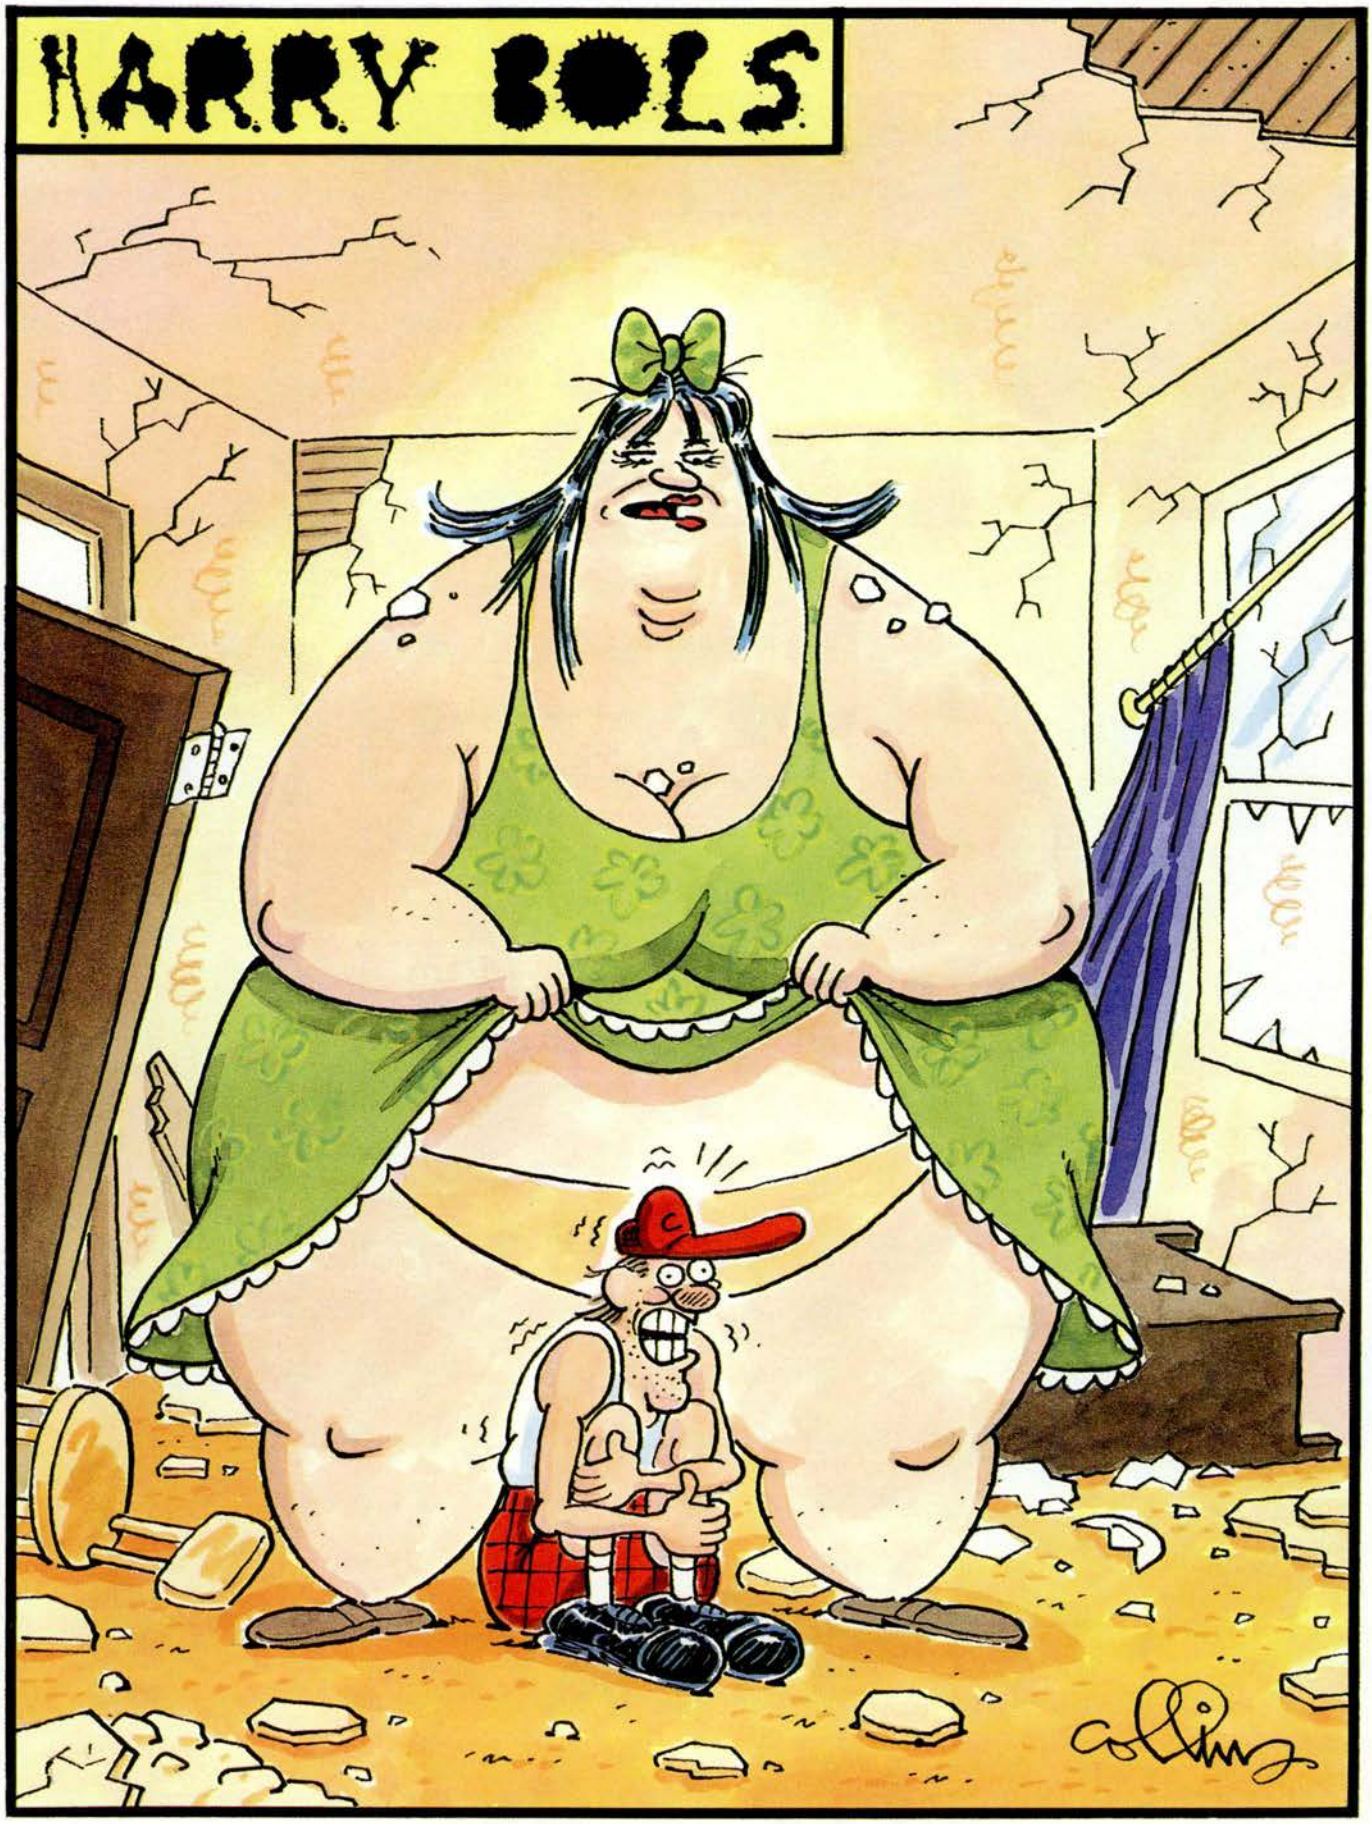

Answer: "I see you're new in town."

I'll never forget the first time I turned to alcohol as a substitute for women," said one bowery bum to the other.

"Really?" his pal asked. "What happened?"

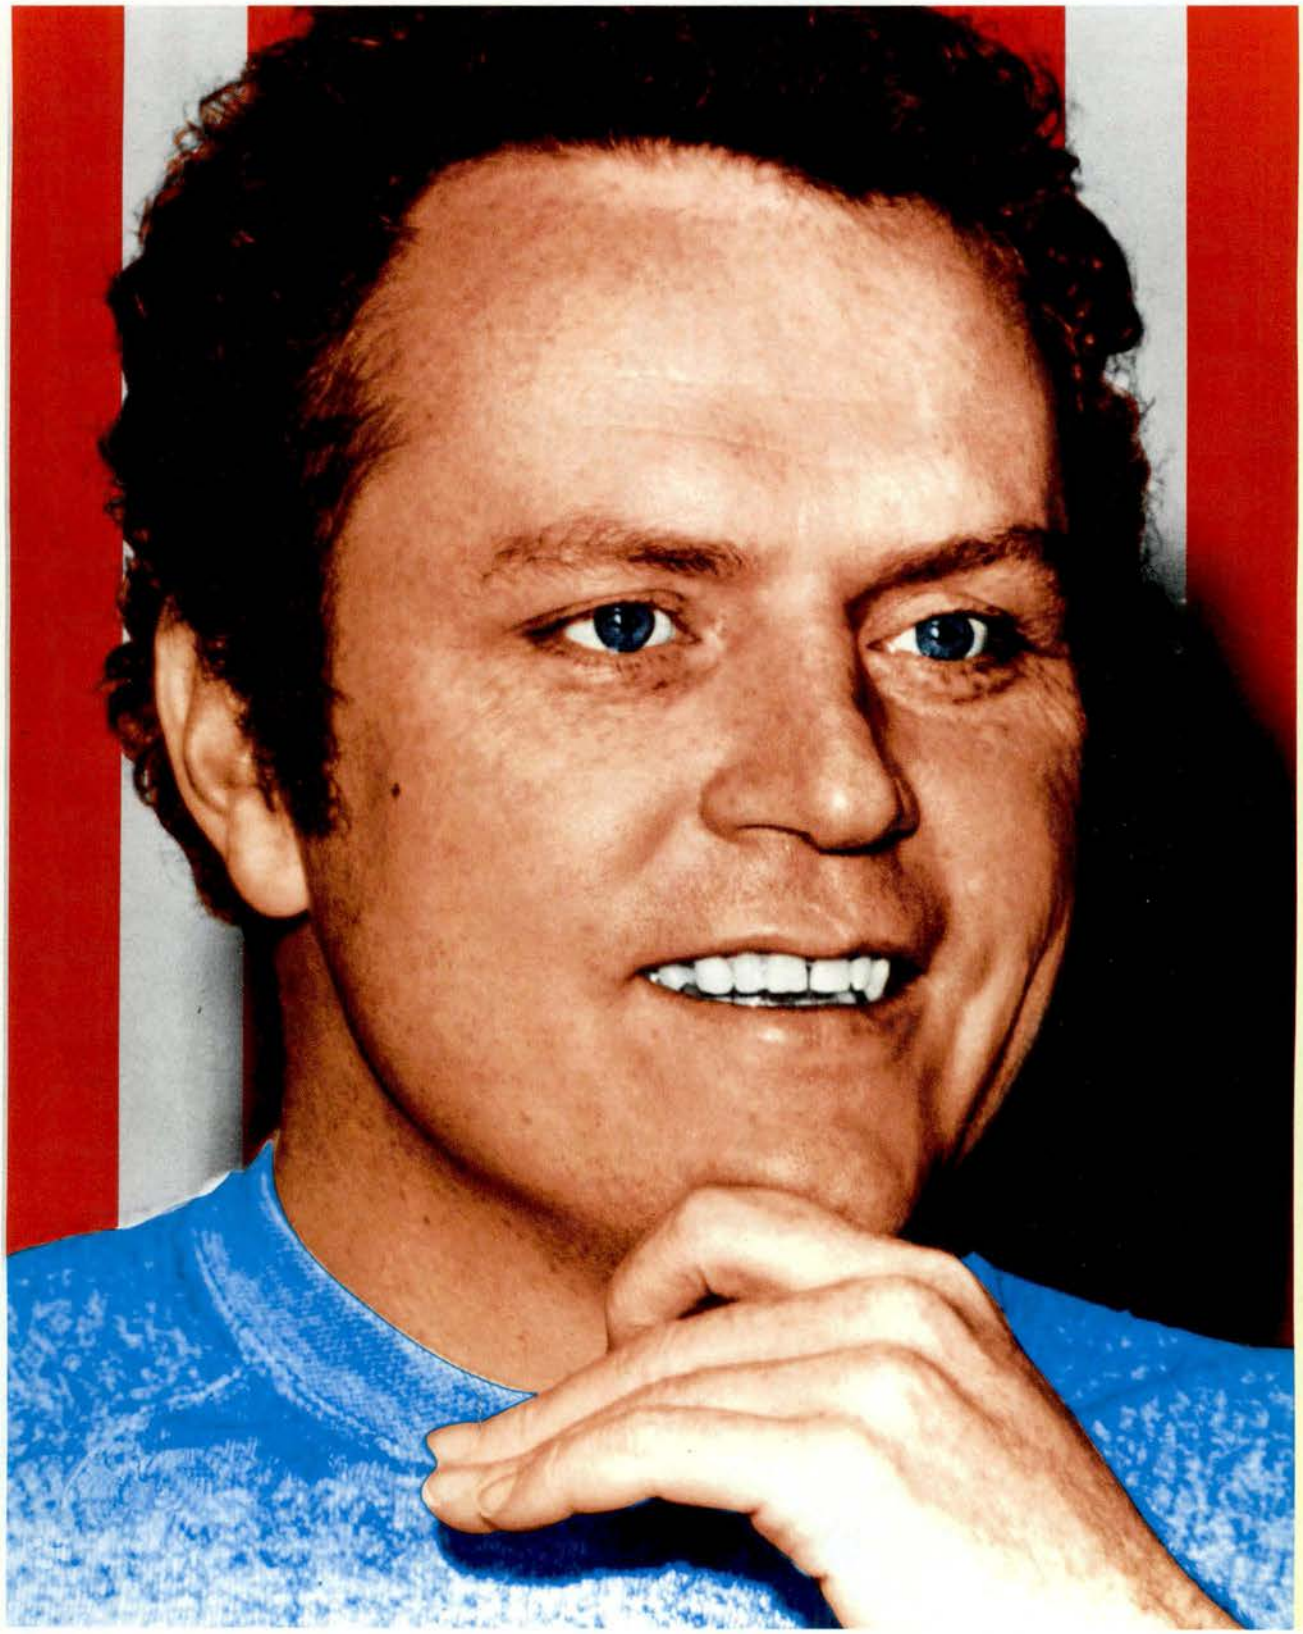

"It took me half the night to get my dick unstuck from the neck of the bottle."

THE LARRY FLYNT WAY:

HUSTLER'S HUSTLER

ON 20 YEARS OF TRIALS AND TRIUMPHS

BY MIKE McPADDEN

Anyone can be a playboy or own a penthouse, but it takes a man to be a HUSTLER.

—Larry Flynt, from his publisher's statement in the premier issue of HUSTLER Magazine, July 1974

Lawrence Claxton Flynt hustled into the world on November 1, 1942, the son of a fighting man from Magoffin County, Kentucky. World War II kept the senior Flynt from seeing Larry until 1946; the boy was raised by his mother, Edith, and her parents for his first four years.

"Growing up was tough, but we boys would swim in the summer and make slingshots, have snowball fights in the winter and just do the things kids do," Flynt recalls. "A lot of my memories from those days are pretty good."

At age six, young Larry was whisked off by a 13-year-old neighbor girl to do, as she said, "like the grown folks do." The grown folks put an abrupt halt to the pair's antics. "My father laughed," Flynt remembers, "but my mother gave me a bop in the head. I just kept wondering, *What did I do? What did I do?*"

Larry figured out what he was doing soon enough—perhaps too soon. According to legend, Larry's first successful sex endeavor involved a halfway-consenting chicken. Smiling, Flynt discloses, "When I was eight years old, I told my cousin that if I could get a chicken to be still, I would fuck it. Nobody's ever been able to forget that story since."

Lack of pussy was one motivation in Flynt's flight from Magoffin County. A severe scarcity of money was the other. "I did okay in school," Flynt says, "but it was boring. I wanted to make money. I was always in trouble for daydreaming."

Those dreams took the boy out of Kentucky, but no amount of wealth, fame or high-class tail has taken Kentucky out of Larry Flynt.

* * *

HUSTLER: What makes Kentucky people such SOBs?

FLYNT: They coined the phrase "redneck, bar-hopping hillbilly" in Kentucky. The answer lies in all three of those terms. If you don't leave home at a very early age, you'll never get out of there.

HUSTLER: What separates the men from the boys down there?

FLYNT: The men drink, fight and play poker. They succumb to all the vices.

HUSTLER: Why do Kentucky lawyers carry guns?

FLYNT: You've got to be able to defend yourself down there. Just about everybody's got a gun on him. If not, it's in his car or his pickup. So many crimes are committed there that nobody pays for. The guy can be guilty as hell, with nine different people saying he's guilty, but the jury will fail to indict him, then get up and walk out. That's because everybody in Kentucky is related or knows each other real well. Kentuckians take the attitude, "I'll handle this myself." Often, they do.

Larry, age 14.

HUSTLER: What was your first job?

FLYNT: Picking blackberries at 50 cents a gallon. Then I planted tobacco crops for $1.50 a day.

HUSTLER: Is there anything you miss about Kentucky?

FLYNT: I tend to only go back there now for funerals. The people there suffer terribly. But it's the only life they know; they never think about what's on the other side. I just knew I didn't want to be poor all my life. That's why I left.

* * *

Larry used a forged birth certificate to enlist in the Army at age 14. "My Army experience was pure hell," he says. "I was so young, and the work—the basic training—was backbreaking. After boot camp, I studied engineering and learned how to build bridges.

"After my two years in the Army, they told me I couldn't reenlist without a high-school-equivalency diploma. When I got discharged, I went and joined the Navy, saying I had no previous service record.

"I never went to high school and, without question, lack of education was the biggest handicap I faced in the early years. I joined the Book-of-the-Month Club and read everything I could, always with the dictionary in one hand to look up the words I hadn't learned by the eighth grade. I took a number of correspondence courses too, and eventually got my GED." Author Harold Robbins, one of Flynt's favorites, ultimately based a novel, *Dreams Die First*, on Larry's life.

Flynt participated in the naval blockade during the Cuban missile crisis. "People thought the worst was going to happen there," he says. "But I've always believed the United States made a big mistake; we could have taken out those missile bases easily."

The armed forces trained Flynt in two areas: financial and sexual.

* * *

HUSTLER: How did you augment your military income?

FLYNT: I ran a slush fund at a 5-to-7 rate. If somebody borrowed $5, he'd pay me back $7. I probably made between $1,000 and $1,500 a week that way.

HUSTLER: Where and when did you get laid for the first time?

FLYNT: In a brothel in Augusta, Georgia, during the fall of '58. I was in the Army. My legs were shaking terribly, and the girl kept asking, "Are you sure it's not your first time?" My legs just kept on shaking, and I just kept on saying no.

HUSTLER: Have you ever had any venereal diseases?

FLYNT: No. I attribute that to the petty officer in the Navy who told me when you go out to get laid, don't drink liquor, drink beer—and plenty of it. After sex, take a good piss, then wash yourself with plenty of soap and water. I got into the habit of following his instructions; so I've never had any trouble. A lot of guys who get VD will just roll over after they get laid and go to sleep. If they lay there all night long, those germs have got a good chance to ferment.

HUSTLER: Who was the best lay of your life?

FLYNT: A woman I met in a hotel bar in Naples, Italy. She was a gorgeous blonde, about 30. We went up to her room. I just *thought* I knew how to satisfy a woman; I just *thought* I knew how to eat pussy. But this girl taught me more in one night than I would learn the whole rest of my life. Her boyfriend was a chief petty officer assigned to a submarine that was at sea. He wasn't going to be back for a couple of weeks; so I hung out with this girl. I would've married that broad. I just went bustin' out after that.

HUSTLER: Last year, *Playboy* publisher Hugh Hefner admitted he'd had sex with men. Does Larry Flynt want to make any similar revelations?

FLYNT: No way. I'm pure heterosexual to the bone. I'm all for gay rights, but I reserve the right to follow my own path.

HUSTLER: Is there any aspect of sex that, personally, you don't like?

FLYNT: I've never understood bondage, though they say you shouldn't talk until you've tried it. Other than that, I've never liked anything going up my ass—unless it's a pretty girl's tongue.

Larry Flynt

"A lady sitting at the bar gave herself a pat on the ass and said, 'Why don't you name it after my moneymaker?' So I said to myself, *hooker...hooker*—and then it struck me: HUSTLER!"

After leaving the Navy, Larry settled in Dayton, Ohio, where he worked briefly as a dishwasher. A year on a General Motors assembly line followed. He hustled sufficient assets to open a bar, Larry's Hillbilly Heaven. The bar was a success, leading to others. "I always knew on a Saturday night," Flynt remembers, "that if we didn't have at least two fights, we weren't going to make any money. There was this time that everybody in the place was going at it; so I fired a shot into the ground, thinking it would calm everybody down. They only got worse. Next thing I knew, I was being arrested for shooting with intent to wound: Seems when I fired at the floor, I hit some guy in the toe, and he ran outside and nearly got killed by a car."

Of all the characters from the saloon days, one creative streetwalker made history. "I bought an old greasy spoon to get its liquor license," recalls Larry. "One night we were doing renovations, painting the walls—flat black paint will cover *anything*—and putting in some go-go stands. I got to wondering out loud what I'd call the place. A lady sitting at the bar gave herself a pat on the ass and said, 'Why don't you name it after my moneymaker?' So I said to myself, *hooker...hooker*—and then it struck me: HUSTLER! So a 40-year-old hooker named the magazine."

That nightclub, the Hustler, was the first in a highly successful chain of Ohio strip bars. "In 1964, go-go might have been old hat in Los Angeles," Flynt declares, "but it was really something in Ohio." It was there that Larry Flynt met the love of his life. Althea Flynt became Larry's partner in marriage and business, running HUSTLER by his side from its 1974 inception until her death in 1987.

* * *

HUSTLER: How did you meet Althea?

FLYNT: Althea applied for a job at a club I had in Columbus, Ohio, but she wasn't old enough. She needed a place to stay; so I said she could stay with me for a month, then she could go to work. We were inseparable from that time on. She had actually run away from an orphanage in Columbus. Althea was clean then; she never did drugs.

HUSTLER: What did Althea bring to HUSTLER?

FLYNT: She listened to everything I said, she never had to be told anything twice, and she was always out front and on top of things. She was the only woman I ever loved.

A giveaway newsletter of Hustler club events ultimately blossomed into HUSTLER Magazine. Seeing an early edition of *Penthouse* had sparked Flynt's imagination. "The guy at the newsstand told me *Penthouse* was the hot one," he says, "and compared to *Playboy*, it was." A backwoods bar owner with no experience in publishing decided to enter the slick world of high-gloss periodicals. Living by its own rules—and breaking those too—HUSTLER was a smash from the start. The first four issues lost money, but the profits from the December '74 edition, in which one Honey spread her legs decidedly wider than was the current-day skin-book norm, put Larry squarely in the black. Pink has been HUSTLER's color of money ever since.

* * *

HUSTLER: When did you first know HUSTLER was successful?

FLYNT: In 1977, *60 Minutes* did a piece on me. I got to say a lot of things that I wanted to say. After that, I felt I was a national figure. That was probably my proudest moment as a publisher.

HUSTLER: Did you have any goals for HUSTLER as a cultural force?

FLYNT: I wanted it to enlighten our sexually repressed society.

HUSTLER: Has it worked?

FLYNT: I don't think it's hurt. Basically, HUSTLER's been known from the beginning as a magazine you could read with one hand. I'd just like for it to stay that way.

Pablo Picasso said: "The only true enemy of creativity is good taste."

By that standard, HUSTLER is one of creativity's all-time champions. The magazine has consistently regarded nothing as sacred—not even its owner. Larry himself served as one of the earliest "Assholes of the Month" (he later qualified as "Asshole of the Century" at the readers' insistence) and frequently has caught jabs from the pens of his maniacal cartoon staff. Led by "Chester the Molester" creator Dwaine Tinsley, these madmen relentlessly poke fun at every conceivable folly and perversion known to man and (especially) God. Time and again, Larry has been called on to defend HUSTLER's humor. "Tastelessness is a necessary tool in an uptight world where people are afraid to discuss their prejudices and misconceptions," he wrote. As for charges that HUSTLER is racist, Larry believes the surest way to eliminate stereotypes is to mock them

Larry Flynt

until they mean nothing.

"There has always been racism," Flynt says. "You can't get two people to agree with each other, let alone three, let alone millions. The end result is often violence. The media has a responsibility to expose such hatred."

Larry credits his upbringing, in part, with his firmly egalitarian outlook: "There were no blacks around when I was growing up. I didn't even see a black person until I was 13 or 14; so there was nobody pounding the idea into my head that blacks were animals, or that we ought to ship them back to Africa. I heard that stuff later, but I never paid any attention."

* * *

HUSTLER: What makes you laugh?

FLYNT: There aren't many jokes I haven't heard. I've got a really warped sense of humor.

HUSTLER: Is there anything you regret publishing?

FLYNT: I'm sure there's an item or two, but nothing comes to mind.

* * *

It seemed that there was no limit to HUSTLER's outrages: the world's first Scratch 'n' Sniff Centerfold, the woman-in-a-meat-grinder cover, Larry's conversion to born-again Christianity under the personal ministrations of President Jimmy Carter's sister, Ruth Carter Stapleton.

"I got over that born-again business," Flynt insists today, with amusement. "I was raised by very strong, traditional Southern Baptists. I didn't subscribe to it then, and I don't subscribe to it now. If my religious upbringing affected me, it was to my detriment. The born-again experience I had was, I think, the result of my mentally harboring all those guilt trips they try to put on you with the Bible."

Since HUSTLER rejected all boundaries, authorities attempted to set them. Larry faced obscenity charges twice in Atlanta, twice in Cincinnati and once in Cleveland, often being held without bail.

On March 6, 1978, Larry and his attorney, Gene Reeves, were returning to court near the end of HUSTLER's first obscenity trial, in Lawrenceville, Georgia. The proceedings seemed to be going in their favor. Then a chickenshit gunman squeezed off a series of shots, and Larry fell to the ground in a blaze of agony. He'd been hit in the abdomen and the base of his spine; Reeves, in the arm and stomach. Larry was rushed to Gwinnet Hospital, where surgeons removed much of his intestine and, in a second operation, his spleen. Later, at Emory Hospital in Atlanta, another bullet was taken from his lower back. Flynt would be permanently paralyzed from the waist down and forced to endure a lifetime of pain and medical procedures. No one has ever been formally charged in this attempted double-murder.

"All my crusading for First Amendment rights and public visibility and appearances on most of the TV talk shows led to that assassination attempt," Flynt recounts. "HUSTLER was in the process of moving from Ohio to Los Angeles. I told them to go ahead with the move, and I'd catch up. I went out to L.A. and took my rehabilitation therapy. My injury was the most severe for pain; the bullet exploded at the base of my spine. There's a great deal more pain involved in being wounded in that area than if it's just a spinal-cord injury. It felt like I was standing in boiling water; I took any drug I could find to help suppress the pain. It wasn't until 1985 that I heard about work they were doing at Duke University, severing certain sensory nerves while leaving motor nerves intact. I went there, had that surgery and got rid of about 80 percent of the pain. Until that operation, I thought I would never be able to have sex again. Once I had it done and got off the drugs, I found that the drugs had been suppressing my libido. It was like the beginning of a new life. I remember what a joyous occasion it was when I found out my sex drive was still there."

Countless theories circulated in the wake of Flynt's shooting. Many supposed the Ku Klux Klan, infuriated by sexual race-mixing in HUSTLER's pages, was responsible; others thought the Mafia regarded Flynt as a threat to their influence over the smut market. One wild scenario involved a cabal whose assassination of John F. Kennedy had been revealed in a HUSTLER exposé, *The Gemstone Files*.

Currently, Flynt is satisfied that he knows the identity of his would-be killer. "The man who shot me is serving three consecutive life terms for various crimes in a federal penitentiary in Illinois," Larry says. "He's allowed 20 minutes a day for exercise, then spends all the rest of his time in a cell."

* * *

HUSTLER: Looking back over 20 years, is there anything you would have done differently?

FLYNT: I'd have worn a bulletproof vest in Lawrenceville, Georgia.

Tight Fit

Each has skin as soft and warm as a kidskin glove, hair the color of wild honey and a healthy appetite for what feels good, but 19-year-olds Becca and Shanisse are more than just look-alikes—they're related.

"Not quite!" laughs Shanisse. "Becca's father married my mother when Becca and I were two years old. We've lived together..."

"...ever since," continues Becca, brushing a strand of Shanisse's sunny locks out of her eyes. "We feel like twins..."

"...inside and out!" concludes Shanisse.

Sharing the same thoughts like they share everything else, Becca and Shanisse can't help but be together. Stepsisters don't come any closer.

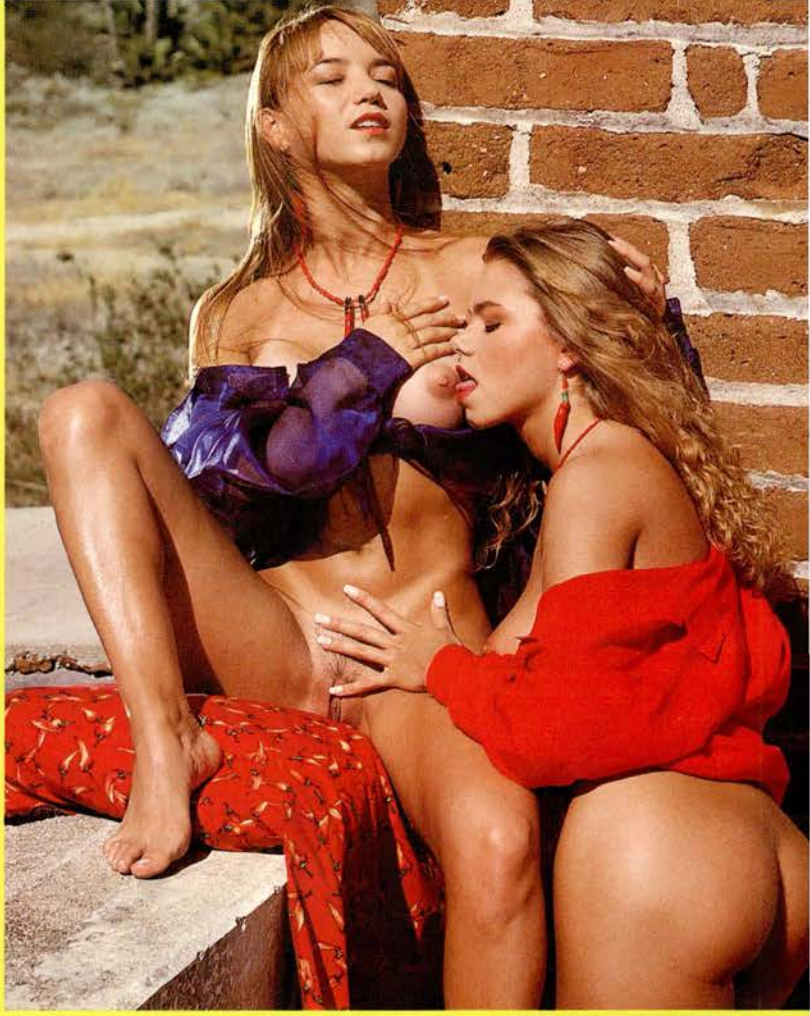

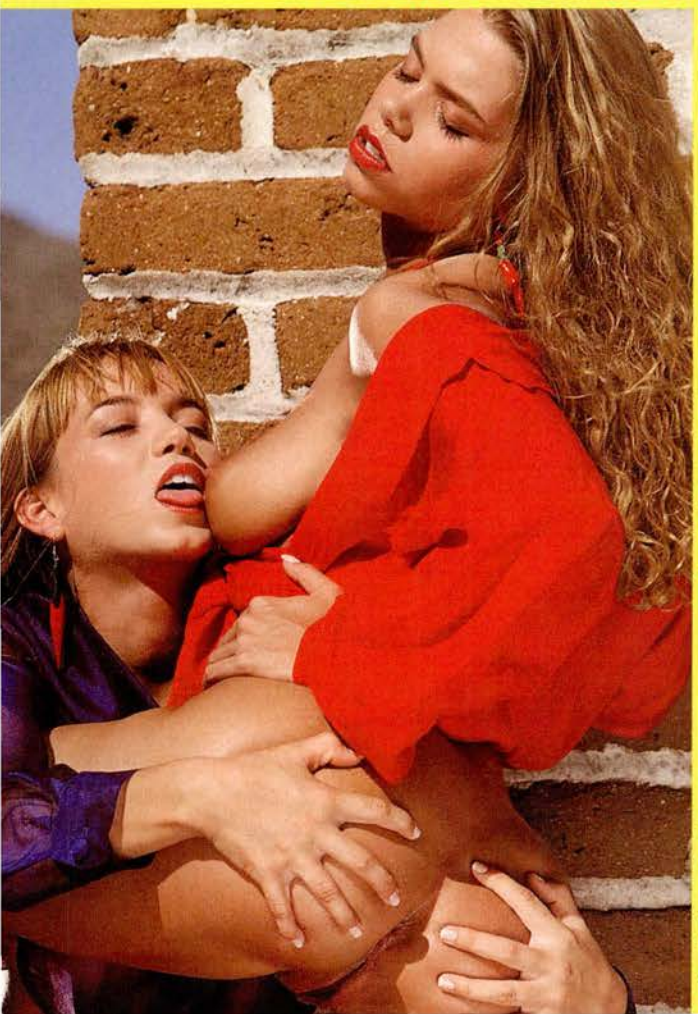

Larry Flynt

(continued from page 112)

"Now when you look in civics textbooks, from junior high through college and in every law school, the lead case on the subject of First Amendment decisions is always *Jerry Falwell* v. *Larry Flynt*."

HUSTLER: Despite your suffering, has your success been worth it?

FLYNT: No. I'd give it all away to have my legs back.

* * *

In the years following the shooting and relocation to Los Angeles, HUSTLER's manic intensity only increased.

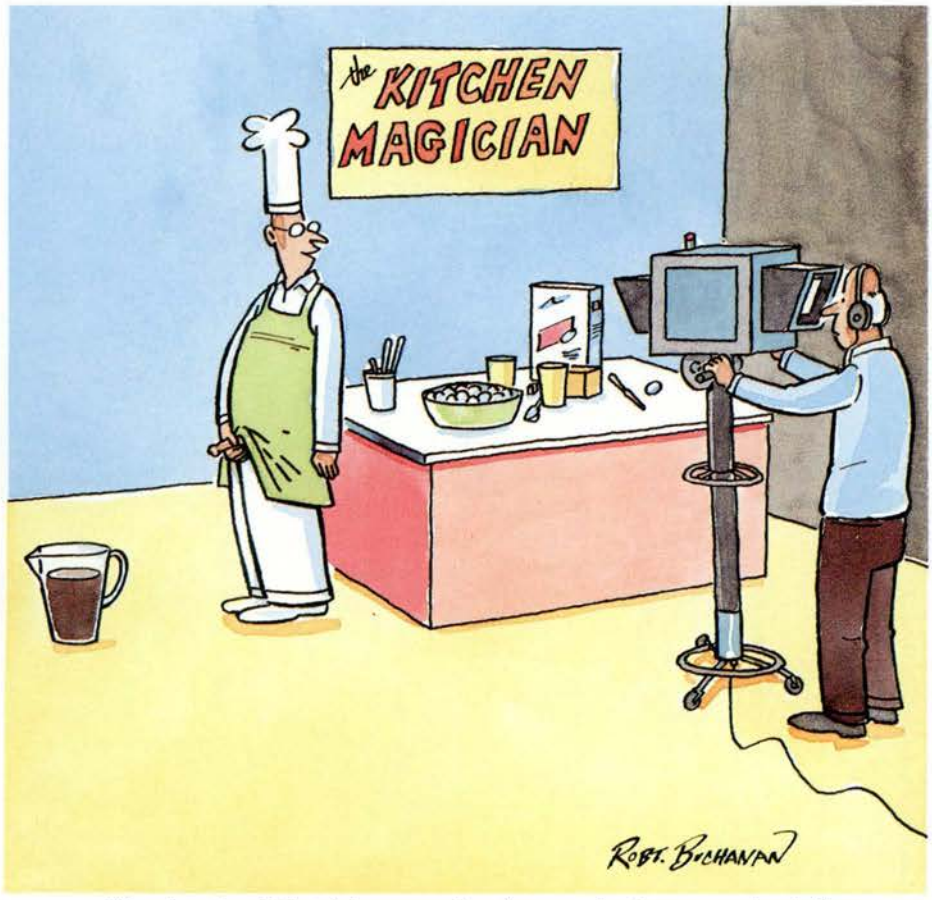

After turning America's Magazine over to Althea for a brief period, Larry came back more fired-up to assail social "acceptability" than ever. HUSTLER ran pictures of Pat Boone's cock and was mailed each month to every member of Congress. Two of Larry's closest friends, Dennis Hopper and Frank Zappa, published their photo fantasies. (Of Zappa's recent death, Flynt laments, "There is no man I have ever respected more.")

In 1984, Larry sought the Republican nomination for the Presidency. Taking time out from the campaign trail, he leaked videotapes of an FBI-run cocaine-buy sting operation targeting automobile maverick John DeLorean to CBS-TV. A federal judge ordered Flynt to turn over the tape's source or be fined $10,000 a day in cash. Scantily clad models delivered the money in crumpled one-dollar bills. The judge, growing steadily less amused, ultimately doubled the fine, then threw Larry in prison on contempt of court charges. For eight months, Larry languished in solitary confinement while his journalistic peers stood by in silence.

That same year found Larry the subject of a lawsuit filed by the Reverend Jerry Falwell. Despite disclaimers stating that the piece was satire, Falwell took exception to a HUSTLER ad parody in which he was portrayed as a motherfucking drunk.

Tragedy struck Flynt again. On June 27, 1987, his beloved Althea, ill with AIDS and addicted to drugs, slipped beneath the water in her bathtub and drowned. "When she was diagnosed with AIDS," Flynt says, "I assumed she got it from switching needles. Just a couple of weeks before she died, she said, 'That's just not true; I wouldn't use anybody else's needle. I may be a junkie, but I'm a rich junkie.' Her health problems started with a hysterectomy she had in December of 1985."

On the heels of this monumental loss, Flynt went on to what may be his most important triumph.

"Now here's a little trick you can do when your iced tea turns cloudy."

"I really felt like weeping," sobbed Jerry Falwell, referring to the ad parody that prompted his lawsuit. The Reverend must have cried a Red Sea when the Supreme Court of the United States—the very same justices that Flynt had directly addressed as "eight assholes and one token cunt" in October 1983—ruled unanimously in HUSTLER's favor on February 24, 1988. Their decision stated explicitly that a public figure is not entitled to punitive damages simply because his feelings are hurt by an unflattering depiction in a magazine.

With great pride, Flynt notes, "Now when you look in civics textbooks, starting with the junior-high edition going through college and in every law school, the lead case on the subject of First Amendment decisions is always *Jerry Falwell* v. *Larry Flynt*."

* * *

HUSTLER: What do you have to say about Jerry Falwell today?

FLYNT: Jerry Falwell is a pompous asshole who should be given all the airtime he needs because the more he uses it, the less effective he is.

HUSTLER: How would you have reacted if the Supreme Court had ruled in Falwell's favor?

FLYNT: I thought they would rule for Falwell. Remember, this was the same court I'd cussed out a few years earlier. But finding for Falwell would have set a precedent going way beyond any prior First Amendment rulings. The original case only awarded Falwell $300,000 in damages; so I wasn't concerned about money. I think the higher court realized that somebody had to stand up and ask, *Are we aware of the consequences of this decision?* If Falwell had won, the *New York Times* or the *Washington Post*—or anyone—could have been fined if they so much as hurt someone's feelings.

HUSTLER: Are you a patriot?

FLYNT: I'm patriotic, but only in the purest of forms. The Constitution doesn't say "or else." The Bill of Rights is explicit; it took those guys in Philadelphia a long time to come to an agreement on those terms, and the Constitution before it. Nobody can fuck with those documents. That's why they'll never be able to disarm the people, because the right to bear arms is guaranteed. The First Amendment is also an absolute.

* * *

These days, Flynt maintains a brighter-than-expected outlook.

He admires another small-town boy made good, President Bill Clinton. "I think he's smart, and he may very well go down as one of the best presidents we've ever had," estimates Flynt. "He represents

Cult

(continued from page 92)

River Phoenix admitted that, under Children of God auspices, he had experienced sexual intercourse at age four and continued to have sex with other children until the age of ten.

According to the *Washington Post*, the Family of Love leadership implements a policy of lying to outsiders not only to protect the cult's alleged sexual misconduct from public scrutiny, but to keep guarded its involvement in world politics.

Recounts ex-cult member Miriam Padilla, "[The Family of Love] considered my father a very important person for public relations. His paternal grandfather, a crime lawyer named Guillermo Padilla, was a close friend of Chile's military dictator, Augusto Pinochet, and Juan Carlos, the king of Spain." Pinochet became a financial and political benefactor of the Family of Love.

The guiding inner circle of the Family of Love is known as the Royal Family. In the 1970s, Berg's official representative, second-in-command and designated successor was a woman named Barbara Canevaro, the Duchess of Zoagli and Castelvari in Italy. In 1973, Canevaro's husband, Children of God member Duke Emanuele Canevaro, invited the cult to his estate, a wine-producing farm near Florence, and donated a vineyard to the organization.

Germany's *Stern* magazine reported in 1977 that a school on Canevaro's estate was training women in religious prostitution. When asked about the allegation, Barbara Canevaro denied it, but insisted, "There is nothing wrong with a sexy conversion. We [in the Children of God] believe sex is a human necessity, and in certain cases we may go to bed with someone to show people God's love."

In 1974, the New York attorney general's charity fraud division investigated the Children of God, accusing them of, among other things, tax evasion, rape, polygamy, draft dodging, incest and kidnapping. However, according to the *Los Angeles Times*, when it came time to prosecute the cult, Attorney General Louis Lefkowitz sidestepped the issue by announcing that the cult was protected by the First Amendment. The sudden, seemingly offhand Constitutional gambit aroused suspicion that it was used by Lefkowitz to placate influential parents who had lost children to the sect. Lefkowitz, now retired, says he can't recall the matter.

Claiming religious persecution, the Children of God fled the country. They found sanctuary and legal counsel in Libya, through Colonel Muammar Kaddafi. The military leader so sympathized with the cult that he penned a song, addressed to all industrial countries, to be performed at Children of God songfests around the world.

Do as I do, went Kaddafi's lyrics. *I pray to God. I'm very happy. Because I found the road with Allah, Allah, Allah.*

The Children christened the Libyan terrorist "Godhafi." Enthused Berg in the Children of God newsletter, the *New Nation News*, "There has not been another worldly political leader in modern times as this young prophet of the seemingly impossible." Berg portrayed Kaddafi as "the savior who will ignite the young and rescue them from those twin forces of evil, godless Communism and American materialism."

Among other interests, Berg and Kaddafi shared a hatred of Israel. Berg assailed Jews in a 1982 letter to the Family of Love in which he described Jews and blacks as the curses of the world and the sources of everything evil. Berg claimed that his hatred of Jews and blacks sprang from a higher authority, exulting in one cult-issued memorandum, "I'm a racist because God is!"

"Through the Children of God," claims Joyanne Berg, "I met presidents from around the world. The [cult's] children's chorus gave the group an image of purity and innocence, [when really] it was a seduction."

Joyanne Berg states that, at the time, she felt it was a privilege to be paired sexually with "very important men—men from the government."

Edward Priebel, a Canadian who worked for the cult in the Philippines from 1986 to 1988, says that Family of Love officials openly sympathized with the right-wing military officers who attempted to overthrow the government of Corazon Aquino.

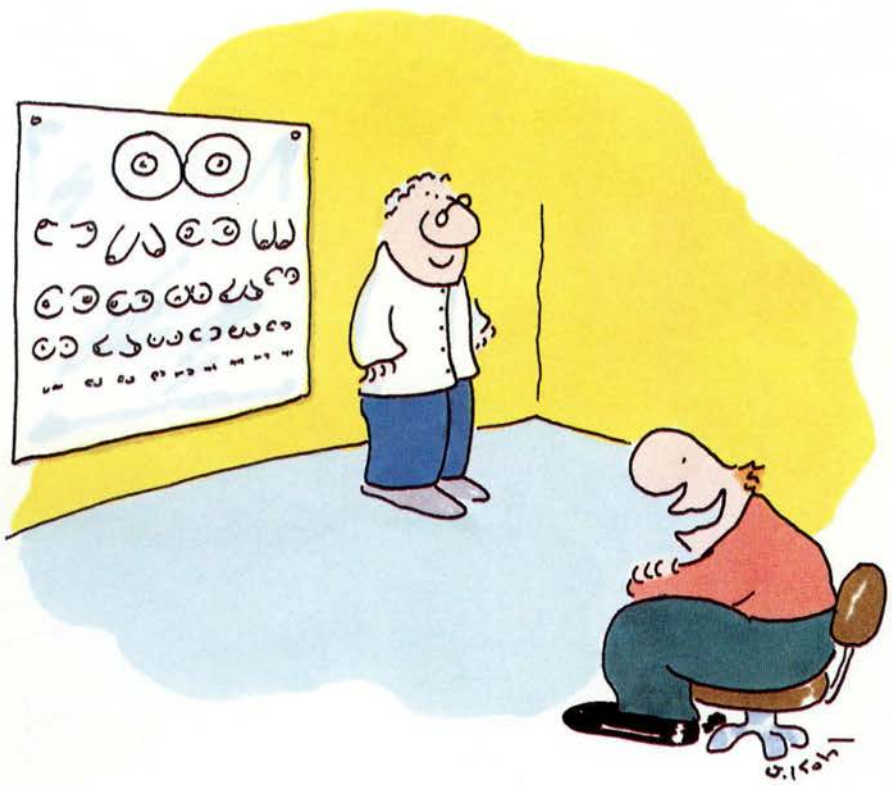

"What we [in the Family of Love] were doing was supplying moral support [for the right-wing rebels]," states Priebel.

In the United States, the Family of Love's political ties extended to the Bush administration. In 1992, a chorale of Family of Love children inaugurated a Christmas show for Barbara Bush in the East Room of the White House, after which the cultists received certificates of appreciation signed by President George Bush. The sect also sang for Bush after he toured the land ravaged by Hurricane Andrew in south Florida.

In a 1989 raid on the cult in Argentina, police confiscated cocaine, pornographic videotapes and children's books with condoms stuck to the pages. No Family members were prosecuted. Investigations

BEAVER HUNT!

FLASH FOR CASH!

Attention, ladies! The 1994 *Beaver Hunt* Grand Prize Competition is looking for *you*! Snap a clear, color picture and mail it to HUSTLER *Beaver Hunt*, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Every lady whose picture we print gets $250 and a chance at the 1994 Grand Prize—a photo-feature worth $5,000. Grand Prize Finalists win $1,500 each. The photographer of the Grand Prize Winner receives $500, and the Finalists' photographers win $250. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the unreturnable property of HUSTLER Magazine.

Fuck Matisse. Check out darling Gigi, who calls herself an entertainer, though artist seems more appropriate. Besides painting, her hobby is sex education, which one expects is put to good use in Kannapolis, North Carolina. She lists no specific sexual fantasy, but says simply, "Anywhere, anyplace, anytime." She turns 24 years old this month and will hopefully celebrate with a thicker brush.

Photo by Friend

Sensual Suzie, just turned 19, was born the same month as HUSTLER and shows compatible characteristics. A resident of Brandywine, Maryland, her hobbies include tanning and partying. Her sexual fantasy begins with her boyfriend watching as she and another girl play with each other. Poker anyone?

Second ID can be birth certificate, Social Security card, credit card, marriage certificate or immigration card. Send photocopies, not originals. Send two or more sharply focused color prints or slides. Showing pink is optional at entry stage. All photos become the unreturnable property of HUSTLER Magazine, which buys all rights in perpetuity to photos we publish. As long as she sticks her back into the future, Rebeca should be a successful model. A 25-year-old cutie from Mesa, Arizona, Rebeca digs hiking, boating and exercising. Her fantasy begins with this photo appearing in HUSTLER and ends, we hope, with a visit to our Beverly Hills offices.

Photo by Friend

Here's a living doll from Chino, California. With legs so long and lean and a pussy so clean, no wonder this dancer goes by the name "Barbie." She celebrates her 24th birthday this month and hopes to fulfill her fantasy of "working three men at once." Ironically, her fantasy is also her hobby. Keeps a girl out of trouble, that's for sure.

Photo by Friend

It's not hard picking a Beaver Hunt winner when the entries look as sexy as Isabelle from Norman, Oklahoma. Biking, swimming and reading are this 24-year-old student's hobbies. In her spare time, she dreams of making love to her boyfriend while ten guys circle-jerk and drown her in their cum. She'll be picking more than her nose.

Photo by Friend

Lithe little Lynn owns a business in Milwaukee, Wisconsin, and also works as a topless dancer. This sultry 30-year-old's fantasy begins with a sudsy bath and gentle kisses. After frothy lovemaking she would beg to be covered in hot cum. "I hope that doesn't make me seem too naughty?" she writes. In fact, that's the cleanest fantasy ever. ***Photo by Husband***

Her name is Sybil, but she has only one personality, and it likes to fuck. This exotic dancer from Kentwood, Michigan, lists her hobbies as having sex and sucking cock. Sybil's 33 years old and dreams of screwing guys in a public place. Sounds like she's running for president. ***Photo by Husband***

While sexy Marie lists collecting stones among her hobbies, erecting bones seems more to the point. A housewife from Quebec, Canada, home of the Stanley Cup-winning Canadiens, this 29-year-old honey likes to bowl and dreams of having sex on stage in front of groups of men. You book the hall; they'll bring the ball.
Photo by Husband

Displaying her pretty, pink inside, Ashley says her only hobby is snapping nude pictures outside. A student in Pueblo, Colorado, this 24-year-old sexpot dreams of "making love in the back of a truck while it flies down the highway." Keep those flaps open and no doubt you'll soar. **Photo by Friend**

Hailing from HUSTLER's favorite town, Flint, Michigan, devilish Manda likes combining business and pleasure. She works as a model and lists taking nude pictures as her favorite hobby. A bold 19-year-old, Manda fantasizes about having sex in front of a camera. There'll be nothing negative about those photos. **Photo by Friend**

Visitors to Moreno Valley, California, might recognize this pose to be that of nimble Kat, a 26-year-old dancer. Hiking and traveling are her hobbies, while her fantasy is having sex on the beach while a friend takes pictures. Sand crabs won't be the only things with an inside look. **Photo by Husband**

Cult

(continued from page 124)

in Brazil and Spain also fell apart.

In May 1992, police in Australia swept into six Family of Love communes, removing 142 youngsters. Charges were suspended.

The September 1993 raids in Argentina led nowhere. In December, Family of Love counsel determined that a federal judge had no jurisdiction in the case, and the sex-abuse charges were dropped.

* * *

Three days after River Phoenix's lifeless body arrived at Cedars Sinai hospital in Los Angeles, medical examiners announced that autopsy tests were inconclusive, but ruled out foul play—although without conclusive evidence to the contrary, no coroner could reasonably dismiss the possibility of murder.

Toxicology tests revealed that the levels of cocaine and heroin ingested concurrently by Phoenix were respectively lethal, but the method by which the overwhelming dose of narcotics was administered remains undetermined. The coroner reported finding no injection marks on Phoenix's body.

According to Los Angeles tabloids, the drug dealer who gave Phoenix the fatal dose has returned to dealing at the club. However, the known heroin dealer hasn't been questioned—or sought—by police.

River's father, John Phoenix, a man who refuses to divulge his true name, was so well-connected in the Children of God that he was named Archbishop of Venezuela by the cult. In the press, the Phoenix family emphasized their separation from the Children of God in 1977.

"We were flower children," says John Phoenix. "We were full of faith and loved everybody."

The veneer of bohemian innocence was shattered in 1991 when River Phoenix admitted to a mainstream journalist that, under Children of God auspices, he had experienced sexual intercourse at age four and continued to have sex with other children until the age of ten.

Media interest in the Family of Love was eroded by reports that the prosecution in Buenos Aires had been undermined by a lack of medical evidence. Had he lived, River Phoenix might have proven to be a dangerous liability to the cult, confirming reports of sexual abuse and child prostitution firsthand. Berg's Family allegedly sleeps with powerful political allies. Every one of them had reason to silence River Phoenix.

Larry Flynt

(continued from page 122)

a new generation. He may have trouble getting out of the gate next time around—it'll depend on health care and a balanced budget—but if he can measure up and deal with that politically, he'll be around for four more years." Flynt's praise is a bit more reserved for the First Lady. "Hillary Clinton," he muses, "reminds me of an aunt I had that I never really liked. She was always a bit too nosy, too provocative, too sensitive, too cynical."

Media magnate Ted Turner has earned Larry's respect, as has photographer Annie Liebovitz. "I'm most impressed by people who have truly perfected their craft," Larry states.

The fate of savings-and-loan cheat Charles Keating brings Larry a special joy: "Keating spearheaded my indictment in Cincinnati and spoke at all the anti-porn rallies. Now he's in prison, and I couldn't be happier where that asshole ended up."

Flynt maintains that the media comprise "uptight nerds in New York who are so insecure about their jobs, they don't want to go out on a limb; they're all playing it safe." After the heights HUSTLER has scaled, what could be left?

"When you think you've done the best," Flynt concludes, "it's very difficult to say we've got to do better. But somehow we seem to always manage to do just that. We get prettier girls, better photography, better editorial, funnier cartoons. There's really nobody out there competing directly with HUSTLER."

* * *

HUSTLER: What's your forecast for the future?

FLYNT: I think this company will go public, raise a lot of money, expand in the publishing business and possibly get involved in the distribution of computer software. We're no longer just one magazine; HUSTLER has eight foreign editions alone. If you look at how many titles we put out, it's really something.

HUSTLER: Do you have advice for those starting in the publishing business?

FLYNT: Don't seek any advice from anybody already in the business. If you come up with anything good, somebody'll steal it from you.

HUSTLER: Has anyone ever stolen your ideas?

FLYNT: No, they're afraid to steal from me.

HUSTLER: In all, what has your success proven?

FLYNT: That anybody can make it if they really try.

"Hi, Mom....Oh, just dealing with baseball season."

The Tongue™*

Then use the Tongue during your next lovemaking session! 1-800-690-5239

Are you one of those men who... Has difficulty getting her off! Has a woman who lacks sexual desire! Tires during oral sex (often before she climaxes)! Has to ask or initiate sex most of the time! Wants sex more often and wishes she did too!

If even one of these problems applies to you then buy the Tongue immediately! Almost all women need clitoral stimulation in order to climax. She'll be spellbound under your control. Four "C" batteries (and optional plug-in adaptor) provide lots of power and endurance. This is NOT a vibrator... this is better! An absolute must buy for those hard to please ladies. Reg. ~~$39.95~~ Introductory offer $29.95 plus S & H. Order the Tongue now and **MAKE HER YOUR SLAVE!**

Allow her the DOUBLE PLEASURE of penetration and oral sex simultaneously. Specifically designed for use only with the TONGUE, this incredible little accessory will readily accommodate most dildos and vibrators. Only $6.95, S & H free when ordered with the TONGUE.*

PENIS ENLARGEMENT

MAKE YOUR PENIS HARDER, THICKER, WITH ERECT MEASUREMENTS UP TO 12 INCHES OR YOUR MAXIMUM POTENTIAL!

The following photos dramatically demonstrate an actual case history before and after using our powerful **Penis Pump**. The man demonstrating these increases is Chris Parker. His height is 5'9", and his weight is 135 lbs. The pump can be used by any man of any age, any height or weight for a longer, thicker, harder penis.

Before using the Penis Pump, Chris' penis is thin and small, about 3 inches

In this photo, Chris inserts his small penis into the pump.

Above, Chris has grown 2 to 3 inches but has not reached his maximum potential

Chris shows you his penis without the pump. There is a remarkable increase, but he can still grow and reach his maximum.

Look at Chris now! See how much longer, thicker and harder his penis is!

In this photo, Chris almost fills the entire pump. He is much thicker and 10 inches long!

A close-up look at Chris' thicker, longer, harder penis.

Even without an erection after using the pump, Chris' penis is much thicker and longer.

Our Penis Developer will increase penis length, thickness and make your erection harder and stiffer. Complete step-by-step instructions on our video and magazine. Do not accept any substitute. This is the original How-To-Penis Enlargement System developed over 20 years ago.

AFTER MORE THAN 20 YEARS . . . THE ORIGINAL SUPRA-12

PENIS ENLARGER

Reg. $39.95 REDUCED TO $22.95 plus FREE VIDEO

YOU CAN ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Is the size of your penis bringing you down? Want to "hang out" where the big boys do? In the neighborhood of nine, ten, eleven inches or more? Then wrap your fist around this hot new package offer which includes the very latest in vacuum pump design and the world's first "personal trainer" video on penis enlargement!

DESIRE IS NOT ENOUGH

The world is literally full of men who have tried to increase their genital measurements – and have failed miserably. The secret of success lies in personal professional instruction such as that supplied by our **SUPRA-12 SYSTEM.** Here in step-by-step easy to see and understand techniques you will be guided on the path to success! Now, with a simple device you can follow in the footsteps of over 3 million men who have proven that there is a way to **INCREASE PENIS SIZE** and **THICKNESS!** A safe and proven natural way to add inches to penis length and thickness.

OVER 3 MILLION SATISFIED CUSTOMERS

4 GOOD REASONS YOU SHOULD OWN THE ORIGINAL SUPRA-12 SYSTEM!

1. *We must be doing something right! Over 3 million customers have been satisfied with SUPRA-12.*
2. *The original and oldest in the field (over 20 years). Every pump made in the U.S.A.*
3. *The only pump made with our exclusive (patent pending) SUPRA-VALVE . . . for superior vacuum and suction.*
4. *The only affordable, quality electric pump available in the world!*

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

The male erection results from the flow of blood (triggered by stimulation) into hollow chambers inside the penis. As these chambers fill, the penis grows in diameter and length until the chambers are filled to capacity. By increasing the capacity of these chambers (making them bigger), they can hold more blood and the result will be a **LONGER, THICKER PENIS.** The **SUPRA-12** Vacuum Enlarger is the very zenith of technical perfection – the latest in design and comfort – nothing short of "miraculous" in the way they allow you to **ACTUALLY SEE YOUR OWN PENIS** grow inside the clear, picture window sleeve. Immediately you'll see just how really **BIG** . . . how really **FAT** . . . how **LONG** . . . how **HARD** and **STIFF** your own penis can get!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ **LONG** and **THICKER.** And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equiped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes!

YOU OWE IT TO YOURSELF . . . TO YOUR SEX PARTNER . . . TO YOUR SELF-ESTEEM . . . JOIN THE COUNTLESS OTHER MEN WHO STARTED OUT "AVERAGE" OR "BELOW AVERAGE", AND LEARNED ALL ABOUT MAKING A "BIG" IMPROVEMENT IN THEIR SEX LIVES!!

NEW, IMPROVED ELECTRIC MODEL

Plug-in electric pump provides constant vacuum you control! Complete vacuum occurs gradually for safety and provides relentless vacuum without any physical effort. Ultimate in vacuum pump luxury!

"The quality remains long after the price is forgotten."
Sir Henry Royce (Rolls Royce)

SCOTT TAYLOR TAKES YOU STEP-BY-STEP AND SHOWS YOU HOW TO ENLARGE YOUR PENIS!

He'll show you what phenomenal increases he has made in both the length and diameter of his penis. See photos above. This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

FULL DEMONSTRATION BEFORE YOUR EYES! ANSWER ALL YOUR QUESTIONS!

★ Find out exactly what is happening to your penis to make it grow longer and thicker!
★ Discover what the enlargement process really feels like!
★ Find out how big you can expect your penis to get!

Only $9.95 *(when purchased alone).*

NEXT MONTH IN HUSTLER

August HUSTLER on sale June 7, 1994

HOT ROCKS

August sizzles like a dish of grilled tuna as HUSTLER scopes six steaming sirens done to a turn. Hards beat faster with two tight-titted, limber-limbed acrobats bumping flesh-to-fleshcapades on a high-wire trapeze; passion pops up out of the blue and into the pink when a parachuting brunette drops spread-eagled from the sky; palms shine after buffing a custom-built hot rod with a soap-slick, classic-model girl-next-door; steel pipes burst seeing a busty blonde plumber dip into her handy toolbox; and temperatures soar when a crimson-booted miss turns on the heat with an easy touch and a solid will to please. Watch your fingers, because HUSTLER in August makes like molten lava. Grow with the flow.

COKE HEADACHE

For more than six months, the world's most-wanted gangster had managed to elude the 1,500-man Colombian police force that had been specially trained to hunt him down, but on December 2, 1993, Pablo Escobar, the so-called King of Cocaine and ruler of Colombia's foremost cocaine-smuggling organization—the Medellin Cartel—perished in a blaze of gunfire. Escobar's death and the resultant weakening of Medellin solved nothing for narcotics officers, however, because immediately after Escobar bit the dust a more powerful group emerged as Colombia's central cocaine supplier—the Cali Cartel. Writer Ron Chepesiuk gets the dirt on the dope in *New Kings of Cocaine*, an up-to-date report on the ruthless and seemingly invincible Cali organization.

HITTING MISTRESS

Wanted: Obedient student for seven days' schooling with a strict dominatrix. Instruction includes bootlicking, bondage and blue-balls endurance tests. Submit application to Mistress Leah Lafleur, professional pain-and-pleasure provider. Prerequisite: Memorizing Mistress Leah's *The Houseboy* in the August 1994 issue of HUSTLER Magazine. Reward? *Lick my cunt, slave!*

JOINED AT THE HIP

Foot-fancier Don Vaughan had a toe on his tongue and so had to type his ped praises in "Sole Search," HUSTLER's *Sex Play* for August; *Hot Letters* soaks the mailbox with ejaculations of epistolary erotica; *Beaver Hunt* strips America's homemakers free of their aprons; and *Bits & Pieces* pokes fun with a pinched log. HUSTLER in August proves hot isn't hell—it's swell. Get burned!
